FOREWORD FROM ROTHMANS OF PALL MALL

The season under review in the 14th edition of the Rothmans Football Yearbook will be remembered as the year Bob Paisley retired from the job of managing Liverpool after guiding the club to their 14th League title win.

There were many who thought the retirement of the late Bill Shankly may bring a halt to the continuing triumphs of the Merseyside Club. It did not, and this time fewer people are willing to assume that a change of manager will halt the progress of the team which has won the Football League four times in the past five seasons.

European success went to Aberdeen in a season which saw the Scottish domination of Rangers and Celtic brought to an end, whilst in Wales and Northern Ireland the International spotlight moved from the World Cup to the European scene.

The Chester Committee re-emerged with new proposals for the future of football and the questions of shirt sponsorship and television coverage exercised the minds of many involved in the sport.

Despite the gloom-makers, soccer lives on as our national game and the Rothmans Football Yearbook again provides the facts and figures to satisfy the enthusiast.

Full details of every English and Scottish League Clubs are given, illustrated for the first time with team photographs. Tony Williams is also editor of our other soccer annual, the Rothmans F.A. Non League Football Yearbook, and we are sure that you will find much pleasure in both.

INTRODUCTION

Major changes of format have been made in this, the fourteenth Rothmans Football Yearbook but no club features have been left out, while many new statistics have been included.

With photographs added and the club section certainly more comprehensive than ever before, it is hoped that readers will soon find their way around the new features and enjoy the lively presentation of this, the 1983–84 edition.

Figures such as Football League/Milk Cup and FA Cup appearances and goals are added to players' career records for the first time, as are birthdates and transfer fees (which of course are not official).

Features such as past 'Home' International teams, included in the last four issues, will be used intermittently in the future and every season new statistical ideas will be presented.

The advice of individual members of The Association of Football Statisticians has been gratefully received this year and Ray Spiller has been of great assistance in introducing them to the Yearbook administration.

Once again the book has been given enthusiastic co-operation from The Home Countries Football Associations, The Football League and the Scottish League, while special thanks also go to Tony Pullein and Barry Hugman (Domestic Competitions), Leslie Vernon (Overseas Football) and Dick Donnelly and Ray Hepburn (Scottish Football) for their invaluable contributions.

EDITORIAL

Anyone reading the day by day diary of last November could be forgiven for thinking that the professional game in this country had decided to devote itself to an all out 'kamakasi' course of self destruction. Reading the daily football disasters; of discrepancies of club funds, rows between players and managers, deception between chairmen and managers, club to club arguing, take over 'coups', record total of dismissals, organised gangs of thugs in the stands, and clubs in terrible debt, it was, to say the least, very sad for all who dearly loved the game.

We had started the season with a new interpretation of the laws which discouraged defenders from deliberately cheating, with body checks, trips and handball. This should have given spectators and the game in general a tremendous boost. Forwards could now push a ball past, or chip a ball over defenders and rely on skill and pace to triumph. Well, that was the idea, as John Barnes, Mark Chamberlain and Paul Walsh tore into defences in a spectacular start to the season. However, we read more about massive totals of dismissals and complaining managers than we did about the extra goals, entertainment, and the emphasis on quality and skill. It appeared that legal defensive play was a forgotten art which had to be re-learnt, but as pressure was put on referees to 'ease off', the game tended to lose that glorious free expression we enjoyed in those early weeks.

Perhaps the next degrading and boring aspect of the game to be elimated should be kicking the ball away after committing an infringement. If this unpleasantness were to be outlawed it would surely help the game to stand comparison with other spectator sports. There is nothing wrong with the game itself however, and last season, despite the unsavoury aspects already mentioned, football proved itself bigger than these problems and gave us plenty of wonderful memories. Huge crowds poured back over the Christmas holiday period and many clubs produced some outstanding entertainment. The sheer attacking brilliance, in completely different styles, of Liverpool (with Kenny Dalglish supreme), Watford and Luton Town in particular was also matched at times by practically all the First Division clubs, with the quality of many goals proving quite breathtaking.

All the good aspects of British professional football were seen by massive world wide T.V. audiences at the Milk and F.A. Cup Final matches. The drama, pace and skill enjoyed in a refreshingly happy atmosphere was really displaying our game at its best. There is no doubt that a successful Manchester United 'lifts' the domestic competitions and they certainly made a great contribution to the season. The emotional departure of Bob Paisley was also a reassuring reminder that great managers do not have to be constantly hitting the controversial headlines; a good job can still be done with the minimum of fuss and publicity.

There were lesser-known success stories, however, which proved that the fans are still about; more discerning perhaps, but still wanting to be attracted back to support worthwhile football at their local grounds. The excitement and rejoicing at Wolverhampton, Leicester, Portsmouth, Huddersfield, Cardiff and Hull, where comparitively recent gloom had been lifted, was most moving, and the sheer joy showed by local inhabitants at their club's promotion celebrations proved their pride in 'their town' clubs.

Aberdeen showed the whole of Britain how a club can be deliberately built into a disciplined, well-organised and successful organisation both on and off the field. They have also proved that by treating their supporters with respect, they in turn are rewarded by loyal, enthusiastic and well-behaved followers. England's team under Bobby Robson started quietly, developed into a very promising outfit and then through unfortunate circumstances proved once again that no-one will be attracted to the sport at any level if matches, like those in Australia are played by players appearing to lack the enthusiasm and technique to display the game at its best.

With wages and transfer fees more realistic, more footballers realising that only the completely dedicated will stay in the game, and outside The Football League there are more players playing the game than ever before, the sport has surely weathered the worst of the storm. Clubs have been forced to face life more realistically and the coming season could see a new refreshing attitude to attract the supporters who still yearn for the game to be played in a sporting, uninhibited and exciting fashion, in a happy and relaxed atmosphere.

Rothmans Football Awards 1970–1982

For the first five years of publication The Rothmans Football Yearbook presented awards to a British 'Golden Boots XI. All these awards were of course based on the previous season's form and were selected by a panel of leading journalists.

It's interesting to note that the first three 'sides' were selected in 4-2-4 formation and that only Billy Bremner held his place for all five seasons.

David Hay, originally selected at Right Back in the first 'team' made an impressive comeback in mid-field four years later, and the 'Young Players of the Year' all lived up to their original promise by winning a number of 'full' caps for England between them.

When the awards were changed to six special presentations, some interesting names appeared; Dickie Guy for his heroic penalty save for Wimbledon in their 0-0 F.A. Cup draw at Leeds; Geoffrey Green for all the pleasure his writing brought us through 'The Times' and for his eloquence on the radio; Liverpool became the first club to win an award and then Billericay Town followed them as the first club from outside The Football League; then last season Corinthian Casuals won an award in their centenary year for their success despite a pure amateur policy.

No doubt in another fourteen years it will be equally interesting to look back and see which personalities and teams hold these coveted awards.

Rothmans Football Awards 1983

ABERDEEN FOOTBALL CLUB. To win a European trophy deserves recognition in itself, but to win the European Cup-Winners' Cup with such style, backed by an administrative department known to be second to none and supporters whose good behaviour made them the pride of Scotland, adds up to a superb all-round club performance. One impressive novelty to be admired in Alec Ferguson's side is the way he and his staff have harnessed the natural Scottish aggression and talent to disciplined teamwork. But all aspects of the club are thought out, even the inside of the roofs covering the all-seater stadium have been painted in light colours to give the impression of cheerfulness. Yes, the sun shines all the time at Pittodrie these days, and where is it more deserved?
DEREK DOUGAN. The name of Wolverhampton Wanderers was only a minute away from being taken off The Football League's membership list last summer. In stepped Derek Dougan, an ex-Wolves player, who in his time had upset a few people in the game with his articulate outspokenness. This time he put money and action where his mouth was and has followed through to lead his beloved Wolves back to the First Division through his own brand of leadership by example and shrewd selection of club staff. Last season saw Wolves provide the League with one of it's special fairy stories and other struggling clubs with the inspiration to get their house in order.
CHARLIE NICHOLAS. The amazing flow of exciting football talent that finds its way out of Scotland and into the Football League must be resented by those who watch the game North of the border. He has followed his idol, Kenny Dalglish, into the Celtic and Scotland sides and now he will be competing against him for Arsenal in the First Division. Charlie may take time to settle in strange surroundings, but anyone capable of scoring the type of goal he registered as his first for Scotland, on his debut against Switzerland, must be a success at any level of football.
SHREWSBURY TOWN. At a time when most small town clubs are pleading poverty and complaining about the recession, little Shrewsbury Town Football Club not only held their own in Division Two but hovered on the fringe of the promotion race and finally finished in their best ever position in the Football League. Graham Turner has enjoyed his 'giant killing' feats with 'The Town' during the last few seasons but last season, through a sensible wage structure, wise manipulation of the transfer market and a sound youth policy he and the directors of the club proved the perfect example to the rest of football. Successful, happy, 'little' clubs can still enjoy their role in the Football League, if their housekeeping is orderly and the right characters are at the helm.
GRAHAM TAYLOR. Another perfect example of 'team work' off the field and on it, has seen Watford leap from the Fourth Division to runners-up position in Division One. A storybook rise, but one that is hardly surprising when you see the quality of the men looking after their Chairman's generous backing. Eddie Plumley, their Chief Executive, adviser Bertie Mee and the man who is responsible for achieving the necessary results to reward all the back room hard work, Graham Taylor. The club's popular team manager is a very intelligent, articulate and sensible personality who gives the image of football managers a much appreciated boost every time he is quoted or interviewed.
TOMMY TYNAN (Newport County). Following Tony Kellow and Keith Edwards, another experienced professional who has never played in the First Division, Tommy Tynan of Newport County, scored more goals than anyone else and has been chosen to win an Award. He has always given value for money with an all-action style that has brought him goals for Swansea (loan), Sheffield Wednesday, Lincoln City and Newport County. Having had the disappointment of not making the grade at his home town club of Liverpool, his success last season in a very good Newport side and this award may well inspire him to help in a promotion run in the coming season.

Sixteen-year-old **Andy**, younger son of **Jimmy Greaves**, signs apprentice forms for Southend United where he joins older brother **Danny** (19). FA announce a new system and code of disciplinary points. League tribunal decide that Manchester City must pay West Ham United £135,000 for **David Cross**. City's original offer had been £150,000 against the Hammers' valuation of £300,000. League tribunal fix a fee of £150,000 on the move of **Trevor Aylott** from Barnsley to Millwall. Barnsley valuation had been £400,000. Should Millwall receive more than the set fee for the player within the next 3 years half the excess is payable to Barnsley. **Peter Borota** signs a one-month contract with Brentford.

12 Another one for the tribunal to decide, as Arsenal sign Stoke City's unsettled striker **Lee Chapman** but refuse to accept Stoke's valuation of £600,000. **Brian Bason** leaves Crystal Palace to join Reading on a free transfer. FA Commission decide that WBA and Leeds United were not to blame for the crowd disturbances in their match at the Hawthorns last season, but nevertheless, Leeds must print warning notices in their programmes in the coming season. 14 New punishments for 'professional' fouls immediately a controversial topic for debate. Reading beat Oxford United 2-1 in the league trophy but, after losing **Doherty** with a suspected broken nose, substitute **Lawrie Sanchez** is quickly sent off for finger tipping a shot around the post. Trophy gates are about 25% down on the corresponding matches for last season (Group Cup). Wigan Athletic draw 1-1 with the touring national China team. In the Scottish League Cup Rangers draw 1-1 away with Hibs and Celtic hit 6 without reply at home to Dunfermline.

16 **Brian Clough** denies speculation that he is interested in **Pat Jennings** following **Peter Shilton**'s move to Southampton and expresses his confidence in youngster **Steve Sutton**. **Ron Atkinson** reported as being unable to meet the terms required by **Kevin Keegan**. Wolves' Secretary, **Phil Shaw**, is the latest to part company with the club in the shake-out at Molyneux. Luton Town announce a 4 year sponsorship deal with Bedford Trucks who have already provided a purpose built team coach which incorporates a treatment bench.

18 Aberdeen chalk up a 7-0 win against Sion (Switzerland) in their 1st leg Preliminary Round Cup Winners' Cup tie. Newcastle United emerge as likely favourites to sign **Kevin Keegan**. Norwich City's striker **Ross Jack** hits a second half hat trick in 20 minutes to help turn a half-time 1-2 deficit into a resounding 6-2 win over Peterborough United in the League Trophy. Newport County hit 5 goals against Exeter City and Reading 4 in their match with AFC Bournemouth.

27 FA Secretary, **Ted Croker**, calls for a new law for the Government to make it illegal for travel agents to organise unofficial trips for fans to follow England abroad. October

1 **Ossie Ardiles**' club Paris St Germain are drawn against Swansea City in the European Cup Winners' Cup. Aston Villa have been guaranteed £90,000 by Toyota, the sponsors of the World Club Championship match against the South American champions.

2 **Kevin Keegan** scores four goals for Newcastle United at Rotherham and repeats that he is not available for England as he was so disappointed at **Bobby Robson** failing to let him know that he had been dropped. **Kerry Dixon** scores two more goals for Reading but the club attract their smallest ever League attendance of 1,713. Seven more sending-offs brings the total to 55 against 20 at the same time last season.

4 Scotland regulars **Kenny Dalglish**, **Danny McGrain**, **Joe Jordan**, **Alan Rough** and **Asa Hartford** are dropped from the squad to face West Germany. **Mark Chamberlain**, Stoke City's exciting coloured winger has made the impressive rise from Fourth Division football with Port Vale last season to the full England squad in just eight games. In fact four young players in the squad, **Mark**, **John Barnes**, **Luther Blissett** and **Gary Mabbutt** have only played 35 First Division games between them.

5 Reading Football Club is put up for sale and an ex-player **Roger Smee**, now a successful businessman, is the favourite to take over. Canada could be challenging Brazil and the United States as the next hosts for the World Cup.

6 **Allan Simonsen** seems to be set to join Charlton Athletic for £300,000. AFC Bournemouth's coach **Harry Redknapp**, recalled to played at Manchester United in the Milk Cup because of the club's injury problems, after four and a half years' retirement, scores in his own goal within twenty-eight minutes! Nottingham Forest score six in the Milk Cup against WBA, Notts County win 2-1 at Aston Villa and Brighton and Hove Albion draw at Tottenham through a **Ray Clemence** 'own goal'.

7 Barcelona keep Charlton Athletic waiting on the **Simonsen** deal.

8 Due to inflated transfer fees Manchester United announce a loss of £2,282,007 but Charlton Athletic get their man and pay out a quarter of a million for **Simonsen** who gets £82,000 a season for two years. Rock star **Ian Gillan**, a keen amateur footballer,

hopes to buy Reading but Chairman **Waller** doesn't give the impression that he wants to deal with him or **Roger Smee**.

10 After an entertaining and sporting game at Upton Park, **Bob Paisley** joked that the 1-3 defeat and fifth position in the league didn't worry him, perhaps they should move us down to twelve and we'll start again' . . . many a true word . . .!! The Minister of Sport calls for a 'who's who of hooliganism' in a desperate bid to get grips with the problem. Manchester United Chairman, **Martin Edwards**, says he is unhappy about the £1,350 fine for the trouble caused by United's fans in Valencia, but he would not be appealing.

11 Ipswich Town directors have reluctantly agreed to striker **Eric Gates**'s transfer request.

12 England win the UEFA Under-21 European Championship by beating West Germany 3-2 in Bremen; a total aggregate of 5-4 enabled **Sammy Lee** to collect the trophy, the first won by England at this level. Scotland Under-21 beat East Germany 2-0 at Tynecastle.

13 England lose to West Germany 1-2 but Scotland balance matters with a 2-0 win over East Germany.

14 **Mick Mills** has refuted any suggestions that he might take on the job as Derby County manager.

15 Derby County appear to be ready for a take over. Referees are completely baffled by the FA's decision no longer to regard deliberate hand ball as a sending-off offence. The **Simonsen** saga goes on as Barcelona block the transfer until they have received a banker's guarantee for £100,000.

16 Liverpool and Manchester United draw 0-0 and goals are scarce compared with previous weeks. Two Wigan Athletic players were sent off at Bristol Rovers where Graham Withey, a signing from Alliance League Bath City, scored with his first touch, as substitute, and added another in a 4-0 win. Allan Simonsen has been 'seen' by the Charlton Athletic fans but he won't make his debut until next Saturday.

17 Bristol Rovers sign **Mick Channon** on a year's contract paid for by a Director's firm.

18 **Sir Norman Chester** is appointed by The Football League to make another report on the state of the game. **Peter Ward** may return to Brighton and Hove Albion where he enjoyed his most successful days.

19 It is announced that England will have to play their international against Greece in Salonika as the Greek FA do not want English supporters in their National Olympic stadium. HJK Helsinki beat Liverpool 1-0 with an ex-Harlow and Charlton Athletic goalkeeper **Wood** starring as he keeps a clean sheet against the English champions. **Peter Ward** returns to Brighton and Hove Albion on loan from Nottingham Forest.

20 Aston Villa get a good 2-0 victory in Rumania against Dinamo Bucharest and Aberdeen beat Poland's Lech Poznan 2-0 at home. Rangers and Dundee United also win but Spurs only draw at home to Bayern Munich and Swansea City lose at home to Paris St Germain. Celtic also lose 0-2 away to Real Sociadad. A mixed day for Britain! Liverpool put **Craig Johnston** on the transfer list.

21 Pop star **Ian Gillan**'s take over bid at Reading seems to be fading out. Ipswich Town made a loss of £173,395 last year. Plymouth Argyle Chairman **Robert Daniel**, 48, has resigned through ill health. Bristol City have slumped from the top six in the First Division to bottom of the Fourth Division in three years. Charlton Athletic are given a final demand by Barcelona in connection with the long drawn out **Simonsen** transfer saga.

22 The Greek FA switch their International against England back to Athens. Charlton Athletic directors are fuming over the **Simonsen** affair; he still has not signed for the club.

23 **Malcolm Allison** is back. He takes over at Middlesbrough and with new chairman, **Mike McCullagh**, gives Ayrsome Park an exciting and fresh atmosphere after a disappointing start to the season. Another chairman takes over at Derby, where millionaire snooker promoter **Mike Watterson** faces up to a difficult job of reviving County's fortunes. Plenty of goals are scored again in the League programme, but nine more players are sent off, including **Paul Mariner**. The day's biggest crowd (57,334 at Old Trafford) watched the 105th Manchester 'Derby', where two **Frank Stapleton** goals pegged back City after the visitors had taken a surprise two goal lead.

25 Notts County team manager, **Howard Wilkinson**, is favourite to be offered a full time position as manager to England's Under-21 squad.

26 Corinthians celebrate their 100th birthday. Columbia officially give up their chance of holding the next World Cup finals. On a night when most of the big clubs ease through

another round of the Milk Cup, England and Manchester United skipper **Ray Wilkins** breaks a cheek bone and will be out of the game for about six weeks.

27 Two stories that seem to have been with us all season continue to feature on the sports pages – **Allan Simonsen** still has not become a Charlton Athletic player despite constant bargaining by Chairman **Mark Hulyer**. It now looks as if Barcelona may call the whole deal off. The future of Reading appears to be most likely in the hands of ex-player **Roger Smee** who has moved ahead of pop star **Ian Gillan** in the running. However, does Chairman **Waller** really want to sell? England's European Championship match in Greece has had its venue changed yet again – it will now be played in Salonika! Poor **Trevor Brooking**, who has suffered so much from injury, is to have a groin operation. **Max Briggs**, Oxford United's defender, was sent off for the second time in four days. WBA's lowest attendance for 25 years (6,536) watch Albion play Nottingham Forest in the Milk Cup.

28 **Mick Mills** is 'linked' with Chelsea; and **Archie Gemmill** is expected back to help in the 'Derby revival'. Football League President, **Jack Dunnett**, has spoken out against the idea of reducing the number of clubs in the First Division.

29 **Justin Fashanu** finishes his loan spell at Southampton to be welcomed back into the Forest third team! **Alan Ball** announces he is definitely retiring as a player in the Football League and **Allan Simonsen** still doesn't know whether he will become a Charlton Athletic player.

30 **Kevin Keegan** is hit by a coin while playing for Newcastle United at Leeds. **Alan Ball** plays his last game for Southampton. **Ashley Grimes** is sent off for pulling the referee round by the shoulder during Manchester United's game at West Ham.

November

Ian Rush

1 **Jock Stein** announces that he will probably stand down as Scotland's manager in two years' time. Ipswich Town, already annoyed by **Kevin Beattie**'s comeback with Colchester United, having paid up his contract and given him a testimonial, feel that if he is now fit enough to join Middlesbrough he should be worth £100,000 to them. **Mick Mills** talks to a consortium of businessmen at Reading with a view to joining the Third Division club.

2 Two wealthy businessmen take over struggling clubs. **Neville Ovenden** returns to the Orient board but retains chairman of ten weeks, **Adrian Harding**, and former Chairman, **Brian Winston**, and snooker promoter **Mike Watterson** warns there may be unpopular decisions to come at Derby County.
Trevor Brooking goes into hospital for a groin operation. Police officers in South Yorkshire have been instructed to arrest players whose behaviour on the pitch could inflame crowd troubles. It was suggested that arrests should be made at the end of the game rather than on the field of play! Liverpool cruise to a 5-1 aggregate European Cup victory over HJK Helsinki.

3 **Graham Taylor** is appointed as Manager in charge of the England Youth team with Notts County's **Howard Wilkinson** taking over from **Dave Sexton** and **Terry Venables** with the Under-21 side. **Dario Gradi** is appointed as Youth development officer at Orient. Aston Villa, Aberdeen and Dundee United make European progress but Celtic, Rangers, Tottenham Hotspur, Swansea City and Shamrock Rovers are all eliminated. The FA announce that no tickets for England's away match in Greece will be sold in this country.

4 Brentford declare a £240,000 loss for the last financial year. **Ashley Grimes**, sent off while playing for Manchester United at West Ham last Saturday, is to be charged with bringing the game into disrepute.

5 Success story at Oxford United! A profit of £101,542 is announced for the year ending 30 June after nearly going into liquidation last January. The match account showed a £93,181 profit compared with a deficit of £67,671 the previous season. Attendances had jumped by 45% and gate receipts had risen by £113,647. Spurs Manager **Keith Burkinshaw**, disappointed with his club's heavy European Cup Winners' Cup defeat at the hands of Bayern Munich, considers that the size of our First Division and the exhausting competitive pressures put on our schoolboy stars, give our players very little chance to develop techniques to challenge the continentals.

6 RAOC soldier **Phil Stant** is 'called up' by Reading having just returned from service in the Falklands and scores in his side's 4-2 victory over Newport County. **David Webb**, AFC Bournemouth's player-manager, plays his first game for two years, his 553rd in the league, but takes himself off after 68 minutes as 'The Cherries' lose 0-1 at home to Huddersfield Town. Millwall chairman **Alan Thorne** suspends his manager, **Peter Anderson**, and **Terry Long**, the Assistant Manager, for 72 hours. The long running **Simonsen** saga seems to be coming to an end as Charlton Athletic announce that the former European Footballer of the Year will be playing for the Reserves on Wednesday. **Ian Rush** scores four in Liverpool's impressive 5-0 victory in the local 'Derby' at Goodison Park. These games are of course usually much closer fought affairs as the overall scoreline suggests: Liverpool 45 Everton 44 with 38 draws. Middlesbrough, obviously warming to **Malcolm Allison**'s presence, beat Barnsley in front of their largest gate of the season – 11,787. Bolton Wanderers on the other hand played in front of their lowest gate for 35 years – 4,879.

7 It is announced from Derby County that **John Newman** has been relieved of his Managerial duties and **Peter Taylor** is expected to return.

8 Millwall manager **Peter Anderson** is officially sacked. Sunderland manager **Alan Durban** is extremely upset, having set up a Press conference to welcome 'new signing' **Mick Mills** only to be told by England's World Cup captain that he had changed his

mind at the last moment and would be signing for Southampton. Coventry City's young full back, **Danny Thomas**, becomes the seventh black player to be called up by England's full International squad. **Sammy Lee** also gets the chance of a first 'cap'. **Peter Taylor** is officially re-instated as Manager of Derby County.

9 **Jimmy Dickinson** dies at the age of 57. At the time of his retirement as a player he held the record of 764 appearances for one club – his beloved Portsmouth. He then became the club's PRO, secretary, Manager and finally Pompey's Chief Executive. Jimmy also won 48 England caps and was one of the games most popular personalities. **Kenny Dalglish** returns to the Scotland squad for their European Championship match in Switzerland.

10 Nottingham Forest crash seven goals past Watford in a ten goal Milk Cup treat for the fans.

11 Tranmere Rovers, preparing for a close down on 27th November hear that a wealthy businessman based in America, **Billie McAteer**, has pledged his support. **Justin Fashanu** refuses a move to Derby County. The local council, much to manager **Graham Taylor**'s disappointment, has turned down a £2 million plan to turn the Vicarage Road ground into a 35,000 all seater de luxe stadium. Bradford City Manager **Roy McFarland** is awaiting permission from his Chairman to talk to Derby County about a possible move back to rejoin **Peter Taylor**.

12 Tranmere Chairman **Gerry Gould** announced that a deal to save the club had fallen through and it looked as if the club would have to be closed down at the end of the month. Colombia formally withdraw as hosts of the 1986 World Cup.

13 **Allan Simonsen** makes his long awaited debut for Charlton Athletic in front of 10,807. He scores but Middlesbrough win 3-2 at the Valley. With **Kevin Keegan** scoring two for Newcastle United, two ex-European Footballers of the Year played in Division 2. Watford's annual accounts show that their Chairman, **Elton John**, has provided the club with more than £1 million in interest free, unsecured loans. **Ian Rush** follows last week's four with a hat-trick at home to Coventry City. **Terry Venables** was reported to the FA by referee **John Deakin** after the QPR manager had run onto the field to protest against a controversial Blackburn Rovers goal. Lincoln City's **Marshall Burke** became the 100th player to be sent off this season and the total at the end of the day was 103. **Bobby Davison** scored Halifax Town's first hat-trick for nine years when he registered three away at Wimbledon.

14 An extremely angry **Brian Clough** bans **Justin Fashanu** because he won't go on loan to Derby County. **Fashanu** just wants to play his way back into the Forest side and is upset by the idea of going on loan to different clubs.

15 **Terry Butcher** pulls out of the England squad and is replaced by Manchester City's **Tommy Caton**. **Malcolm Allison** is quoted as saying that English football is all predictable and extremely boring. No players seem to have the technique or ability to do anything original. Britain's Professional Footballers give the thumbs down to the idea of a super league and secretary **Gordon Taylor** said that if necessary he would instruct his members to go for complete freedom of contract and therefore abolish the Transfer system, which would stop a breakaway. The players' invitation to League Referees and Linesmen's Secretary to speak about the new law interpretations proved a great success.

16 England Under-21 lose 0-1 in Greece but Scotland beat Switzerland 4-3 at Aarau in the same competition. Sutton United beat Leatherhead 11-1 in a Servowarm Isthmian League match and **Micky Joyce** scored 9 goals with his first five coming within twenty minutes of the start. Tranmere Rovers need to raise £66,000 immediately if they are to continue. Manchester United fail to secure Ipswich Town's unsettled striker **Alan Brazil**.

17 **Sammy Lee** wins his first England Cap and scores in an excellent 3-0 victory in Greece. **Tony Woodcock** scores the other two. Scotland lose 2-0 in Switzerland and Eire gain a thrilling 3-3 draw after trailing 1-3 at home to Spain. Northern Ireland take the honours, however, with a 1-0 victory over West Germany.

18 **Justin Fashanu** is ejected from the ground, having reported for training after **Brian Clough** had banned him from the club. Police were called to remove the young striker and his case is to be considered by the PFA. **Kevin Keegan** is said to be recovering well after sustaining an eye injury in **John Craggs**'s testimonial match. Rumours suggest that a shock take over of Tottenham Hotspur will take place at next month's annual meeting of shareholders.

19 Middlesbrough announce that they will be organising a Testimonial match for their two famous English Internationals of the 'fifties', **Wilf Mannion** and **George Hardwick**. **Justin Fashanu** reports for training after talks with the PFA. Chelsea Chairman

Ken Bates warns his players that, unless there is an improvement in their attitude and results, they will be replaced.

20 A record twelve players are dismissed during the FA Cup First Round ties and Altrincham, Boston United, Bishops Stortford, North Shields and Slough Town beat League opposition. Crowd trouble was inflamed by players fighting at Slough, and a wall collapsed at Wokingham where Cardiff City supporters like their counterparts from Millwall completely ruined their non-league opposition's big day.

21 Charlton Athletic manager, **John Craggs**, reports that his chairman has told him his job is safe for the time being.

22 **Gordon Taylor** calls upon his PFA members to follow a strict code of conduct and not exaggerate fouls, feign injury, show dissent or retaliate. In a week when the game's credibility is being severely tested, **Roy McFarland** and his coach **Mick Jones** resign just under 72 hours before Bradford City's Milk Cup replay with Manchester United, much to the consternation of City chairman **Bob Martin**, who feels his staff have been illegally approached by Derby County. And the FA feel that no good will come from punishing Leeds United for the misdemeanours of the well-organised bunch of thugs masquerading under the colours of the Yorkshire club. This leniency is not appreciated fully as the football public in general are desperately anxious for these hooligans to be hounded out of the game. **Ken Craggs** is sacked at Charlton Athletic to complete a horrific week as far as the game's image is concerned.

23 **Joe Gallagher**, Wolves' £450,000 signing from Birmingham City, is told he is no longer wanted by the club. **Ashley Grimes** is fined a record £750 and banned for two games following his man-handling of referee **Dennis Hedges** earlier in the month at West Ham. **Roy McFarland** and **Mick Jones** sign on for Derby County. Tranmere Rovers have been given an extended safety deadline of 16th December.

24 **Justin Fashanu** takes his case to the Football League and wins as there is insufficient evidence to support Nottingham Forest's ban. The public is completely confused by **Brian Clough**'s scathing remarks about a player for whom he paid a million pounds.

25 Tottenham Hotspur's accounts appear to show that £52,000 was missing and that one player earned between £95,000 and £100,000 during the year. Rumours of a board room coup grow stronger. Derby County are fined £10,000 for 'poaching' **Roy McFarland** and **Mick Jones** from Bradford City but Chairman **Mike Watterson** threatens to drag the case through every court in the country. **Justin Fashanu** turns down a move to Manchester City on loan.

26 Tottenham Hotspur's battle hots up as **Irving Scholar** bids to take over control from club chairman **Arthur Richardson**. European Champions, Aston Villa, could also be up for sale, as the **Bendall** family are prepared to sell the 45% of shares they own. **Trevor Francis**'s unflattering remarks about Italian marking methods upset the Italian football establishment. **John Hollins** is linked with the vacant Millwall job.

27 Scottish International goalkeeper, **Alan Rough**, leaves Partick Thistle for Hibernian. **Mike Bailey** despairs after Brighton and Hove Albion's pathetic showing at home against Notts County and brands the performance as 'an absolute disgrace'.

28 Referees promise not to ease up in their bid to discourage the game's cheats at a meeting in the presence of PFA Chairman, **Steve Coppell**. Total dismissals for the season now stand at 120.

29 **Kevin Keegan** resumes training after being out of action for two weeks with his eye injury. Leading Fulham goalscorer **Gordon Davies** is linked with Manchester United. Boardroom negotiations hot up at Spurs and Villa.

30 At the end of a damaging month in which the credibility and reputation of professional football can hardly ever have been dragged so low, matters can surely only get better!

December

1 **Doug Ellis** takes over as Chairman of Aston Villa for the third time. **Pat Jennings** has talks with **Ron Wylie** to discuss a possible move to WBA. The Irving Scholar take over group at Tottenham give **Keith Burkinshaw** a pledge of support and say there will be no Board interference. Sunderland sign the much-travelled **Frank Worthington** for £50,000. Stoke City consider bidding for **Alan Brazil**.

Diego Maradona

2 **Harry Parkes** withdraws his injunction against new Villa Chairman **Doug Ellis** who can now take control of the available shares. Spurs officially under new leadership as the old board of **Mr Arthur Richardson** steps down. **Brian Clough** announces that a new deal for **Justin Fashanu** could soon be official and a move to neighbours County seems most likely.

3 Brazil declared 80% certain of taking Colombia's place as the next World Cup hosts. The FA are worried by the trend for Directors selling their shares in clubs for big profits.

4 Coventry City, Swansea City and Everton have their lowest ever attendances in the First Division – 8,054, 9,556 and 13,703 respectively. Tranmere Rovers, living each day as if their last, record their first away win of the season at Port Vale. Leeds United, with their terraces closed as a punishment for their supporters' behaviour, recorded their lowest home gate for nineteen years (11,528) but their all-seater receipts were similar to those taken from a normal 17,000 crowd. Celtic win the Scottish League Cup for the first time for eight years.

6 **Mike Bailey** leaves Brighton and Hove Albion and **Alan Mullery** and **Ron Greenwood** are linked with the vacant position. The FA are to spend £40,000 on advertising the visit of Luxembourg to Wembley on 15th December. **George Graham** takes over as Manager of Millwall. Television announces record profits of £1¾ from selling recordings of football to about 40 countries.

7 ITV chief **John Bromley** warns football that there will be only limited money for screening League football in the future and advertising on shirts may not be allowed. Arsenal's goalkeeper **George Wood** is sent off against Aston Villa but **Pat Jennings** announces he will stay with the club. Chairman of Brighton and Hove Albion, **Mike Bamber**, acting in a General Manager's role pledges his side will produce no more of the 'boring' performances that have lost **Mike Bailey** his job and kept the fans at home. **Francois Van der Elst** hits top form with a hat-trick for West Ham United at Notts County in the Milk Cup.

8 Dundeed United qualify for the Quarter-Finals of the UEFA Cup by drawing 1-1 with Werder Bremen in West Germany (Aggregate 3-2). Forty applications are received for the Brighton and Hove Albion Manager's job. 'Atari' are to sponsor a six-a-side tournament at the National Exhibition Centre in January, and this may be a forerunner of an even more significant sponsorship deal. Little Reading beat high riding Watford 5-3 in the quarter-finals of the League Trophy. Oxford win the 'Varsity' match at Wembley by beating Cambridge 4-2.

9 The game's battered image has persuaded Charlton Athletic's sponsors, FADS, to take their initials from the team's shirts and two massive multi-million pound sponsorship deals may fall through for the same reason. Tottenham's financial and administrative controller, **Jim Prentice**, is not retained by the new board of directors.

10 **David Webb** is dismissed from the AFC Bournemouth Manager's job. Luxembourg FA are worried about crowd control for their home match with England and offer to play both European Championship ties in England. But this would not be allowed by

UEFA. **Jimmy Melia** as head coach, and **George Aitkin** are given team responsibility at Brighton and Hove Albion for the time being.

11 Only three non-league clubs go into the draw for the third round: Bishop's Stortford, Worcester City (2-1 victors over Wrexham) and the heroes of the round, Weymouth, who came back from a 0-2 half-time deficit to win 3-2 at Cardiff City. But all three are drawn away. The most intriguing tie is **Peter Taylor**'s Derby County v **Brian Clough**'s Nottingham Forest.

12 Aston Villa lose 0-2 to Penarol (Uruguay) in the World Club Championship in Tokyo's National Stadium.

13 **Frank McLintock** returns to one of the clubs he played for – QPR – as Reserve and Youth team coach.

14 **Luther Blissett** is selected for his full International and **Pat Jennings** is selected to return to Albania for Northern Ireland, 17 years since he played there for his country in 1965. Scotland Under-21 defeat Belgium 2-1 in Ghent.

15 England score 9 v Luxembourg and **Blissett** scores three; Belgium beat Scotland 3-2 in Brussels; Wales draw 4-4 in Yugoslavia and Northern Ireland draw 0-0 in Albania. Plans are drawn up to spend £5 million on a gradual face lift for Wembley Stadium.

16 Northern Ireland announce a £¼ million profit from the World Cup but Manchester City have to report a loss for the year of £960,992. **Diego Maradona** is out of football for three months with hepatitis. **Peter Reid**, Bolton Wanderers' England Under-21 International, may be moving to Everton for £60,000. Two years ago he refused a move to his home town club when he was priced at £600,000.

17 **Justin Fashanu** prepares to make his debut for Notts County, having moved across from Forest for £150,000. **Peter Reid** also moves for £60,000 to Everton. The FA clear Oxford United who had been charged with crowd misconduct after coin throwing on 3rd November.

18 The Pools panel sit, and the usual poor attendances for the Saturday before Christmas reduce attendances dramatically.

19 **Trevor Francis** is cleared of writing 'obnoxious comments' about the Italian football scene in his very popular autobiography.

20 FIFA announce that the host nation for the next World Cup will be announced in May. England are to withdraw from the 'Friendly' International originally planned for their Summer tour, but hope to arrange alternative fixtures.

21 **Mick Channon** moves on to his third club of the season – Newcastle United, Bristol Rovers and now Norwich City. The PFA want a Government backed 'Football Council' to tackle the game's many problems. **Cyrille Regis** reassures West Bromwich Albion that he is happy to sign a new contract with them despite rumours to the contrary. Bristol Rovers' Directors donate over £100 of club souvenirs to be given away by the players at hospitals throughout Bristol.

22 Russia offer to play England in the Summer. Reading's future is still unsure, as their Chairman, **Mr Waller**, having offered to stand down, has frustrated efforts by pop singer **Ian Gillan** to take over and also appears to be unwilling to discuss business with **Roger Smee**, a local property millionaire who used to play for the club.

.23 Following a meeting at the Football Association, FIFA have given Football League Referees the all clear to carry on their 'clean up' campaign.

27 The best attendances since Boxing Day 1978 lifted the hearts of all football officials. 708,044 people attended which was 212,337 more than the season's previous best, recorded on the opening day of the season. Seven First Division clubs had their best home attendances with Arsenal topping the lot with 51,497 and Birmingham City doubling their previous home gate by attracting 43,864. Luton Town with 21,145, had their largest crowd at Kenilworth Road for ten years.

28 **Paolo Rossi** wins the European Footballer of the Year award. Another bumper day for attendances and **Mick Channon** scores the winner on his debut for Norwich City. Attendances for the week-end topped the million mark.

29 **Vladimir Petrovic** flew in to sign for Arsenal having been forced to wait for half a season by the Yugoslav football authorities but **Ossie Ardiles** is only delayed by 24 hours due to the weather before he is due back at the Spurs club.

30 **Brian Clough** warns Nottingham Forest players that any arguing amongst themselves on the field will be severely punished through their wage packets.

31 Although **Ray Wilkins** is now fit following a broken jaw; there is no place for him in the side and of course he has lost the captaincy of both United and England to **Bryan Robson**.

January 1983

1 Spectators pack onto the terraces and goals crash into the back of the net! It's a great start to the Year for football. FA Cup heroes Weymouth put next week's tie at Cambridge at stake by striking over an expenses squabble with the club's directors. Celtic win 2-1 at Ibrox Park – their first New Year's Day victory, away from home, for 62 years.

2 **Frank Lord**, who was the first manager to lose his job this season, is appointed coach to Penang state team in Malaysia.

3 It is announced that England's World Cup profit is less than £100,000 after expenses.

Ossie Ardiles

4 Arsenal threaten to ban TV cameras from Highbury if 'live' soccer is introduced on television next season. **Paul Walsh** scores a fine hat-trick to give Luton Town a 3-2 away win at West Ham.

3 Liverpool take a ten points lead at the top of the League and **Kenny Dalglish**'s performance in their 3-1 defeat of Arsenal prompts **Bob Paisley** to describe him as the best Liverpool player of all time.

4 Weymouth players go back to work.

5 Swansea City suspend **Ray Kennedy** and **John Toshack** strips him of the club captaincy. The French FA have agreed that **Ossie Ardiles** will be available to play for Spurs on 15th January but due to an administrative mix up he is not available for Saturday's cup tie. Coventry City's sky blue stand is damaged by storms and will be closed for the cup tie against Worcester City.

6 FA Cup fever sets in as Bishop's Stortford, Worcester City and Weymouth prepare for their away trips to attempt some 'giant killing' at League Club grounds. Poor **Tommy Williams**, Leicester City's full back who broke a leg in last season's semi-final, breaks it again while preparing for the Third Round tie.

7 Little Weymouth offer their players £100 per man to beat Cambridge United away.

8 The FA Cup produces the most unlikely hero once again – Bishop's Stortford reserve mid-field player **Richard Bradford** scores two second half goals to equalise at Middlesbrough. **Peter Taylor**'s Derby County beat **Brian Clough**'s Nottingham Forest but there are no outstanding surprises.

10 The Cup draw gives Spurs yet another home draw, against WBA, but most of the favourites avoid each other.

11 Arsenal's £500,000 signing from Stoke City, **Lee Chapman**, undergoes a cartilage operation. Middlesbrough beat Bishop's Stortford despite trailing 9-1 to a **Lyndon**

Lynch goal at half time. Bury's chairman for four years **Ron Clarke**, resigns and hands over to **Terry Robinson**. **Mr Clarke** will stay on the board.

12 Brighton and Hove Albion pull off a fine replay win in front of 32,134 at Newcastle to qualify for a home time with Manchester City in the fourth round. **Peter Bodak** is to leave United and join Manchester City on a free transfer. Seattle Sounders sack **Alan Hinton**, their manager, who took them to the finals of the 1982 North American Soccer League Bowl.

13 Bayern Munich show interest in Spurs' **Glen Hoddle** whose contract finishes at the end of the season.

14 Heavy winds cause £5,000 worth of damage at Watford's Vicarage Road ground. The Football League are confident that this season's total of arrests at grounds will show a substantial improvement. The Alliance Premier League has put its own ideas forward for the future structure of football. Streamlined First, Second and Third Divisions with two regional (North and South) Fourth Divisions made up of full-time or part-time players.

15 **Allan Simonsen** scores both goals in a 2-1 victory for Charlton Athletic but, overall, goals and attendances take a drop although there is a pleasing reduction in dismissals (only two). **Ossie Ardiles** returns to the Spurs first team and shows great character in playing well despite pressures from the crowd at Luton and criticism from home.

14 **Kenny Swain** returns to Aston Villa after a happy period on loan at Nottingham Forest. The Nottingham club's budget apparently is preventing a transfer.

15 Blackpool have two points deducted by The Football League for playing an ineligible player in a Milk Cup tie. The forms were delayed in the post but ironically the club is the nearest (three miles) from the League's Lytham headquarters.

17 **Kerry Dixon**, Reading's striker who leads the national scoring lists with 27 goals, may be out for two months before his three-week old pelvic injury clears up.

18 Liverpool and Arsenal go through in Fifth Round Milk Cup ties. Brighton and Hove Albion plan a new £7 million American-style stadium to be opened in two years' time. Colchester United's player-manager **Allan Hunter** gives up the job as he just can't stand it! As 'it is impossible to be completely honest' as a manager he feels it only right to stand down.

19 On the day of his club's quarter-final Milk Cup tie at Spurs, **Brian Miller** is relieved of his duties as Manager of Burnley. **Frank Casper** stands in and his side records a fine 4-1 victory at White Hart Lane. Manchester United also qualify with a 4-0 home win over Nottingham Forest.

20 **Garrincha**, one of Brazil's most famous players, dies aged 49, after a long illness. **Rene Courte**, Press and Public Relations Officer for FIFA since 1969, has resigned. **Paul Breitner** announces his retirement in West Germany for the end of the season.

22 Leeds United followers cause thousands of pounds worth of damage at Derby but Chelsea fans behave well at Wolverhampton despite their bad reputation. A quiet day generally in the League but poor **Graham Roberts** who gave away two 'own goals' last week follows up by conceding a penalty against Sunderland. Only seventeen goals are scored in the First Division and six of those are at Brighton where Luton Town win 4-2. Attendances are the best for eleven weeks, other than 'Boxing Day'.

23 A unanimous call goes out from the press for drastic action to be taken against the louts using Leeds United as their excuse to cause chaos at Football grounds.

24 Ipswich Town drop **Alan Brazil**. Brighton and Hove Albion's chairman **Mike Bamber** confidently states that his club can go all the way in the FA Cup. **Paul Futcher** joins Derby County from Oldham Athletic. **John Robertson**, Nottingham Forest's international winger has a cartilage operation.

25 Derby County have lost £7,500 worth of Sponsorship because of hooliganism. The Football League are recommending that two substitutes should be allowed next season. 'Soccer 6' proves a great success again at the Birmingham National Exhibition Centre. It is sponsored by Atari who may be prepared to add their financial support to the whole League competition in the future.

26 Aston Villa gain a great 3-0 victory over Barcelona to win the Super Cup 3-1 after extra time. **Alan Ball** moves to help **Bobby Gould** at Bristol Rovers. **Stuart Boam** is sacked as Manager at Mansfield Town.

27 Atari are reported to be willing to inject £3 million into the Football League subject to TV negotiations and action to curb hooliganism. **Jeff Powell** of the *Daily Mail* is named Sports Reporter of the Year.

28 **Don Howe** confirms he will continue as Arsenal coach. The FA confirm that they will donate £2 million towards the £5 million needed to give Wembley a new look.

29 FA Cup attendances are up compared with last season. Brighton and Hove Albion

crash in four against Manchester City, **Kenny Dalglish** scores his 300th goal at club level and **Kevin Wilson**, a Derby County reserve, scores both goals in his side's 2-1 win over Chelsea whose supporters attempt to emulate the Leeds louts at the battered Baseball Ground.

30 Everton beat Shrewsbury Town in the FA Cup tie postponed to avoid clashing with Liverpool's match. **Ron Greenwood** is honoured at a special dinner organised by The Football Writers Association and is presented with an antique statuette of a footballer by Italian Manager **Enzo Bearzot**. **Ian Greaves** takes over as Manager of Mansfield Town. **'Dixie' McNeil**, one of the game's most prolific goalscorers (239) retires.

31 Spurs refuse to play their next FA Cup tie on a Sunday as requested by Everton. Derby County lose their appeal against a 'poaching' charge for luring **Roy McFarland** and **Mick Jones** from Bradford City. With Spurs away from London for the first time in three years, **Jimmy Melia**, Brighton and Hove Albion's caretaker manager and ex-Liverpool star himself, gets a glamour trip to Anfield in the fifth round.

February 1983

Pat Jennings

1 Watford knock out Fulham from the FA Cup at Craven Cottage thanks to goals from **Lohman** and **Barnes**. The match was watched by 22,206, Fulham's best of the season. Over 8,000 people watch a Blackpool select XI play Liverpool to raise funds for a drowning disaster fund.

2 Arsenal manage a draw at Leeds with a last minute goal by **Graham Rix** in extra time of their Fourth Round replay but Norwich City knock out Coventry City also in extra time. Brentford decide to carry on at Griffin Park despite £100,000 worth of damage to the main stand caused by a fire. Scunthorpe United manager **John Duncan** is replaced by **Allan Clarke**. Bristol Rovers' goalkeeper **Martin Thomas**, who failed to agree terms with Spurs after a loan period at White Hart Lane, joins Southend United, also on loan.

3 **John Bond**, frustrated at Manchester City's lack of form and the disastrous defeat in the cup at Brighton, resigns and **John Benson** takes over as caretaker manager.

4 **John Jackson** is signed on by Brighton and Hove Albion as goalkeeping cover at the age of 40. The FA find both Derby County and Leeds United 'guilty' of not taking reasonable precautions to avoid crowd troubles at their recent Second Division match at the Baseball Ground.

5 **Mick Channon** returns to the Dell with Norwich City only to lose 0-4; **Alan Ball** scores

for Bristol Rovers. **Allan Simonsen** scores his seventh for Charlton Athletic and **Kevin Keegan** his 15th for Newcastle United. Despite these famous names on the score sheet, attendances were low but only one player was sent off.

7 First Division Managers deny that they are withholding their youngsters from England's Youth team training sessions. Spurs consider bringing American Football to Wembley. **Peter Ward**, who has been on loan at Brighton and Hove Albion for a major part of the season, looks set to leave Nottingham Forest for Seattle Sounders, for £125,000.

8 Despite losing 0-3 to Liverpool in the end, Burnley shake the Champions with a spirited performance in the first leg of the Milk Cup semi-final.

9 Swansea City chairman, **Malcolm Struel**, is to be 'rebuked' for calling the Welsh FA 'bumbling amateurs'. Ipswich Town, who opened their new pioneer stand at the weekend, have launched an economy drive. Arsenal beat Leeds United at the third attempt and qualify for a fifth round FA cup tie at Middlesbrough. Attendances for the Fourth Round of the cup were 95,436 up on last year.

10 Derby County and Leeds United given a stern warning regarding crowd behaviour by the FA. **Peter Withe** is suspended for two games by the FA and will miss Aston Villa's next cup tie.

11 UEFA fine Barcelona £20,000 for their violent behaviour against Aston Villa in the Super Cup. **Leighton Phillips**, Charlton Athletic's player coach, leaves the club by mutual consent.

12 Snow and ice cut down the league programme and the pools panel sit. But Liverpool play and their 1-0 win over Ipswich Town takes them to a 15-point lead at the top of Division One. An incredible week-end result in the European Championships! – Cyprus draw 1-1 with Italy in Limassol!

13 Seven uncapped players are selected for the England squad to play Wales. **Thomas** (Coventry City), **Statham** and **Bennett** (WBA), **Stein** (Luton Town), **Caton** (Manchester City), **Barnes** (Watford) and **Cowans** (Aston Villa). **Gary Brooke** is severely injured after a car crash. The young Spurs forward was said to be in a 'stable' condition.

15 Manchester United produce a brilliant performance to win 4-2 on a frozen Highbury pitch in their Milk Cup semi-final first leg, while little Burnley beat Liverpool 1-0 but lose overall 1-3.

16 Portsmouth go top in the Third Division after a superb 3-0 away win at Lincoln City. **Neil Whatmore** is set to sign for Oxford United for £25,000 only 18 months after Birmingham City had paid £330,000 for him from Bolton Wanderers.

17 **Michael Robinson** is fined £250 and banned for one match after his 'assault' on Watford goalkeeper **Steve Sherwood** had been seen on TV. It is announced that England training squads would use the excellent Bisham Abbey sports facilities instead of five star hotels, whenever possible in the future.

18 It is reported that Argentine footballers offered Polish players £15,000 a man incentive to play well against Italy in the 1974 World Cup at a time when Poland had already qualified and were considering the use of reserves for the match.

19 Spurs are out of the FA Cup for the first time in three years, losing 0-2 at Goodison Park, but most of the favourites go through. The quarter-finals are made up of Everton, Aston Villa, Norwich C, Sheffield Wednesday and Manchester United with Arsenal and Burnley expected to win home replays and Liverpool and Brighton and Hove Albion yet to meet.

20 One of the season's most famous victories is recorded at Anfield where lowly Brighton and Hove Albion, inspired by their scouse extrovert manager, **Jimmy Melia**, and another ex-Red, **Jimmy Case**, win 2-1 against Liverpool.

21 **Gordon Cowans** and **Derrick Statham** are picked to win their first 'caps'.

22 The future of Soccer on Television becomes a talking point throughout the country and **Brian Clough** suggests the game should be banned from the screens for three years.

23 England beat Wales on an icy Wembley pitch in front of only 24,000. **Bryan Robson**, playing for Manchester United in their 2-1 Milk Cup victory over Arsenal, damages ligaments in his ankle and expects to be out for at least a month. United reach the final however with a 6-3 aggregate.

24 Deadlock is reached as the League club chairmen vote unanimously to reject the TV companies' new offer of £5·3 million. But the FA and The Football League are to try television advertising to attract better attendances at Internationals and basic league games.

25 Luton Town consider Milton Keynes as a new home for the club. Bradford City decide

not to appeal for more than the £55,000 awarded to them as compensation for Derby County's 'poaching' of their manager and coach. Lincoln City's players are upset at the club board's apparent lack of ambition at a time when the club is poised to push for promotion to Division Two.

26 **Pat Jennings** plays his 1,000th senior First team match in Spurs' 0-0 draw at home to Norwich City. Liverpool draw at Old Trafford and leave United with a massive task if they are to catch them.

27 Charlton Athletic reluctantly announce that the **Allan Simonsen** signing was a costly mistake. An inquest into what appeared to be planned hooliganism at little Ilkeston is to be held. Hundreds of local youngsters from the Derby area turned up in a uniform of green berets and systematically tried to call a halt to the FA Trophy tie at the town's ground as Enfield cruised to a 5-1 lead. The club's biggest ever day in its history was ruined and the same louts had previously caused damage at Barnet during Ilkeston's last round match.

28 Arsenal and Burnley duly win their FA Cup replays and move on to face Aston Villa and Sheffield Wednesday respectively. Two former Lincoln City Chairmen appear to be preparing to inject money into the club and enable the manager to buy the players he needs for the promotion run in.

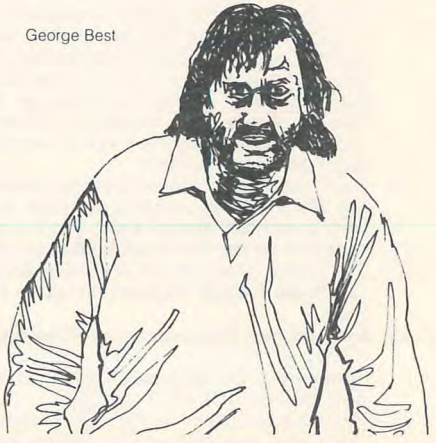
March 1983

1 **John Hollins** is linked with the vacant Colchester United manager's position. Missed penalties make the headlines for the evening matches. **John Burridge** saves two from Sheffield Wednesday's **Gary Bannister** for Wolves, in their 1-0 win, **Stuart Beavon** misses a first minute penalty for Reading in their 0-0 draw at Cardiff and **Colin Sullivan** becomes the sixth Portsmouth player to miss from the spot this season as Portsmouth's run of seven victories is ended in a 0-0 draw with Wigan Athletic.



George Best

2 A first minute goal from **Rossi** helps Juventus to a 2-1 first leg victory at Villa Park and Liverpool go down 0-2 in Poland against Widzew Lodz to complete a bad night for England in the European Cup. Aberdeen gain a superb 0-0 draw away to Bayern Munich and Dundee United come back with only a one goal deficit from Prague.
Luton Town sign Charlton Athletic's **Paul Elliott** for £150,000. Oxford United's new

signing from Birmingham City **Neil Whatmore** scores a hat-trick against Bradford City.

3 **Colin Murphy** has asked for £25,000 to keep up his Lincoln City side's challenge at the top of Division Three as they suffer their third consecutive defeat with a side badly depleted by injury. The Bedfordshire County Council offer Luton Town some hope, as they suggest they could re-route the proposed link road to avoid the Kenilworth Road ground. **Bobby Gould**, Bristol Rovers' manager, fines himself £200 for making remarks to the referee after his side had lost to Bradford City in a recent League match.

4 **George Graham**, Millwall's new manager, orders six players back for extra training in the afternoon as he considers players who have lost their first team place should work twice as hard to regain their form.

5 Liverpool score five against Stoke City and Manchester City lose their lead over neighbours United to lose 1-2 at home. Notts County register an impressive 3-0 victory over injury-hit Spurs who slip to 13th position. Chelsea's hopes of signing **Bob Latchford** are dashed as Mrs Latchford decides she doesn't want to move to London. **Terry Neill** apologises to the spectators for the lack of entertainment in Arsenal's home goalless draw with Nottingham Forest.

7 Liverpool sign eighteen-year-old **Michael Laudrup**, Denmark's 'Footballer of the Year', for £275,000. Fulham announce that they now have a club debt of over £1 million.

8 Leeds United with a £1·5 million debt are to increase share capital. **Billy Kellock**, a Luton Town mid-field player, signs for Wolves for £20,000.

9 **Don Megson** is appointed manager by the new four man consortium in charge at AFC Bournemouth. The Football League have agreed to make 12th October 1984 a clear Saturday in which First Division clubs will not play in preparation for England's important European Nations Championship qualifying match away to Hungary the following week. **Harry Gregg**'s two month spell as assistant coach at Swansea comes to an end as he walks out after a policy disagreement.

10 **John Wile** is wanted by Peterborough United as manager but although his move is agreed he will not be leaving WBA until the end of the season.

12 Arsenal and Manchester United move into the semi-finals as expected, although Everton put up a tremendous battle at Old Trafford and it is **Jimmy Case** who is again the hero of Brighton and Hove Albion as they reach the semi-finals for the first time. Sheffield Wednesday draw at Burnley in an excellent cup-tie. St Mirren, Aberdeen, Celtic and Rangers reach the Scottish Cup semi-finals.

14 Cup draws bring together the giants in England and Scotland as Arsenal are drawn to play Manchester United for the second time in a major semi-final this season and Aberdeen face Celtic.

15 Sheffield Wednesday storm into the semi-final with a 5-0 victory over Burnley.

16 Sad night for English football as Liverpool win 3-2 but lose 3-4 over two legs to Widzew Lodz in the European Cup. The Kop gain in stature once more however as they stay to applaud the Polish victors; Aston Villa lose in Turin 1-3 and 2-5 overall to Juventus. Aberdeen come back from behind twice to record a brilliant and spectacular 3-2 victory over Bayern Munich but Dundee United only draw 0-0 at home to Bohemians Prague and lose 0-1 on aggregate. **Jimmy Melia** is officially named as manager of Brighton and Hove Albion.

17 The FA and the Wembley Stadium officials hold up their plans for the Stadium's £5 million face lift as deadlock is reached over the contributions each party should make. **Sandy Clark** is sold by West Ham United to Glasgow Rangers for £150,000.

18 Aberdeen are drawn at home to Waterschei in the first leg of the European Cup Winners' Cup Semi-Final. **Carlos Alberto Pereira**, Kuwait's manager in the last World Cup, is appointed as Brazil's new manager.

19 **Alan Brazil**, Spurs' £500,000 signing from Ipswich Town, sets up their winning goal at Watford but skipper **Steve Perryman** is sent off. **Tony Woodcock** scores his first hat-trick for Arsenal and **Steve Moran** also gets three for Southampton. **Bobby Gould** warns his Bristol Rovers supporters that if they ever come on the field again he will take his team off and concede the match. **Allan Simonsen** plays his last game for Charlton Athletic and moves back to Denmark.

21 **Laurie Cunningham** signs on for Manchester United on loan from Real Madrid. **David Swindlehurst** joins West Ham United from Derby County for £200,000. **George Kerr** takes over as Manager of Rotherham United.

22 Brighton and Hove Albion swap **Andy Ritchie** for Leeds United's **Terry Connor**.

Trevor Brooking makes his first appearance for nine months, in West Ham United's reserve side. **Bryan Robson**'s bid to be fit for the Milk Cup Final fails.

23 Southampton sign Carlisle United striker **Bob Lee** and Portsmouth add West Ham United's **Nicky Morgan** to their squad. Little Caernarfon draw 0-0 with Wrexham in the Welsh Cup semi-final second leg but lose 0-2 overall. Ilkeston Town are cleared following an inquiry into crowd troubles during their FA Trophy match with Enfield.

24 The London and Liverpool Trust, who provide pub entertainment through Telejector screens, are prepared to set up 25,000 screens in a £8 million pound deal which will provide football for clubs and pubs instead of on television. **George Best** makes yet another 'comeback', this time with AFC Bournemouth, who have obtained his clearance from San José Earthquakes. **Emlyn Hughes**, having been relieved of his managerial duties at Rotherham, has joined Hull City as a player. **Kevin Dillon** joins Portsmouth from Birmingham City for £175,000; and 'Blues' also sell **Alan Curbishley** to neighbours Aston Villa for £100,000 while a number of other transfers just beat the deadline.

25 The Scottish FA are unhappy about a letter from the Hearts Chairman following a disciplinary hearing to consider **Willie Johnston**'s 19th dismissal!

26 Liverpool beat Manchester United 2-1 in a thrilling Milk Cup Final which went to extra time; and **Bob Paisley** collects the Cup on his last visit to Wembley. AFC Bournemouth get over twice their average 'gate' 9,121 to see **George Best**'s latest comeback.

27 **Kenny Dalglish** wins the PFA Player of the Year with **Ian Rush** being named Young Player of the Year and **Bob Paisley** receiving a special merit award to make it a clean sweep for Liverpool. A Football League plan to allow two substitutes next season has been voted out by the clubs as they feel it would be an extra expense.

28 The Chester Report on the State of Football, as requested by The Football League, is published. The main suggestions include a reduction of clubs in the First Division with Third and Fourth Divisions split into four region groups of sixteen clubs, the home club keeping its gate money and the League's constitution to be changed so that a three-fifths majority would be needed to approve changes instead of the present three-quarters. Watford play Corinthian Casuals for The Sheriff of London's Shield to commemorate the amateur club's centenary.

29 Wales confirm that they will be playing Brazil on 11th June. England Under-21 beat Greece 2-1 and Scotland defeat Switzerland Under-21 by the same score. **Kenny Dalglish** is picked to win his 90th Scottish cap alongside Celtic's **Charlie Nicholas** who is making his debut against Switzerland.

30 Scotland's comeback from a two-goal deficit to draw with Switzerland is highlighted by a brilliant goal from **Charlie Nicholas** but English fans are badly let down by a poor performance in a 0-0 draw against the Greeks. The Football League recommend the go-ahead for the £8 million pub and club Telejector deal.

31 FIFA Executive Committee announce that they will only consider Mexico's request to hold the next World Cup.

Brian Robson

1 Good Friday football brings Brentford their best attendance of the season for the visit of Portsmouth (12,593) and nearly 9,000 watch the local 'derby' at Plymouth where Argyle beat neighbours Exeter City 1-0. Manchester City register their first win under new management by beating WBA 2-0 and at Old Trafford **Frank Stapleton** scores his 100th league goal. The FA announce that they might put in a bid to stage the 1986 World Cup finals. Brighton and Hove Albion's **Chris Ramsey** loses his place in the semi-final through being sent off and Spurs' **Tony Galvin** receives a 'rocket' from his manager for unprofessional behaviour after his dismissal in the same match.

4 **Jimmy Bloomfield**, whose career as a player and manager spanned 29 years dies at the age of 49 after a long illness. Spurs crash five goals past Arsenal to record their most decisive victory over their local rivals for 71 years. Blackburn Rovers and Burnley are to be reported for bad crowd behaviour which stopped their match for 16 minutes. **Bobby Charlton** takes over as 'caretaker' manager at Wigan after the sacking of **Larry Lloyd**, who carries on as a player. **John Sainty** takes over as the new manager at Chester. West Ham United score 5 at Swansea and Carlisle United also get five at home to Bolton Wanderers.

6 Maidstone United are the latest soccer club to have a Rugby League club accepted into the National Championship; the club will be called 'Kent Invicta'. Four senior clubs, Liverpool, Manchester United, Arsenal and Tottenham Hotspur all condemn the idea of pub 'Telejector' soccer. Aberdeen book their place in the Final of the European Cup Winners' Cup by beating Waterschei 5-1 in great style in their first leg semi-final match.

7 The League and TV companies are no nearer to solving their contractual problems as the right for clubs to display advertising on their shirts becomes a stumbling block to negotiations. Over 8,000 supporters cheer Norwich City's Youth team into the Final of the FA Youth Cup after a 0-0 draw has given them a 3-1 aggregate victory over Luton Town. **George Best**, who had been 'missing' from Bournemouth for the last week, resumes training.

8 **Vladimir Petrovic** seems certain to leave Arsenal after only half a season as all concerned admit that he has not been able to adapt to the pace and physical demands of the Football League. The TV companies are expected to make another offer in a bid to keep soccer on the screens next season.

9 England and Manchester United captain **Bryan Robson** returns to the United side after the injury that kept him out of the Milk Cup Final. An average of over three goals a match cheered the fans but at Walsall, where the visiting Bristol Rovers fans had been given free travel by the Rovers Directors as a 'thank you' for their support in the rain the previous week, the home team again put a dampener on the proceedings by scoring five times.

11 Seventeen First Division and eight Second Division Chairmen attend a meeting chaired by **Jimmy Hill** at Coventry to discuss football's problems and find a way for the game to survive healthily.

12 Luton Town beat Birmingham City 3-1 in a vital battle in the relegation zone. The TV tug-of-war goes on and a decision by the main board of Governors at the BBC on shirt advertising may be the deciding factor. **Steve Coppell** will miss the rest of the season as he is going into hospital for operations on his left knee.

13 **Alf Grey** who has been nominated to referee the FA Cup Final states that the FA's crackdown on cheats in football has certainly helped the game to become more attractive and produced more goals; he feels that the rest of the world would do well to follow our example. **Arnold Muhren** pulls out of Manchester United's semi-final side with a calf injury. **Henry Kissinger** is given the job of persuading FIFA that USA should be allowed to host the 1986 World Cup finals.

14 **Gerry Hitchens**, the former Aston Villa and England centre-forward who also enjoyed a successful spell in Italy with Inter Milan, dies at the age of 48. **Eric Houghton**, one of his managers, describes him as 'the perfect professional'. **Jimmy Hill** has expressed

his willingness to stand down from the Chairmanship of Coventry City if a younger man wishes to step in and invest £250,000 in the club.

16 **Robert Maxwell**, Chairman of Oxford United, announces that he has bought a controlling interest in Reading Football Club and that he plans to merge the two clubs and form a new club called Thames Valley Royals. Brighton and Hove Albion reach Wembley for the first time, with **Jimmy Case** again a goalscoring hero, and Manchester United knock out Arsenal at the semi-final stage for the second time in the season. Italy continue their disastrous form since the World Cup by losing in Rumania.

17 Immediate reaction for supporters of both Oxford United and Reading is to fight the proposed merger. It is announced that FA Cup ties this season have produced over £1 million more than last season in receipts. Hungary beat Luxembourg 6-2 in Budapest.

18 **Dino Zoff** announces his retirement from International football after winning 111 caps. Wigan Athletic are the latest club to announce that they are in serious financial trouble. A break away by top clubs is again a distinct possibility as the big clubs are determined to receive a larger share of gate receipts and television payments.

19 Liverpool win their fourteenth championship as Everton beat their nearest rivals Manchester United 2-0. **Ray Wilkins** is recalled to the England squad. Wimbledon win Capital Radio's £25,000 prize for becoming London's first League club to score 80 league goals. Aberdeen, although beaten 0-1, defeat Waterschei 5-2 on aggregate and qualify for the European Cup Winners' Cup Final.

20 **Peter Withe** and **Graham Rix** are called up to join the England squad. Juventus and Hamburg will contest the European Cup Final.

21 The Football League announce that if Oxford United and Reading merge then five clubs will be promoted from Division Four and **Mr Maxwell**'s plans are given full support by the Oxford United board.

22 Opponents of the Thames Valley merger are wasting their time says **Mr Maxwell** as his plans are outlined at a Press Conference held at The Football Association. Mexico once again emerges as the favourite venue for the 1986 World Cup.

24 Leicester City win at Fulham to open up the Second Division promotion race. A 'sit in' on Oxford United's ground holds up the kick-off while home supporters demonstrate against the planned merger. Norwich City's great charge up the table continues as they win at Liverpool – 2-0. **Terry Venables**, having taken QPR up to the First Division plans to buy the club from out-going Chairman, **Jim Gregory**.

26 **Bobby Robson** is upset that a number of players failed to report their unavailability through injuries after Saturday's League games, but **Trevor Francis** is available after scoring a hat-trick for Sampdoria. Norwich City win 3-2 in the FA Youth Cup Final first leg against Everton. **Sir Norman Chester**'s report is given little support by club chairmen although some of the points will be voted upon at the League's AGM.

27 **Trevor Francis** and **Peter Withe** both play well and score the goals that beat Hungary 2-0. Wales beat Bulgaria 1-0 to go top of their group but Scotland cannot qualify following Belgium's 2-1 defeat of East Germany. Northern Ireland beat Albania 1-0 but Eire lose in Spain 0-2. Telejector pull out of their proposed deal with the Football League leaving the way open for a new TV deal for the clubs.

28 A strike at Hartlepool United is averted as disgruntled players are promised their wages after a three week 'freeze' by chairman **Vince Barker**.

29 The TV saga goes on as Television authorities ask for more 'live' football on the screens but the Football League insists on shirt advertising and better fees.

31 **Steve Foster** is booked and according to FA rules will automatically miss the Cup Final. Reading supporters parade a coffin around the town and ground before the Millwall match, but having led 3-0 and having two opponents sent off the home side allowed a spirited revival to achieve a 3-3 draw. Doncaster Rovers and Chesterfield are relegated to Division Four. VS Rugby having lost to their West Midland colleagues twice in the league and once in the league cup beat Halesowen 1-0 to win the FA Vase.

May 1983

1 Oxford City Council are reported to have offered Oxford United a site for a new stadium; **Robert Maxwell** says merger with Reading is still 'on' but he will consider the offer. FA say that there is no hope for Brighton and Hove Albion's **Steve Foster**, whose 31 disciplinary points reached on Saturday mean that he must miss the Cup Final.

2 Arsenal beat Manchester United in a League match, but worse still for United is the dismissal near the end of the match of **Remi Moses**. **Jimmy Hill** may sell off £1·5 million Sky Blue Connexion to cover Coventry City's overdraft. The Denmark Football authorities apologise for a press release describing 'sex crimes' by Greek players – it was now said to be nonsense.

Dino Zoff

3 **Jimmy Hill** resigns from Coventry City. His likely successor is **Iain Jamieson**, a former player. Burnley win at Shrewsbury Town and improve their chances of remaining in the Second Division.

4 Newcastle United give themselves an outside chance of promotion from Second Division by winning 5-0 at Barnsley; **Keegan** is one of the scorers, **McDonald** and **Varadi** scoring twice each.

5 Further talks between the Football League and TV companies fail; which could affect Canon's sponsorship next season.

7 The penultimate Saturday of the season sees Brighton and Hove Albion and Swansea City relegated to Division Two. Other issues settled are promotion from the Third for Portsmouth, Cardiff City and Huddersfield Town with Doncaster Rovers and Chesterfield descending from the same Division to be replaced by Wimbledon, Port Vale, Hull City and one other. Crewe Alexandra and Hereford United must seek re-election yet again. Luton Town lose at home to Everton and are plunged back into relegation trouble whilst Manchester City's surprise win at Brighton and Hove Albion gives them hope but seals the Seagulls' fate at the same time. **Bob Paisley** says his farewells to the fans in Liverpool's last home match.

8 Millwall give themselves a chance of escaping relegation to the Fourth by scoring the only goal at home to Brentford – **Bremner** is the hero. The ladies have their own 'Wembley' at Lincoln where Doncaster Belles win their F.A. Cup with a thrilling win 3-2) over St Helens.

9 Luton Town's chances of escaping the 'drop' are badly undermined at Old Trafford where they lose 3–0 to United, whose **McGrath** does his Wembley chances no harm by scoring twice. The FA Youth Cup is on its way to Norwich after they win a replay at Goodison Park; **Clayton** is the scorer in front of 20,562 fans – mostly Everton supporters. Stockport County and Hartlepool United are saved from extinction sought by the Tax Man. Stockport County have a payment offer accepted, whilst the North-Easterners having paid their debt hear their adversary's petition against them dismissed.

10 **Ron Atkinson** will not appeal against the FA charge of bringing the game into disrepute following incidents at Highbury on 2nd May. Second Division relegation worries for Middlesbrough (2-0 victors over Crystal Palace) are virtually eliminated but Burnley's win (2-1) over QPR (the Champions) merely increases their chances. Portsmouth score a single goal at Fratton Park which makes them Third Division Champions and Swansea City look like achieving Europe again as a consolation for being relegated – they win the first leg of the Welsh FA Cup Final at Wrexham (2-1). West Ham United's European ambitions disappear with their home defeat against Arsenal, whose best player in their win (3-1) is **Petrovic**, but he will not be back next season!

11 In dreadful conditions in Gothenburg Aberdeen score the odd goal in three against Real Madrid and take the Cup-Winners' Cup. **Eric Black** scores early in the game, **Juanito** equalises soon after from a penalty and after considerable pressure in the second half and throughout extra time **John Hewitt** heads home a **McGhee** cross for victory.

12 It is announced that **Steve Foster** is to go to the High Court on Monday to seek an injunction to set aside his suspension, so that he can play in the Cup Final on the 21st.

13 The UEFA International Youth Tournament starts with England beating Spain (1-0) but they have **Simmonds** harshly sent off near the end. Scotland (the holders) beat USSR (3-0). **Graham Taylor** says his Watford duties will prevent him from continuing as Youth Manager after the tournament. The Reading merger with Oxford United seems to be off – finally. Reading Chairman (**Frank Waller**) and two directors resign leaving the way free for **Roger Smee** to become Chairman and end **Robert Maxwell**'s bid to form Thames Valley Royals. The latter says he will leave Oxford United if the council in that city fails to provide a site for a new stadium.

14 The final Saturday of the League campaign! Most issues are settled but a few remain in abeyance including the final promotion place from Division Two, where Leicester City think they have won promotion after a goalless draw with Burnley, but Fulham's match with Derby ended 78 seconds early owing to crowd encroachment. Other unsettled issues are the last relegation place from Division Two (Burnley of Crystal Palace) and a single re-election place in the Fourth. Luton Town's Yugoslav substitute, **Radi Antic**, scores the only goal at Maine Road four minutes from time so down go Manchester City to Division Two, whose ranks lose Bolton Wanderers and Rotherham United to the Third. Reading beat Wrexham in their final match, but both clubs descend to the Fourth because Millwall and Orient both win and Exeter City draw. The final promotion place from the Fourth goes to Scunthorpe United, who win at Chester whilst Bury lose at home to the Champions, Wimbledon. In Scotland the Final Day sees Dundee United lift the Flag for the first time, hotly pursued by Celtic and Aberdeen; all three win well. Hearts join St Johnstone in replacing Morton and Kilmarnock in the Premier Division whilst the replacements in that league for Dunfermline Athletic and Queen's Park have already been decided – Brechin City and Meadowbank Thistle with the former confirmed as Second Division Champions today. **Bob Paisley**'s final match as Liverpool's Manager ends with defeat at Watford, who finish second with Manchester United third. Also going into Europe (UEFA Cup) are Nottingham Forest with Aston Villa waiting on the Cup Final result to ascertain their own position. Finally, Telford United win the FA Trophy at Wembley after a fine second half against Northwich Victoria (score – 2-1).

15 England's Youth team beat Scotland (4-2) and are favourites to progress in their group. England's ladies make it a double by winning their UEFA Championship match in Belfast (4-0). Hungary lose in Budapest against Greece which makes England's qualifying chances in Group 3 look excellent; only a late rally brings a respectable score (2-3). Sweden (5-0 home winners over Cyprus) and Spain (3-2 victors in Valetta) also score points.

16 **Steve Foster** loses in the High Court and is still suspended from the Cup Final, whilst the Football League reject Fulham's request for a replay against Derby County so Leicester are promoted to Division One. Tranmere Rovers and Rochdale fail to provide a goal at Prenton Park, but both escape having to apply for re-election; Blackpool are almost certain to be the fourth unlucky team since only a 9-0 home defeat for Darlington in their final match (v Peterborough United) can save them!

17 **Crystal Palace** stay in the Second Division by defeating **Burnley** 1-0 at Selhurst Park but the little Lancastrian club having enjoyed two superb cup runs in the season, are relegated. **Graham Roberts** is called up for the England squad, Everton's **Steve McMahon** discusses a move to Aston Villa and Brighton & Hove Albion accept that their captain **Steve Foster** will not be able to lead them out at Wembley. The England Youth team lose 0-2 to Russia but qualify in their group for the semi-final.

18 **Gary Howlett**, a 20-year-old Eire Youth International, is selected for Brighton & Hove Albion's cup final team in only his 11th senior match. Aston Villa sign **Steve McMahon** for £400,000 despite Liverpool's interest in the Under 21 International mid-field player.

19 **Kenny Dalglish** receives his Football Writers' 'Footballer of the Year' award from Pele at the Cafe Royal. **George Wood** signs for Crystal Palace. Manchester United emerge as early favourites to sign **Charlie Nicholas**.

20 **Alan Davies**, A Welsh Under-21 international gets the last place in United's Cup Final team pipping Laurie Cuningham and Ashley Grimes. Mexico are officially named as hosts for the next World Cup. England Youth team lose on penalties in their European Youth cup semi-final against Czechoslovakia. Bobby Robson selects uncapped players, **Mark Barham**, **Nigel Spink**, **John Gregory** and **Paul Walsh** for the tour of Australia.

21 A great day for Brighton & Hove Albion as they take an early lead, then equalise in the closing minutes of normal time and miss a good chance of winning near the end of extra time! Like the Milk Cup Final, the FA Cup Final proves to be a superb advertisement for British Football. Aberdeen complete a memorable Cup Double by Winning the Scottish Cup Final 1-0 after extra time against Rangers.

22 **Gary Stevens**' Cup Final 'Man of the Match' performance makes him the week end's talking point and it is accepted by Brighton & Hove Albion that he will be moving on. England's ladies beat Scotland (2-0) at Leeds and qualify for further possible honours in Europe.

23 It is to be **Joe Fagan** at Liverpool; he takes over from **Bob Paisley**, thus maintaining the club's custom of promoting from their own boot room. **Joe** is 62. **John Hollins** goes back to Chelsea as Assistant First Team Coach.

24 The Home International Championships continue with a goalless draw at Hampden Park between Scotland and Northern Ireland – neither side being at full strength. Will **Gordon Cowans** go to Napoli? It is still not known. As **Ron Atkinson** is let off with a warning by the FA he will be on his club's bench at Wembley for the Cup Final Replay.

25 Hamburg take the European Cup with a single goal win over a disappointing Juventus – the veteran **Magath** being the scorer after nine minutes. Fulham's appeal to have their match at Derby County replayed fails before the League Board of Appeal, whilst Brighton and Hove Albion make only one change of personnel for the Replay bringing in **Foster** (as expected) for the injured **Ramsey**, but there will be a reshuffle of the defence. Manchester United are unchanged. **Gordon Cowans** still does not know whether he goes to Napoli or not.

26 It is Manchester United all the way at Wembley with victory by four clear goals over gallant Brighton and Hove Albion. The scorers are **Robson** (2), **Whiteside** and **Muhren** (penalty).

27 **Jack Charlton** – not unexpectedly – resigns at Hillsborough and is replaced for the moment by **Maurice Setters**; the parting is 'amicable' but **Jack** is clearly disappointed at his failure to bring Wednesday First Division football.

28 The Home Championship bumbles on with Scotland good winners at Cardiff over Wales with two goals by **Andy Gray** and **Alan Brazil**, whilst Northern Ireland and England fail to score in Belfast.

31 Aston Villa are announced as having signed Swindon Town's very promising **Paul Rideout** at a reported fee of £200,000. Northern Ireland again fail to score in the Home Championships, but **Gordon Davies** does chalk up one for Wales in Belfast, whilst among the Semi-Pros in Scarborough England start well against Italy (2-0) and Holland and Scotland share six goals.

June 1983

1 England are Home Champions. Bobby Robson's men efficiently beat a strangely subdued Scottish line-up. The two goals are scored (one in each half) by **Bryan Robson** (before retiring injured) and **Cowans**. Aston Villa's **Peter Withe** also retires injured and is almost certainly out of England's trip to Australia.

2 England take a mighty step towards regaining the Semi-Pro title in Scarborough by thrashing Holland by six clear goals; Scotland beat Italy (3-1).

4 England win the Semi-Pro Tournament in Scarborough beating Scotland 2-1 with a last minute winner from **Colin Williams** of Telford United; a draw would have been enough, but the 100% record is good. Holland beat Italy (3-2) in the other match. In Swaziland Cup Winners, Manchester United, beat Spurs (2-1) with **Stapleton** scoring

a late goal to supplement a penalty equaliser from **Muhren**; **Archibald** scored for Tottenham.

5 The World Youth Tournament has started in Mexico and Scotland beat South Korea (2-0), but Nigeria provide a shock by beating Russia by a solitary, last minute goal. In matches in Africa, Coventry are 5-2 winners against Zimbabwe whilst a combined Spurs and Manchester United side score six with only a single response against Swaziland.

6 The International Youth Tournament continues with Scotland losing in Mexico (1-2) to Australia. In the same tournament the United States beat Ivory Coast by a lone goal and the African team have three players ordered off for dissent.

7 **John Benson's** short spell as Manager of Manchester City is over; a relegation victim. Russia depart from the World Youth Tournament losing (3-2) to Holland, whilst Ivory Coast lose one player (Lucien Kassy) for a year for referee-assault yesterday; three others are suspended for shorter periods.

9 **Charlie Nicholas** seems set to join Arsenal and is thought likely to announce the fact to-morrow – the fee around £650,000! In a rowdy match (the crowd being the problem) in Mexico City, Scotland through **Clarke**, score once against the home team and this win puts the home team out and sees the Scots through to a quarter-final match against Poland.

10 The Football League A.G.M. Sees all the bottom four clubs in Division Four re-elected; Maidstone are within ten votes of the lowest of those four, Hartlepool. The Football League introduce seeding in the Milk Cup and home clubs are to retain gate receipts. **Gordon Cowans** is not now going to Napoli, but **Glenn Hoddle** might yet end up with A.C. Milan or one of Italy's other promoted clubs. Bobby Robson announced four new caps for England's first match against Australia in Sydney on Sunday, the lucky ones being **Barham** of Norwich, **Steve Williams**, **Danny Thomas** and Q.P.R's **John Gregory**. Various 'words' are passed between the two camps – probably to arouse public interest in the game.

11 At Wembley the Under-15's of England and Scotland share six goals with the Scots scoring two late counters in a brave recovery. Their youths are less fortunate in Mexico and lose by a solitary, early goal to Poland in the quarter-finals.

12 In Australia, England fail to score in a bore at Sydney, where the home team show no ambition and also are scoreless, but Wales through a **Flynn** goal score early in Cardiff against Brazil, whose second half reply gives them a scarcely deserved draw.

13 Scotland in Canada beat the home country (2-0) through a **Strachan** penalty in the first half and one after the interval from substitute **Mark McGhee**; the performance is unconvincing.

14 **John Bond** goes as Manager to Burnley. Who goes with him? **John Benson** perhaps? **John Duncan** (ex Scunthorpe Manager) leaves Hartlepool for the 'hot-seat' at Chesterfield.

15 Ten Thousand fans see England score a goal in Brisbane against the home country; the second half scorer is Luton's **Paul Walsh** after a dubious cross from **Gregory** (QPR), which may or may not have been over the by-line. Grasshoppers of Zurich win the Swiss Cup.

16 Scotland retain their unbeaten record in Canada beating the Dominion in Edmonton (3-0). **Charlie Nicholas, Richard Gough** (his first for Scotland) and **Graeme Souness** are the scorers. Referee **Ben Fusco's** attempt to star has mixed fortunes; he books three Scots, but also whistles for half-time four minutes early!

17 The South Korea President's Cup is won by PSV Eindhoven, who beat the home country (3-2) with third place going to Ghana who gave the United States a resounding five-nil thrashing. Brazil continue in Europe with a win in Switzerland (2-1). The **Rubin Brothers** having taken over Southend United sack the Manager, **Dave Smith**, whilst the latter is on holiday in Tenerife.

19 In Melbourne England's scratch team are held by Australia (1-1) with **Francis** scoring the goal, missing a twice-taken penalty and being booked. **Phil Neal** (own goal) is the unlucky scorer for the home team. England debuts are made by **Pickering** (Sunderland) and **Spink** (Aston Villa), the substitute goalkeeper. Scotland's **Andy Gray** scores twice in the first half in Toronto as Canada go down again to the visitors without scoring once during the three matches.

20 Brazil win the World Youth Cup in Mexico by a single early goal against Argentina from a penalty (**Silva**). The win is deserved and there is no violence this time. Poland had already clinched third place by beating much improved South Korea (2-1). **Frank Barlow** leaves Chesterfield after eleven years there; he decides against joining the new manager, **John Duncan**, as his assistant.

INTRODUCTION TO CLUB SECTION

The four pages given to each of the ninety-two Football League clubs have all been changed a little this season. The statistics featured are mostly self-explanatory but hopefully the details given below will help readers to enjoy the section to the full.

Club Page One: The introduction of a team photo has necessitated a move for some of the club statistics. 'Honours' and 'League Records' are now on page 3 and standing club records such as 'largest victory' and 'most capped player' have their own sections later in the book. In the past, all players have had their league records tabulated in detail and now thanks to the team photo, faces can be put to facts, and even club shirt designs will also be recorded through the years.

Club Pages Two and Three: A match by match league record still dominates these pages but referees' names have been added for the first time.

Over the years there have been a number of queries raised concerning the attendance figures which appear on these pages. Those which feature on page two of each club are taken from press sources at the time of the match or from estimated figures. But the final attendance figures for the season, which also incorporate the club's average crowd at home, are those officially supplied by the Football League.

Appearances shown on page three of the club section are those provided officially by the Football League. In past years it has been pointed out that the actual shirt number worn by a player in a particular match has varied with that published. Whilst every care has been taken, it sometimes happens that the team sheets completed by clubs have been at variance with the team numbering published at the time of the match.

Club Page Four: Club data for this page is set at the beginning of the close season and is based on the Football League Retain/Release document produced in mid-May 1983. All close season transfer activities will be recorded in the next yearbook.

For the first time ever, career Football League Cup/Milk Cup and FA Cup appearances and goals have been listed. As official goalscorers have never been tabulated in this way before and even appearances in these competitions have not always been fully audited, members of The Association of Football Statisticians have kindly helped with statistics. However in this, the first compilation of such comprehensive appearances (and substitute appearances) and goalscoring records, any extra information that has eluded the team of compilers will be welcomed with interest.

Players' details are recorded in similar fashion to previous years:

Positions vary season by season but club advisers in the Association of statisticians will be keeping up with players' changes.

Names: Christian names are usually those by which players are known within their clubs.

Honours: The player's senior International honours is recorded: i.e. E = Full England International, E'B' = England 'B' International, E U21 = England Under 21 International, E'Y' = England Youth International and E'S' = England Schools International. Other internationals initials are those used on the International caps pages.

Height, Weight and birthdates are included where known and the *birthplace* column is above any transfer details. *Transfer fees* are based on figures given to the Press by clubs but while giving a rough indication of a player's value during his career, we respect the fact that some clubs do not wish to disclose exact details of their transactions. Free transfers are shown by F/T, player exchange by P/E and shows that there was no fee involved or it was a loan transfer.

Loan transfers are shown where appearances were made and an (A) behind a club's name indicates that the player was an apprentice at the club. Where a player played for a number of 'non-league' clubs before joining a league club only the last one is shown.

Non-Contract Players are shown only when making appearances for season 1982–83 and being retained for the following season. If a N/C player plays during the season but is not retained, his entry will appear amongst players released since May 1982.

Players Released since May 1982 includes all players who have been released from the club and have left The Football League.

Hopefully this section will be of great interest and will once again give the most comprehensive and enjoyable guide to Football League clubs and their players. I am most appreciative of the support and interest given to us by Ray Spiller and his Association of Football Statisticians and the tremendous work put in by Barry Hugman and Tony Pullien while helping Tony Williams compile these pages.

FIRST DIVISION CLUBS RECORD VICTORIES

Only one First Division club has achieved its record victory away from home and that feat was recorded by **Nottingham Forest** when they thrashed **Clapton**, one of the famous amateur clubs of the day, 14-0 in the 1890–91 season.

When **Luton Town** recorded their famous 12-0 victory over **Bristol Rovers**, a stalwart defender, Joe Payne, had only recently been drafted into their attack to 'give a little extra punch'. He just about managed that on this occasion – by scoring 10, a record individual tally in a Football League match.

Anderlecht, who provided the opposition when the 'Busby Babes' of **Manchester United** scored a record ten goals, went on to become a European power themselves, but often senior clubs set up their records against cup opposition from inferior leagues. However, **West Ham United** certainly worked hard for their two 8-0 victories, both registered in League games, against **Rotherham United** in Division Two in 'the fifties' and ten years later against **Sunderland** in Division One.

After **Crewe Alexandra** had drawn 2-2 in the Fourth Round of the F.A. Cup in 1960 they travelled down to White Hart Lane with hopes of another close battle with **Spurs**. It certainly turned out to be a day to be remembered in both club's histories – **Tottenham** won 13-2!

FIRST DIVISION CLUBS RECORD DEFEATS

Blackburn Rovers certainly feature prominently in these records as they have inflicted no less than six record defeats spread over seven decades, with the latest in 1963 against **West Ham U.** Rovers also hold the record against **Middlesbrough** of the Second Division and **Bury** of the Fourth and their victory at West Ham is the only record defeat suffered by a club playing at home.

Considering **Liverpool**'s dominance of the First Division in recent years compared with **Birmingham City**'s constant struggle, 'The Blues' record win in 1954 may cause a few eyebrows to be raised! While it is perhaps not surprising that the least emphatic beatings received by First Division clubs are those inflicted on the consistent **Manchester United** and **Tottenham Hotspur**.

Is it a coincidence that four records have been achieved at the Christmas holiday season?

SECOND DIVISION CLUBS: RECORD VICTORIES

Despite a sad season finished off by relegation, at least **Swansea City** had the pleasure of breaking their goalscoring record last season when they hammered the Maltese Cup Winners, **Sliema**, 12-0, in their first European cup tie of the tournament. Another Maltese club provided **Ipswich Town** with a famous victory when **Floriana** were the opposition in the European Cup in 1962.

However, the most memorable of these records could well be the 13-0 victory achieved by **Newcastle United** against **Newport County** in 1946 in front of 52,137 fans. That season 'The Magpies' average attendance was 49,336 was the best in the country; and on this particular day the club gave a new signing his first match since arriving from Bradford – his name: **Len Shackleton** – and his reaction to a debut in front of so many fanatical 'Geordies' was to score six goals! The other scorers that day were Charlie Wayman 4, Jackie Milburn 2 and Roy Bentley. What careers they all had in front of them!

SECOND DIVISION CLUBS: RECORD DEFEATS

Quite remarkably many record defeats have been suffered in the opening week of the season. Having sweated through six weeks of pre-season training, the shock of such demoralising early defeats could have been disastrous and the training staff's methods must have been under review but, of the Second Division clubs, **Brighton & Hove Albion** finished the season in 12th position, and **Leeds United** in eighteenth.

Cambridge United have spaced their record defeats out evenly, having suffered one 0-6 reverse in each Division. The latest of these was at **Chelsea** last season but they finished higher in the league than the London club.

On Christmas Day 1935 **Oldham Athletic** beat **Tranmere Rovers** 4-1; they certainly must have celebrated quite well as the return game provided the highest goal aggregate in a League match and the Merseyside club gained revenge in no uncertain manner.

THIRD DIVISION CLUBS: RECORD VICTORIES

The **Preston North End** victory is particularly famous as it is the largest ever recorded in the F.A. Cup but, although they reached the Cup Final that season, they lost to WBA 1-2.

Two local 'derby' cup ties produced record victories for League clubs when **Scunthorpe** United defeated **Boston United** and **Southend United** entertained **Brentwood**.

Another memorable match between local rivals took place during **Merthyr**'s short period in the Football League and it gave **Newport County** their record victory.

To lose 0-10 at home must have shaken **Port Vale** in 1892 but they didn't finish bottom that season and recovered well to finish in seventh place the following year.

* These two victories were recorded in the same season, with one win coming on the opening day of the campaign. **Millwall** won the championship that season with a home record of Pl 21 W 19 D 2 L 0 F 87 A 15.

† Another victory recorded on the opening day of the season.

THIRD DIVISION CLUBS: RECORD DEFEATS

When **Aston Villa** inflicted a record 0-8 defeat at **Clapton Orient** in a Fourth Round F.A. Cup replay it caused quite a surprise as they had drawn at home 0-0!

In the same season that **Notts County** crashed nine goals past **Exeter City** they also beat **Ipswich Town** 9-2 and **Newport County** 11-1 at home. Their goal record at Meadow Lane was 68-19 but they only finished in eleventh position.

What an end of season for **Blackpool** in 1948 when, after losing the Cup Final, they travelled to near neighbours **Preston North End** for the last match of the season and won 7-0. **Preston North End** still finished higher (7th) in the First Division than Stanley Matthews and company.

FOURTH DIVISION CLUBS: RECORD VICTORIES

Not surprisingly five record victories of Fourth Division clubs have been recorded in the F.A. Cup. The Third and Fourth Division clubs enter the competition in the First Round Proper along with thirty-two 'Non-League' clubs and there is always the chance of a big score against the amateurs and semi-professionals.

Blackpool's last major cup triumph was achieved when they won the Anglo-Italian Tournament in 1971 but the following year when they broke their goalscoring record they lost in the final.

FOURTH DIVISION CLUBS: RECORD DEFEATS

The Christmas spirit didn't mean much to **Rochdale Football Club** at the end of 'The Twenties'. They lost 0-8 to **Wrexham** on 28th December 1929, lost to **Southport** 0-4 twice over the Christmas of 1930 and then equalled their worst defeat on Christmas Day 1931 when they lost 1-9.

An extraordinary sequence of results was produced by **Peterborough United** and **Northampton Town** in their 2nd Round F.A. Cup pairing in the 1946–47 season. Two 1-1 draws was followed by an 8-1 victory for 'The Cobblers' on neutral ground.

First Division Club Records: Position — Goals — Points

What a great season 1930–31 must have been for the fans! Three clubs created goalscoring records which still stand to-day but this is not surprising as all three scored over 120. Ten other records were set up in the 'fifties' which was a time when attendances were impressive and defences could be described as naive by to-day's standards. However, the outlawing of the 'professional' cheat encouraged strikers last year and one team to take advantage of this was Watford who, of course, enjoyed their best season in the Football League and also scored 74 goals in their first season in the top sphere.

Second Division Club Records: Position — Goals — Points

Despite the recession and very limited funds, one of last season's success stories must have been produced by Shrewsbury Town who enjoyed their best ever season in The Football League. Much credit should go to their directors and their hard-working manager Graham Turner, who have proved that a good youth policy and coaching plus a shrewd use of the transfer market can bring results.

DID YOU KNOW?

The first club to move up from the Third Division and win the First Division Championship was **Portsmouth**.

Charlton Athletic are the only club to have progressed from the Third Division to the First in two seasons (1934–35, 1935–36), they then finished as runners-up in the First Division.

Northampton Town were the first club to progress from the Fourth Division to the First Division (1961–1965).

When **Chester** went into the Third Division at the end of the 1974–75 season they were the last Football League club to have achieved promotion.

In **Carlisle United**'s only season in the First Division they won their first three league games to go top. But this form wasn't continued and the little Cumbrian club were relegated.

The **Ipswich Town** side that won the First Division Championship in 1962 contained five players (Bailey, Carberry, Phillips, Elsworthy and Leadbetter) who had been regulars in the Third Division side of the mid fifties.

Grimsby Town have played in all six divisions of the Football League: First, Second, Third, Third (South), Third (North) and Fourth and have played all the other clubs in the League.

Just three seasons after finishing as Runners Up in Division Three (North) (1956–57) **Hartlepool** conceded a Fourth Division record of 109 goals.

Oxford United reached the Second Division having spent three seasons in Divisions Four and three in Division Three after joining the Football League in season 1962–63.

Hereford United won promotion to the Third Division in their first season in the Football League (1972–73) and then moved up to the Second Division after three seasons in Division Three.

Lincoln City have played all 91 other League clubs and have beaten all except **Aston Villa**, **Chelsea** and **Norwich City**.

Portsmouth became the first club to win the Third Division Championship for a second time when they became champions last season.

AWARDS 1982–83

FOOTBALLER OF THE YEAR

Kenny Dalglish became only the fourth player, after Tom Finney, Danny Blanchflower and Stanley Matthews, to win the Football Writers' Association Footballer of the Year Award for a second time. During the season he played his 90th senior International for Scotland, scored his 300th goal in senior club football and after a quiet start to the season produced some of the most brilliant attacking skills seen in the Football League for a very long time.

To be described as a 'player's player' is considered the ultimate compliment in the game, so the honours announced by the P.F.A. every year, when a 'team' of players are selected from each division, are treasured by the professionals in the Football League.

It is interesting to see how a great many players have kept their popularity with their fellow professionals despite moving through the divisions, but Kenny Sansom must be the most consistently honoured among today's senior players, as since he established himself in the Crystal Palace side during the 1976–77 season he has featured as the best left back in whatever division he has played (one Division Three award, two Division Two, and four in Division One).

Peter Shilton hasn't quite achieved a 100% record but for the last six years he has held the First Division goalkeeping spot and the most outstanding team effort was by West Ham United who claimed eight Second Division places in 1980.

When **Sunderland** won 9-1 at **Newcastle United** in 1908, the score equalled the highest away win in the First Division, but even more impressive was the fact that their local rivals went on to win the Championship that season by seven points!

Tranmere Rovers' record win 13-4 v **Oldham Athletic** also produced the Football League's highest scoring game. On the day, Bunny Bell scored nine goals and missed a penalty.

When **Stockport County** beat **Halifax Town** 13-0 in a League game during the 1933–34 season they created a League record by scoring 11 goals in the second half.

FOOTBALL LEAGUE FIRSTS

The first five Football League games were played on 8 September, 1888. Bolton Wanderers were three goals up in about six minutes against Derby Co, but were eventually beaten 6-3. Cox of Aston Villa scored the first 'own goal', giving Wolverhampton W an early lead, but Villa recovered to draw 1-1.

Huddersfield T became the first team to complete a hat-trick of League Championships – 1924–25–26.

The Football League played their first representative game in April 1891. It was against the Football Alliance at Sheffield and resulted in a 1-1 draw.

Floodlit football

The first-ever game by floodlight was between two Sheffield Association teams at Bramall Lane, 14 October, 1878.

The first Football League game under floodlights was Portsmouth v Newcastle U at Fratton Park, 22 February, 1956.

Equipment, etc.

Shinguards were first introduced and registered by Sam Widdowson of Nottingham F in 1874. The cross-bar first replaced the tape in 1875, and the whistle was used by the referee for the first time in 1878. Goalnets were invented and patented by J. A. Brodie of Liverpool in 1890.

Nottingham F were the first club to use shinguards (1874), the referee's whistle (1878), three half backs (1885), the crossbar instead of tape (1891) and oval section goal posts (1921).

Substitutes

First substitute in a Football League game was Keith Peacock of Charlton Ath, at Bolton, 21 August, 1965.

The first substitute to score in a Football League game was Bobby Knox (Barrow) v Wrexham, Division 4, 21 August, 1965.

Radio and TV

The first match broadcast in England was the First Division game between Arsenal and Sheffield U at Highbury, 22 January, 1927.

The first Football League game to be televised was Blackpool v Bolton W, 10 September, 1960.

Corner kick

Billy Smith was the first player to score direct from a corner kick in a Football League game – Huddersfield T v Arsenal, 11 October, 1924.

Limited Company

The first football club to form itself into a limited liability company was Birmingham C in 1888. At that time they were known as Small Heath.

Penalty kick

The first player to score from a penalty kick in a Football League match was Heath of Wolverhampton W v Accrington, Division 1, 14 September, 1891.

Professional

The identity of the first professional footballer may never be definitely established, but it was probably J. J. Lang, a Scot who joined Sheffield Wednesday in 1876 after playing for Clydesdale and Glasgow Eastern.

Tour

Oxford University were the first to send a football team on an overseas tour when in 1875 they visited Germany.

Sunday football

The first Football League game to be played on a Sunday was between Millwall and Fulham on the morning of 20 January, 1974. Eleven other Football League games were played later the same day.

OTHER FOOTBALL LEAGUE RECORDS

The oldest player to appear in the Football League was **Neil McBain** who played in goal for New Brighton v Hartlepools U, Division 3(N), 15 March, 1947. He was then aged 52 years 4 months.

The record for most appearances in the Football League during one season by a player over 40 years of age was created by **Bob McGrory**. In his last season as a player with Stoke C (1934–35) he appeared in all 42 First Division games. Bob was then 43 years of age.

The record for most consecutive appearances in the Football League was created by **Harold Bell**, Tranmere R centre-half. From the opening game of season 1946–47 Bell did not miss a single game until August 1955 – a run of 401 consecutive Division 3(N) matches. Including FA Cup, Liverpool Senior Cup and Cheshire Bowl games, Bell enjoyed a run of 459 consecutive first team appearances.

John Trollope created a club record by making 770 League appearances for Swindon T between 1960 and 1980.

In the Scottish League the record for most appearances for a single club was created by Bob Ferrier with 626 for Motherwell between 1918 and 1937.

Since substitutes were introduced into League football in 1965, **Bristol C** is the club that has played through the longest spell without calling upon one of these players – a run of 52 League games, 4 FA Cup, and 2 League Cup ties from February 1966 to April 1967.

The shortest player to appear in the Football League is outside-right **Fred le May**, who was only 5ft tall. He played for Thames 1930–31, Watford 1931–32, and Clapton Orient 1932–33. The tallest was **Albert Iremonger**, Notts Co and Lincoln C goalkeeper 1904–27. He was 6ft 5in tall.

The longest single game on record is that between **Stockport Co** and **Doncaster R**, 30 March, 1946. In an effort to reach a decisive result, this Third Division (N) Cup tie continued for 203 minutes before bad light forced an abandonment.

Rochdale suffered 14 consecutive home defeats in Division 3(N) in 1931–32. This is a Football League record. After beating New Brighton 3-2 on 7 November, 1931, they did not get another home point until holding Barrow to a goalless draw in their second home game of season 1932–33. During that same period Rochdale suffered one run of 17 consecutive defeats (home and away) – also a Football League record.

In season 1904–05 **Manchester U** won 14 consecutive Division 2 games. This Football League record was equalled by Bristol C and Preston NE in Division 2 in 1905–06 and 1950–51 respectively.

Nottingham F were undefeated in a run of 42 First Division games, November 1977 to December 1978. This is a Football League record.

The longest run without defeat in a single season of Football League games is one of 30 matches by **Burnley** in Division 1 in 1920–21.

Six men have both played in and managed Football League Championship winning teams: **Ted Drake**, Arsenal, centre-forward, 1933–34, 1934–35, 1937–38, Chelsea, manager, 1954–55. **Bill Nicholson**, Tottenham H, right half-back, 1950–51, manager, 1960–61. **Alf Ramsey**, right-back, Tottenham H, 1950–51, Ipswich T, manager, 1961–62. **Joe Mercer**, left-half, Everton 1938–39, Arsenal, 1947–48, 1952–53, Manchester C, manager, 1967–68. **Dave Mackay**, left-half, Tottenham H, 1960–61, Derby Co, manager, 1974–75. **Bob Paisley**, Liverpool, left half-back, 1946–47, manager, 1975–76, 1976–77, 1978–79, 1979–80, 1980–81, 1981–82, 1982–83.

In 1973–74 **Leeds U** created a Football League record for the longest run without defeat from the start of a season – 29 First Division games before losing 2-3 at Stoke. It could be said that this only equalled Liverpool's run in the Second Division in 1893–94 when they were unbeaten in all 28 games. Their 29th game that season was the extra 'Test Match' to decide promotion and relegation between the First and Second Divisions.

The youngest player to appear in the Football League is **Albert Geldard** who was aged 15 years 156 days when making his début for Bradford against Millwall, Division 2, 16 September, 1929.

Dave Mackay holds aloft the Division 2 championship trophy that gave Derby County promotion in 1969.

DID YOU KNOW?

QPR have had more home grounds (12) than any other present Football League club. They have also played one 'home' game at Highbury.

In 1929 **Bob Suter** played in goal for **Halifax Town** at the age of 47.

The 1952–53 season was a disastrous one for **Barnsley** who won only five matches, conceded 108 goals and were 17 points adrift at the foot of Division Two. However, it only took them two seasons to take the Third Division North title.

When **Carlisle United** reached the First Division in 1974–75 season, it was a particularly outstanding achievement for a little club who only a few years previously had considered joining the Scottish League to better itself!

In 1976–77 season the attendance for the Third Division match at the Racecourse Ground between **Wrexham** and **Lincoln City** was 7753. In the return match at Sincil Bank later in the season the attendance was again 7753!

In 1960–61 **Shrewsbury Town** met **Swindon Town** six times; in the League, FA Cup, and League Cup and didn't lose once.

In season 1980–81, **Chesterfield** played 65 competitive games (46 League, 6 FA Cup, 4 League Cup and 9 Anglo-Scottish Cup) a record for a Third Division club.

When **Huddersfield Town** won promotion to the First Division in season 1952–53 the club fielded an unchanged defence (Nos 1–6) throughout the season.

Grimsby Town's home ground is in the neighbouring town of Cleethorpes.

The smallest number of players called upon by a club to complete a season of Football League games is 14. **Liverpool** did so when winning the Championship in 1965–66, and **Aston Villa** equalled it in 1980–81 when they too won the Championship.

Millwall played 11 games without conceding a goal in season 1925–26. This is a League record jointly held with **Reading** whose record appearance maker, goalkeeper **Steve Death**, remained unbeaten for the final eleven Football League matches of the 1978–79 season. However, in terms of minutes unbeaten (1103) he created a record.

As champions of the Southern League, **Brighton & Hove Albion** played **Aston Villa** (League Champions) in the FA Shield and won 1-0. The players were all rewarded with a £10 bonus except for Charlie Webb, an amateur, who received a gold tie pin.

GOALSCORING

Full back **Jimmy Evans** topped **Southend United**'s goalscoring list with 10 penalties.

Frank Keeting scored six times in twenty-one minutes for **Lincoln City** against **Halifax Town** on 16 January 1932.

Rotherham United full back **Irvine Rhodes** scored twice on his debut against **Hartlepools** in March 1937.

Barry Lines of **Northampton Town** was the first player to play and score in all four Divisions of the Football League for the same club.

The first ever goal scored in the Fourth Division was by **Alan Woan** of **Northampton Town** when he scored in the first minute against Port Vale on the first day of the 1958–59 season.

Arnold Birch the goalkeeper from **Chesterfield** in season 1923–24 scored five league goals, all from the penalty spot.

In 1933–34 **Oliver Brown** was **Brighton**'s leading goalscorer with 12 goals; yet he only played in 8 matches.

Aldershot held the record for the fastest league goal (until 1964), when **Albert Mundy** scored at **Hartlepools United** on 25th October 1958 after 6 seconds.

The record for scoring the fastest goal in a Football League game is claimed by **Jim Fryatt**. According to referee Mr R. J. Simon this player scored for **Bradford** v **Tranmere R** only 4 seconds after the kick-off, 25 April, 1964. Fastest own goal was in 6 seconds by **Pat Kruse (Torquay United)** for **Cambridge United**, 3 January, 1977.

John McIntyre scored four goals in 5 minutes for **Blackburn R** v **Everton**, Division 1, 16 September, 1922. **W. G. Richardson** also scored four goals in 5 minutes for **WBA**, Division 1, 7 November, 1931, but this was even more remarkable because the feat was achieved in an away game – against **West Ham U**.

The record number of penalties missed by one side in a Football League Division 1 game is three: by **Fletcher (2)** and **Thornley** for **Manchester C** against **Newcastle U**, 27 January, 1912.

The most penalties scored by a player in a First Division game is three – **Billy Walker** for **Aston Villa** v **Bradford C**, 12 November, 1921; **Charlie Mitten** for **Manchester U** v **Aston Villa**, 8 March, 1950; and **Ken Barnes** for **Manchester C** v **Everton**, 7 December, 1957.

Only two players have scored two goals for each side in a Football League game, **Sam Wynne** did so in a Division 2 game, 6 October, 1923, scoring twice for **Oldham Ath** as well as putting two through his own goal for **Manchester U**. **Chris Nicholl (Aston Villa)** scored all the goals in a 2-2 draw with **Leicester C**, Division 1, 20 March, 1976.

Jimmy Cookson reached a first century of Football League goals in the shortest time. He made his début for **Chesterfield** in 1925 and reached his century in December 1927 with **West Bromwich A**, his 87th Football League game.

The record number of goals scored by a player making his Football League début is five – by **George Hilsdon** for **Chelsea** v **Glossop**, Division 2, 1 September, 1906.

A TRIBUTE TO LIVERPOOL

Above: An historic moment as Bob Paisley, on his last visit to Wembley as manager of Liverpool, holds the Milk Cup aloft, having been the first manager to climb the famous Wembley staircase.

Right: A familiar sight! A happy Kenny Dalglish, the Football Writers' Footballer of the Year and P.F.A. Player of the Year, is congratulated by two of his senior colleagues, Phil Neal and Graeme Souness.

Below: Can there be a better feeling? Another trophy has been won at Wembley, and Manchester United have been beaten in a wonderful Milk Cup Final atmosphere.

Above: A vital goal by Kenny Dalglish at Old Trafford gives Liverpool a draw and keeps United firmly behind in the league by 15 points.

Left: Milk Cup hero! Ronnie Whelan scored the vital winning goal, but here he is seen vollying over the bar early in the game.

Below: No, it's not blow football! Craig Johnston watches Ian Rush – P.F.A. and Robinsons Barley Water Young Player of the Year – crash home Liverpool's first against Arsenal at Anfield.

Right: Over the moon? Bruce Grobbelaar, Liverpool's controversial goalkeeper, celebrates Liverpool's equaliser against Brighton in the FA Cup, but on this occasion there was no happy ending.

Above: 'Octupussy' starring Barney Rubble (Alan Kennedy no. 3) who has just equalised against Manchester United in the Milk Cup final. Alan has been nicknamed Barney by the Kop who have made him one of their favourites.

Below: Power and concentration! Even when tired, Kenny Dalglish is poised beautifully to crash another shot against the Manchester United defence, in this case Remi Moses and Mike Duxbury.

MILK CUP 1982–83

Milk Cup First Round

BURNLEY START OUT ON A GREAT CUP SEASON

Little did **Burnley** know what a momentous cup season they had to look forward to when they ran out at Gigg Lane, **Bury** for their League cup tie on 31 August. They certainly started in style with a 5-3 away victory and eight different players (including an opponent) scored for them before they finished 8-4 aggregate winners!

Halifax Town raised a few hopes for a better season by beating the more famous **Derby County**, but faltered badly in the second leg to lose 4-6 overall.

The best attendances supported the Yorkshire clashes between **Sheffield United** and **Hull City** – 7036 paying at Bramall Lane and 7119 at Boothferry Park to see United win 3-2 on aggregate and the southern battle between **Crystal Palace** (6631) and **Portsmouth** (10,689) which was won by the Londoners 3-1.

In this, the first two legged round of the competition, the draw ensures that practically all games are local 'derbies' but of course in August many teams have yet to settle down so form cannot be taken as a reliable guide to the season ahead.

Milk Cup Second Round

LINCOLN CITY AND LEEDS UNITED TAKE THE HONOURS

Lincoln City's comprehensive 3-0 aggregate victory over Second Division Leicester City was probably the round's most complete performance, but for excitement and spectacular goals, **Leeds United**'s sparkling 4-2 victory, clinched in extra time at Newcastle, following a 0-1 defeat at home, really hit the headlines. Terry Connor scored a superb goal after replacing player-manager Eddie Gray for the second half of extra time and made another for Aiden Butterworth.

The highest scorers were **Sheffield United** who beat Grimsby Town 8-4 (3-3, 5-1) with a hat-trick from Keith Edwards in the home tie, while **Nottingham Forest** registered 6 at home to **WBA**.

AFC Bournemouth thoroughly enjoyed their games with **Manchester United**, and indeed, only conceded an early 'own goal' from coach Harry Redknapp and a late second in the 80th minute to Stapleton; before drawing in the second leg 2-2 at home. Unfortunately Ray Wilkins lost the captaincy of both United and England through an injury in this tie, so will not have such happy memories.

Other good efforts in this round were recorded by **Brentford** who beat Blackburn Rovers (3-2, 0-0), **Newport County** whose 2-2 draw at Everton was not enough to cancel out a 0-2 home defeat, **Notts County** who beat Aston Villa twice (2-1, 1-0), **Gillingham** who beat Oldham Athletic 3-1 and plucky **Charlton Athletic** who just failed to catch Luton Town after giving them a three goal start. They beat the 'Hatters' 2-0 in the second leg.

In general, results went with the form book and **17** First Division clubs were joined by **8** from the Second and **7** from the Third Divisions in the Third Round. **Blackpool** who lost 2-4 at **Luton** were the last representatives of the Fourth Division.

Milk Cup Third Round

BRENTFORD CREATE CLUB HISTORY

After a hard fought home draw with First Division Swansea City, **Brentford** pulled off the result of the round by scoring in the first minute and eventually clinching a 2-1 victory.

Burnley also claimed a First Division scalp by winning 2-1 at Coventry City, and **Bradford City** thrilled a home crowd of 15,568 with a 0-0 draw with Manchester United.

Free-scoring **Nottingham Forest** followed their six goals in the previous round with a storming 7-2 defeat of high-flying Watford, while two Yorkshire 'local derbies' saw **Barnsley** beat Sheffield United 3-1 in front of 25,207, at Bramall Lane, and **Huddersfield Town** achieve another away win, at Leeds, where the attendance was 24,215.

Poor Bradford City eventually enjoyed a share of a good replay crowd at Old Trafford, but lost the services of Roy McFarland who moved to Derby County before the second tie was played.

Other replay winners were **Southampton** who thrashed Manchester City 4-0, **Arsenal** who beat Everton 3-0 and **Norwich City** and **West Ham United** who put out Sunderland and Lincoln City respectively. **Lincoln City** took the 'Hammers' to extra time and once again their form suggested that they might well emulate the feats of Watford, the club managed by their 'old boy', Graham Taylor who had progressed to the First Division so quickly and successfully.

On to the Fourth Round moved **11** clubs from the First Division, **2** from the Second and **3** from the Third.

Milk Cup Fourth Round

BURNLEY MARCH ON

An 'own goal' seventeen minutes from time ruined the evening for First Division Birmingham City, having pulled two goals back against **Burnley**, while an all Second Division match, which was yet another Milk Cup Yorkshire 'Derby', produced the biggest attendance of the round at Hillsborough, where 33,354 saw **Wednesday** beat Barnsley 1-0.

The big names moved confidently forward with home victories, so **Arsenal**, **Liverpool**, **Manchester United**, **Nottingham Forest**, and **Tottenham Hotspur** were safely through and were joined by **West Ham United** who followed an exciting 3-3 draw at Meadow Lane with a conclusive 3-0 victory over Notts County at home. This meant six First Division clubs were joined by Second Division Burnley and Sheffield Wednesday, in the Quarter-Finals.

Milk Cup Quarter Finals

HERO HAMILTON

The draw suggested that all four home clubs should qualify for the Semi-Finals and in three games, despite tight battles, at Highbury and Anfield, the results went to form.

Arsenal's new signing from Yugoslavia, Petrovic, starred in their 1-0 victory over Sheffield Wednesdayin front of 30,937 and despite a late equaliser from Allen, West Ham couldn't prevent **Liverpool**'s captain, Souness from hitting a winner with just four minutes to go.

Manchester United found their tie a little easier as they beat Forest 4-0, but the 'Result of the Round' was undoubtedly produced by **Burnley**. The Lanchashire club who were struggling near the foot of Division Two and whose Manager and loyal servant, Brian Miller, had been relieved of his duties on the day of the match, took on the might of Spurs and recorded an unbelievable 4-1 victory at White Hart Lane. Their goals were shared by Billy Hamilton and Graham Roberts – of Spurs! The club had once before reached the Semi-Finals when they lost to the eventual winners Swindon Town in season 1968–69.

Milk Cup Semi-Finals

LIVERPOOL AND MANCHESTER UNITED IN THE FINAL

With three teams from Lancashire contesting the semi-finals it was not surprising that the North West was captivated by four intriguing ties.

Arsenal gave themselves an obscure hope of salvaging something from the round after their 2-4 defeat at home. But their two late goals, after **United** had swept them off a frozen Highbury pitch with a devastating display of aggressive football did little to compensate for the visitors' four goals.

In the second leg, it was Steve Coppell, enjoying a superb season, who scored his sixth Milk Cup goal of the campaign finally to snuff out any idea 'The Gunners' had of hauling themselves back into the reckoning. A total of 99,771 watched two tremendous semi-finals and little did they all realise that the two 'giants' would be meeting in yet another mammoth battle in the FA Cup later in the season.

At the time of their first meeting, **Liverpool** were in such devastating form as they dominated the First Division championship race, that little **Burnley** were given no chance despite their superb quarter-final victory at White Hart Lane. However, although the scoreline looked secure enough, a dazzling mid-field display by Trevor Steven and two missed chances by the hard working Derek Scott, certainly gave the home side a severe fright. A 1-0 second leg victory was little consolation for two fine performances by the Second Division side but quite amazingly at this stage they could still look forward to the FA Cup.

FINAL (at Wembley)

26 MAR

Liverpool (0) 2 *(Kennedy, Whelan) aet*

Manchester U (1) 1 *(Whiteside)* 100,000

Receipts: £730,000 90 Minutes: 1-1
Liverpool: Grobbelaar; Neal, Kennedy, Lawrenson, Whelan, Hansen, Dalglish, Lee, Rush, Johnston (Fairclough), Souness.
Manchester U: Bailey; Duxbury, Albiston, Moses, Moran (Macari), McQueen, Wilkins, Muhren, Stapleton, Whiteside, Coppell.

The holders of the Milk Cup retained the trophy deservedly after a thrilling afternoon's football. Although a goal down after only twelve minutes to a well executed piece of Whiteside virtuosity, the team never lost their composure and attacked methodically for the rest of the match against an opposition, which found itself forced by injuries and Liverpool pressure into constant defence.

The pressure eventually told and Kennedy equalised with a long shot, which bounced slightly unluckily for Bailey. Once again, Liverpool needed extra-time but by then United were crippled by a succession of injuries which made it necessary for Moran to be substituted and left McQueen limping but still making gallant attempts to contribute. With the match almost one hundred minutes old Whelan did yet another sortie down the left flank and when he saw most of his options closed he sent over a swinging shot which well beat the desperate dive of Bailey.

The worthy winners then produced a magnificent gesture when Souness, the captain, insisted that the retiring Mr Bob Paisley should accept the Cup, which he did to a great ovation. Who can say that there is no sentiment left in Football?

Liverpool and Nottingham Forest are the only two clubs to have played in three consecutive League/Milk Cup Finals and **Liverpool** achieved a record by winning the trophy on all three occasions.

FA CUP 1982–83

FA Cup First Round

ELEVEN 'NON-LEAGUE' CLUBS MOVE ON

It is no longer a surprise if **Altrincham** beat a League club, so their progress into the Second Round at the expense of lowly **Rochdale** didn't hit the headlines. Unfortunately both sides had two players sent off and this sad feature dominated the round as a total of twelve players failed to hear the final whistle. A very unwelcome record!

The scourge of the Football League, the visiting hooligan, ruined the big day for two 'non league' clubs, **Wokingham** and **Slough Town**. However, their results proved some sort of compensation as **Cardiff** were held at Wokingham and **Millwall** were beaten at Slough.

Great results were achieved by **Bishop's Stortford** at **Reading** and **Northwich Victoria** who beat Chester in a home replay. While probably the only player/groundsman in the cup, **Chris Cook**, scored two match winning goals for **Boston United** in their 3-1 win over **Crewe**.

Little **Wimborne** from the Western League's lower division were the real minnows and they enjoyed their day out at Aldershot, while 'non-League' giants **Wycombe Wanderers** were given a standing ovation at Eastville where Bristol Rovers just scraped in 1-0.

Tranmere Rovers, in desperate financial trouble, achieved an all important victory over **Scarborough** and little **Shepshed Charterhouse** from the new Northern Counties (East) created club history with a visit to famous **Preston North End**.

Two local 'derbies' attracted good attendances, 9,152 at Hull for the visit of **Sheffield United** and 10,202 at **Plymouth** to watch the home side's 2-0 victory over **Exeter City**, while **Portsmouth** also had over 10,000 at Fratton Park to see Billy Rafferty score a hat trick in their 4-1 defeat of **Hereford United**.

Eighty clubs took part in this round, 24 from the Third Division, 24 from the Fourth Division, 14 Alliance, 8 Isthmian, 3 Northern Premier League, 2 Southern League, and one each from the Northern, Western, United Counties, Northern Counties (East) and the North West Counties Leagues.

FA Cup Second Round

WEYMOUTH WIN AT CARDIFF

The forty clubs competing in this round were made up of **17** Third Division clubs, **12** from the Fourth Division, **6** Alliance clubs, **4** Isthmians and **North Shields** from The Northern League.

The heroes of the day were undoubtedly **Weymouth** who trailed **Cardiff City** by two goals at half time but came back to win 3-2, a great effort in any game, but against a team confidently placed near the top of Division Three; it really was a bit special!

Lyndon Lynch, a Marvin Hagler 'look alike', scored three at Slough to give **Bishop's Stortford** a place in the Third Round draw and **Worcester City** came from behind to beat **Wrexham** with two goals from **Paul Moss**.

Memories of the Tom Finney and Stanley Matthews era were rekindled as **Preston** beat **Blackpool** 2-1 in front of 14,008 and despite another good attendance at Portsmouth (13,250), visiting **Aldershot** achieved a surprise 3-1 victory.

Tranmere Rovers beat Telford in a replay and grabbed themselves a possible lifeline, if the draw proved kind to them, while **Boston United** qualified for a replay at Bramall Lane, which was lucrative but not productive and **Altrincham** failed to reach the Third Round for the first time in five years when they lost 0-1 to a very good **Huddersfield** side.

FA Cup Third Round

TAYLOR'S DERBY BEAT CLOUGH'S FOREST

The First and Second Division clubs joined by **9** Third Division clubs, **8** the Fourth and **3** Non-League clubs, set out on the road to Wembley.

Very few surprises hit the headlines although Isthmian Leaguers **Bishop's Stortford** pulled back two goals to draw at **Middlesbrough** with reserve midfield player **Richard Bradford** scoring them both. Six thousand packed into Stortford's ground to see **Lyndon Lynch** give the home side an interval replay lead but there was no fairy tale ending, as **Malcolm Allison's** side scored twice through **Shearer**.

Favourites **Liverpool** allowed **Blackburn** to score first but they like **Manchester United, Spurs, Arsenal, Aston Villa** and **Manchester City** all moved into the second round without too much fuss.

Little **Newport County**, having played **Everton** twice in the Milk Cup already, gained a creditable home draw before losing 1-2 at Goodison Park, and both Alliance clubs fought hard before going out – **Worcester City** after holding a lead at **Coventry City** and **Weymouth** to a late goal at **Cambridge United**.

The tie that really caught the imagination of the media, however, was **Nottingham Forest's** visit to **Derby County**, where Peter Taylor played host to Brian Clough. Derby in dire financial troubles and perilously near the foot of Division Two showed far too much determination and will to win for the Forest lads and **Archie Gemmell** emerged as the day's hero.

One result which gave a lot of satisfaction in the Midlands was **WBA's** 3-2 victory over **QPR**, as the Londoners had beaten Albion at the semi-final stage last season and despite a support of over 32,000 at St James Park, **Newcastle** couldn't improve on their draw at **Brighton**, and lost 0-1.

The best attendances of the round were at:

Manchester United v West Ham United	44,143
Tottenham Hotspur v Southampton	38,040
Newcastle United v Brighton & Hove Albion	32,134
Derby County v Nottingham Forest	28,494

495,178 people attended the cup ties on Saturday 8 January giving an average of 15,474 per match, this compared with an average of 15,997 in the previous season.

FA Cup Fourth Round

SECOND DIVISION'S BOTTOM FOUR QUALIFY FOR FIFTH ROUND

Thirty-two clubs went into the hat for this round but only two, **Swindon Town** of the Third and **Torquay** of the Fourth, could be described as potential 'giantkillers'.

However, the draw paired these two with Second Division opposition and **Sheffield Wednesday** at Torquay and **Burnley** eliminated the last two 'minnows'. This left the seniors to sort each other out and once again there were very few surprises.

Home wins for **Everton, Liverpool, Aston Villa, Spurs, Ipswich Town** and **Watford** presented a very powerful squad from the First Division and they were joined by colleagues **Norwich City** and **Brighton**, whose emphatic 4-0 victory over **Manchester City** probably convinced **John Bond** that it was time to move on.

Manchester United pulled off an excellent away win at **Luton Town** but **Arsenal** took three games to eliminate **Leeds United**. This meant that **10** First Division clubs and **6** from the Second Division went into the bag for the Fifth Round, but the Second Division qualifiers included the bottom four clubs in the Division, **Middlesbrough, Cambridge United, Burnley** and **Derby County**!

Poor Derby, having suffered at the hands of the Leeds louts one week, had to face the renowned Chelsea mob the next, but at least they won!

What a great Cup season Burnley were enjoying. They had already reached the Milk Cup Semi-Final, but no doubt they, like their colleagues in distress, would willingly have swapped Cup glory for league points.

Sheffield Wednesday had also enjoyed a good Milk Cup run but their promotion challenge had faltered, while **Crystal Palace** who had beaten Birmingham City with surprising ease were the only club from the Second Division with no league tension.

Fifth Round FA Cup

BRIGHTON ROCK THE FAVOURITES

With everyone talking of a **Liverpool** 'clean sweep' of the honours, little **Brighton** probably benefitted from their tie being held back to the Sunday, thus avoiding clash with the **Everton** v **Spurs** match.

All eyes were on them, caretaker manager **Jimmy Melia** enjoyed the publicity of returning to Anfield and **Jimmy Case** could not wait to prove a few points to the club that had sold him in his prime. Add to this an evening together in Liverpool before the match and the support of 5000 fans who had made the game an excuse for a great weekend away and you had the ideal stage for a shock result.

So was it a surprise? A number of people had felt it in their bones and, when **Phil Neal** missed a chance from the penalty spot to equalise **Jimmy Case's** late goal, it turned out to be just one of those days when Football's special fates had taken a hand with proceedings.

No credit should be taken from **Brighton**, however, and they added their name to the previous day's heroes who included **Everton**, who had finally halted **Spurs'** great FA Cup run which had covered three seasons, and **Norwich City** who had beaten local rivals **Ipswich Town** in a pulsating cup tie.

Poor **Watford**, who could have easily been three up at Villa Park, were punished for sloppy finishing when the European Champions turned on the style to score four times.

Cambridge United made club history by reaching the Fifth Round but **Sheffield Wednesday** curbed the threat of United's giant strikers and won through two goals from Gary Megson.

Late goals gave **Middlesbrough** a replay at **Arsenal**, where an early deficit of two put them out of the game, and **Manchester United** a victory at **Derby County**, while an all Second Division battle went to a replay at **Crystal Palace** and saw **Burnley** go through on a penalty.

Sixth Round FA Cup

GARY MEGSON KEEPS HIS RECORD

Two meetings of the giants left the way clear for a cup fairy story to be enjoyed by one of the competition's rank outsiders, so when **Arsenal** eliminated **Aston Villa** with surprising ease in a cup tie that seemed to lack the usual commitment and atmosphere and another late goal saw **Manchester United** through, the Semi-Final draw was all important.

There they were again, having contested the Milk Cup two legged semi-final, **United** and **Arsenal** were paired together in the 'red corner' while out of the 'blue corner' **Brighton** and **Sheffield Wednesday** prepared for the fight of their lives.

Manchester United's quite brilliant winning goal from a limping **Frank Stapleton**, made by substitute **Lou Macari** during the minute he was on the field, was a quite undeserved disappointment for **Everton** and in particular **Jim Arnold**, their goalkeeper, who certainly had earned a replay. But that is Cup Football!

On the south coast, the cup tie between two First Division clubs with relegation problems produced an exciting spectacle but 'some terrible football', in the words of an exultant **Jimmy Melia**. His match winner with a controversial goal was of course – **Jimmy Case**.

One Second Division club was guaranteed a place in the Semi-Finals, but after an excellent, evenly fought tie at Turf Moor, **Wednesday** enjoyed 'one of those nights' when everything went right and in front of 41,731 spectators, reminding Hillsborough of the good old days, **Burnley** were swamped by five goals. **Gary Megson**, son of Don, who had captained **Wednesday** at Wembley in 1966, kept his record of scoring in each round, and manager **Jackie Charlton's** smile covered the Pennines!

SEMI-FINALS – 16 APRIL

Manchester U (0) 2 *(Robson, Whiteside)*
Arsenal (1) 1 *(Woodcock)*
At Villa Park 46,535

Having beaten Arsenal in The Milk Cup Semi-Finals already, Manchester United dominated the first half of this very competitive and entertaining game but trailed by a single goal at half time. Tony Woodcock punished the United defence for failing to clear a harmless looking attack and tapped in a simple goal after 35 minutes. The mid-field was well contested with Talbot and Stewart Robson presenting a strong physical challenge to Bryan Robson before Talbot's booking and injury to the Arsenal youngster reduced their effectiveness.

United's all round dominance was finally rewarded with an excellent goal after just five minutes of the second half. McQueen, quite outstanding in the air, powered a clearance to Ashley Grimes on the left wing, whose early centre was met superbly by Bryan Robson. A quick turn away from Talbot and a crisp angled shot across Wood was too good for the Arsenal defence.

Lifted by this success it was all United and it came as no surprise when Norman Whiteside volleyed home an Albiston cross in the 70th minute in superb fashion. Arsenal battled bravely to the end of an excellent Semi-Final but United deservedly qualified for their second Wembley Cup Final of the season.

Manchester U: Bailey; Duxbury, Albiston, Moses, Moran (McGrath), McQueen, Robson B., Grimes, Stapleton, Whiteside, Wilkins.
Arsenal: Wood; Robson S. (Chapman), Sansom, Whyte, O'Leary, Hollins, Talbot, Davis, Petrovic, Woodcock, Rix.
Referee: K. Hackett (Sheffield).

Brighton & HA (1) 2 *(Case, Robinson)*
Sheffield W (0) 1 *(Mirosevic)*
At Highbury 54,000

In another excellent cup tie which had none of the defensive tactics usually associated with semi-finals, Brighton & Hove Albion made a dream come true thanks to two flashes of brilliance from Jimmy Case.

After 14 minutes the experienced ex-Liverpool mid-field player crashed home a backheeled pass from a free kick by Grealish and this lead gave 'The Seagulls' the confidence to control mid-field and hold the initiative until half time.

Wednesday came back well after the interval and the speedy Bannister caused problems before Ante Mirocevic knocked in a rebound following a Megson free kick in the 56th minute.

Northern hopes were soon shattered however as, with 12 minutes to go Case sent Smith away and after a goalmouth scramble, Mike Robinson scored the vital match winner. Before the final whistle, the Brighton defence performed heroics as Foster cleared off the line with an overhead kick and Graham Moseley made two excellent saves.

The pure joy expressed by Jimmy Melia at the end must have warmed the hearts of all who had worried about the game losing its romance. Second Division Sheffield Wednesday had battled well but relegation candidates Brighton had qualified to play in an FA Cup Final at Wembley for the first time in their history.

Brighton & HA: Moseley; Stevens, Pearce, Grealish, Foster, Gatting, Case, Howlett, Robinson, Smith G., Smillie.
Sheffield W: Bolder; Sterland, Heard, Smith M., Lyons, Shelton, Megson, Mills, Bannister, McCulloch, Mirocevic.

FA CUP FINAL – 21 MAY 1983

Brighton & HA (1) 2 *(Smith, Stevens)*
Manchester U (0) 2 *(Stapleton, Wilkins)*
At Wembley 100,000

As complete outsiders, Brighton & Hove Albion took the field without Foster their suspended captain, in very relaxed mood. They knew they had nothing to lose and indeed in the early exchanges they looked more direct, as Robinson rampaged and the ball was swung across the United defence. So after 14 minutes a Brighton goal through Gordon Smith was well deserved as he headed in a flighted centre from Howlett.

Slowly but surely United played themselves back into the game and both Ramsey and Robinson cleared off the line. Brighton also had their chances but just ten minutes after half time, Whiteside touched on a Duxbury cross and there was Stapleton to score at the far post. It was sad that Ramsey, who had just received a bad knock from Whiteside was not fit enough to cover correctly during this attack and subsequently left the field to be substituted by Ryan.

It looked as if the Seasiders' chance had gone and when Ray Wilkins curled in a superb goal to give United the lead after 73 minutes no one gave Jimmy Melia's men much chance of coming back. But with just three minutes to go a Jimmy Case corner was pulled back to Grealish and the skipper's stab into the box was pounced upon by Brighton's hero, Stevens, and suddenly Brighton had been reprieved.

With both sides tired after a gruelling but exciting match it was not surprising that no goals came in extra time. Brighton did have the last chance however as Mick Robinson, battling to the last, forced his way through to set up a great chance for Smith. The world seemed to stand still as the hero of the first half saw Bailey save his shot bravely and we all looked forward to Thursday's replay.

Brighton & HA: Moseley; Ramsey (Ryan), Stevens, Gatting, Pearce, Smillie, Case, Grealish, Howlett, Robinson, Smith.
Manchester U: Bailey; Duxbury, Moran, McQueen, Albiston, Davies, Wilkins, Robson, Muhren, Stapleton, Whiteside.
Referee: A. W. Grey (Great Yarmouth).

FINAL REPLAY – 26 MAY 1983

Manchester U (3) 4 *(Robson 2, Whiteside, Muhren* pen*)*
Brighton & HA (0) 0
At Wembley 100,000

The return of skipper Foster should have helped Brighton and Hove Albion in this replay but perhaps the splitting of the successful Stevens-Gatting partnership unsettled the defence. Whatever the cause, however, it was clear to see that an inspired United were in no mood to give the opposition a second chance.

On Sir Matt Busby's 74th birthday, in a carnival atmosphere where everyone seemed to be enjoying themselves, the red shirts of Manchester were everywhere. Their least experienced player, Davies, again shone and Bryan Robson once more proved to be his side's inspiration.

Mid-way through the first half, two goals in four minutes ensured the cup would be on its way to Lancashire. Firstly Albiston and Davies combined to give Robson a straightforward goal and then Muhren's corner kick was touched on by Davies for Whiteside to power in the second. The young Irishman had now scored at Wembley in both The Milk Cup and FA Cup Finals in his first full season!

Jimmy Case saw his deflected shot well saved under the crossbar by Bailey as the first half came to a close but it was skipper Robson again who virtually had the game sewn up as he pounced on a Stapleton header to score from close range and send his side in with a three-goal advantage.

The second half saw a more relaxed game as Brighton realized their chances had gone and United were happy with their lead. However, a penalty after 62 minutes by Muhren after Stevens had held Robson, gave United the biggest Cup Final victory at Wembley but Brighton were not disgraced. Indeed they received a well deserved ovation following their fine contribution to two excellent cup ties, for which both clubs deserve credit for the quality, excitement and sportsmanship shown.

Brighton & HA: Moseley; Gatting, Pearce, Grealish, Foster, Stevens, Case, Howlett, Robinson, Smith, Smillie.
Manchester U: Bailey; Duxbury, Albiston, Wilkins, Moran, McQueen, Robson, Muhren, Stapleton, Whiteside, Davies.

FA CUP FACTS AND FIGURES

Blackburn Rovers hold the record for the longest run of consecutive FA Cup ties without defeat. From December 1883 to December 1886 they were unbeaten in 24 Cup ties and won the trophy three times during this period.

The longest FA Cup tie was played between **Alvechurch** and **Oxford City** in 1971. This Fourth Qualifying Round match was won 1-0 by **Alvechurch** after 11 hours play (six games).

The fastest goals scored in an FA Cup Final at Wembley were obtained in the first minute. In 1928, **John Roscamp** put **Blackburn Rovers** ahead when he charged both the **Huddersfield Town** goalkeeper and the ball into the net and in 1955 **Jackie Milburn** headed **Newcastle United** into the lead against **Manchester City**.

The youngest player to take part in an FA Cup Final is **Paul Allen** who was selected for **West Ham United** to play against **Arsenal** on 10 May 1980 when he was 17 years 256 days old.

Twelve players were sent off in First Round cup ties on Saturday last season. This broke the previous record for one day, of eight, recorded in 1915.

Tottenham Hotspur were the first Southern club to win the Cup. Spurs were then members of The Southern League and so, were the first and only 'Non Football League' club to carry off the trophy.

King George V was the first reigning monarch to attend a Cup Final. He saw **Burnley** beat **Liverpool** at the Crystal Palace in 1914.

David Jack (Bolton Wanderers) scored the first goal in a Wembley Cup Final. This was in 1923 when an estimated 123,000 people broke the barriers to watch the Wanderers beat **West Ham United** 2-0.

Extra time was first played in a Cup Final in 1877. **Wanderers** and **Oxford University** were drawing 1-1 at full time, and Wanderers finished as 2-1 winners.

The first cup tie played under floodlights was a replay between **Kidderminster Harriers** and **Brierley Hill Alliance**, 14 September, 1955.

The first hat trick in an FA Cup Final was scored by **William Townley** for **Blackburn Rovers** v **Sheffield Wednesday** in 1890.

Shinguards were first used in the FA Cup Final in 1892.

The first FA Cup tie to be televised, other than the final, was **Charlton Athletic** v **Blackburn Rovers**, 5th Rd on 8 February, 1947.

As a 'Non League' club **Hereford United** reached the First Round of the FA Cup on 21 consecutive seasons.

A Bradford firm designed the present FA Cup, the third actual trophy, in 1910. The first club to win it was **Bradford City** in 1911.

When **Barnsley** won the FA Cup in season 1911–12 they played a total of 20 hours of football involving 12 games, half of which were goalless draws, and they conceded only three goals.

When **Notts County** won the FA Cup in 1893–94 they became the first Second Division club to win the competition.

Only five clubs from the Third Division have reached the Semi-Final stage of the FA Cup. They were **Millwall**, **York City**, **Port Vale**, **Norwich City** and **Crystal Palace**.

Having been officially formed into a Limited Company in 1939 and having been accepted by the Southern League, **Hereford United** played an FA Cup tie in only their second senior competitive game.

The only club to have played against clubs from all four 'home' countries in the FA Cup is **Nottingham Forest**.

Harry Brooks scored five goals for **Aldershot** in each of two successive FA Cup ties in the 1945–46 season.

Reading first appeared in the FA Cup 1st Round in 1877, only **Notts County** of the present Football League clubs have played in the competition so long ago.

Colchester United reached the 5th Round of the FA Cup in 1947–48 as a Non League club. Their best season in the competition since joining the League was in 1970–71 when they reached the 6th Round as a Fourth Division club. Only **Oxford United** and **Bradford City** have equalled that feat from the Fourth Division.

THE SCOTTISH SEASON 1982–83

If the form of the National team is the main criterion by which a season is judged then 1982–83 must be cited as a disaster. In seven outings Scotland only managed to win twice – once at Hampden against East Germany and once in Cardiff against Wales in the British Championship; two opponents (Switzerland and Northern Ireland) came to Hampden and left without losing, and before the end of April it was known that Scotland could not qualify for the final stages of the European Championships. Finally, the visit to Wembley, was another horror story with a very disappointing Scottish outfit surrendering to a respectable but by no means great England team, which was allowed to stroll through the game with scarcely a challenge from its guests.

However, even at a National level all was not a picture of gloom with the Under-21 side remaining unbeaten and likely to progress far, whilst the Youths again reached the final stages of their European competition before falling to a very good (on the night) England team. But there was another disappointment at Semi-Professional level when a squad drawn from the Scottish First Division came second to an English selection from outside the Football League. This is a tournament held annually involving the 'Auld Enemy', Italy, Holland and Scotland and there really should be no good reason why Scotland should not win more often without any difficulty.

Having given the gloomy part of the picture it must now be time to list the plus marks gained and – thanks to two excellent North-East teams – there were several. Pride of place must go to Aberdeen, who became the third team of Scots to win a European competition; I choose my words carefully, because in general it is cosmopolitan selections which carry off such honours, but each time a trophy has come to Scotland the winners have been represented exclusively by Scots and that is some cause for considerable pride. Aberdeen joined Celtic (European Cup in 1967) and Rangers (Cup Winners Cup in 1972) in the Hall of Fame and their victory in the Cup Winners Cup was gained most impressively with only one defeat in any leg of any round and only one yellow card in the whole competition. In the Quarter Finals Bayern Munich were beaten with a late rally at Pittodrie, Waterschei of Belgium were heavily defeated in the Semi-Finals and in a Final played in very wet conditions in Gothenburg Real Madrid were fortunate to take the match into extra-time before John Hewitt's brave header clinched victory seven minutes before the second hour elapsed; Eric Black had put Aberdeen ahead early on only for the defence to slip up and concede a penalty from which the Spanish side equallised. Perhaps, Real Madrid are not like their famous forerunners, but even so it was a formidable achievement. In keeping with the generally improved behaviour of Scottish supporters Aberdeen's following gained nothing but praise from the Swedish authorities. Altogether it was a good night for Scotland. Here at least good management, discipline and organisation prevailed.

Other good marks were earned from the domestic competitions with Glasgow's only success coming in the League Cup where Celtic beat Rangers more comfortably than the score (2-1) might suggest. The latter were also to be victims of Aberdeen's second triumph of the season, when Eric Black scored the only goal of a 'dour' final four minutes from the end of extra-time. The Dons were not at their best against a plucky Light Blues outfit, but as McCloy had been the busier of two good goalkeepers no-one could really say that on pressure alone Aberdeen should not have won.

The League for once provided a story-book ending with a first-ever success for Dundee United, who only took the lead from the long-term front-runners (Celtic – who else?) during the last month of the season. Even so, the last day was decisive with Dundee United needing victory in their local Derby at Dens Park to be sure of taking the Flag and this they did by a very narrow margin of the odd goal in three. Meanwhile, both Celtic and Aberdeen (again) were in hot pursuit and ready to punish any slips. Celtic could not be said to have been given an easy final game against Rangers at Ibrox and they had to recover from a two goal half-time deficit to win once again against their traditional rivals; the final score was 4-2. This left Aberdeen's last match as something of an irrelevance, but the Dons still managed a resounding victory over Hibernian and some would say that it was only the pressure of trying to win too many competitions that prevented them from being Champions as well. Even so their record speaks for itself.

Further down the scale it was good to see St Johnstone and Hearts, both former European campaigners, promoted to the Premier Division and it must be said that in neither case did it seem that failure was likely. Down to the First Division went Morton and Kilmarnock, the latter after yet another single season 'upstairs', whilst Morton have been in danger for several seasons. In the Second Division Meadowbank Thistle lifted them-

selves off their usual basement seat and won promotion thanks largely to a very good start to the campaign, in which they were eventually pushed into second place by a buoyant Brechin City, which has been threatening better things for itself for some few seasons. Hats off to Iain Fleming and his small squad for bringing another honour to the North-East. It is good to see the honours go round. Back to Division Two go Queen's Park and Dunfermline Athletic – not altogether good news for those who have a soft spot for amateurs.

So another season passes and we look forward to 1983–84. What is in store for us? Can we hope that our National team will respond to the wonderful loyalty of its fans by giving us all something to cheer? The British Championship and a victory at Hampden over England will do for a start. With five teams in Europe we have a strong hand; can even more success be achieved? We shall see, but let us hope for an enjoyable and peaceful season for all fans. We might even see Dundee United's great Jim McLean smile more!

The Dons looked Championship material all through the season and only when their rash of committments in the closing weeks of a tremendous campaign stretched resources to the limit did their bid falter.
Highlight of their league season was two winning performances at Parkhead and a 5–1 defeat of Champions Dundee United at Pittodrie.
Ever present skipper Willie Miller has never played better, within a side that is certain to be involved with the chase for all the silverware again this season.

No quick return to the Premier League for Airdrie, who can reflect on their indifferent home form, when analysing a season when they ended 15 points short of promotion. Only three goals in a seven game spell at the start of the year ended any hope they had of recapturing the form that earned a top three place for the opening month of the season.

No significant change in the club's fortunes but the transfer of Peter Houston to Alloa in December would not help them lose their mid-table tag. However striker Steve Evans responded well to the challenge, and he scored a dozen times for Rovers who were able to improve their league position by one place from last season.

Alloa's sixth place in their return season to Division One rates as one of the success stories of the year. Not even the waygoing of their very impressive manager Alec Totten to Falkirk in mid season could halt their momentum and Willie Garner certainly kept up the good work. Hard graft is the hallmark of their side and no one did more than defender Kenny Thomson and winger Arthur Grant.

Another near miss for Arbroath who have finished in third place for the second successive season, and manager Ian Stewart will look at the 'goals against' column for the reason.
The 51 they conceded was higher than any other team in the top six, undoing all the good work that his front players had put in—scoring 78—the highest in the division.

However, a stream of indifferent displays soon had them in the grip of relegation nerves and it took three successive victories in the closing three weeks to win a reprieve.

Another club with managerial changes and, after being considered amongst the favourites for promotion, perhaps their 9th place was the most disappointing performance in Division Two. An alarming slump in the scoring rate during the second half of the season, just 18 from their final 23 games, was the main reason for the slide down the table.

A marvellous season for a team that were bottom of the table just five years ago. Brechin started the season under Doug Houston before he left and was replaced by Iain Fleming.
Under Fleming they clinched their first ever Championship by including just two defeats in his 28 games in charge, with Ian Campbell's 27 goals equalling his best ever effort.

Despite having more depth of striking talent than their close rivals, Celtic relinquished their grasp on the Championship, when their form deserted them in a three day spell in April.
Successive defeats by Dundee United and Aberdeen tore the initiative from Parkhead and although eleven goals were scored in their final three matches there was no slip from Dundee United.
In a season that most Celtic fans will remember for the incredible scoring exploits of Charlie Nicholas, it would be unfair to forget the formidable contribution made by Paul McStay, Roy Aitken and Frank McGarvey.

Found life in Division One far more demanding than did their partners in promotion from last season Alloa but showed great spirit in the tense closing weeks of the season. Striker Danny Masterton retains his nose for goals and claimed 14, while tiny winger Pat Nevin continued to display the fine form that earned him inclusion in the Scotland Youth Team.

No shortage of talent at Kilbowie Park, where they continually produce good young players, and all that halted their Premier League ambitions was uncharacteristic home lapses. Strikers Bobby Williamson and Tommy Coyne – 21 and 20 respectively – grabbed forty-one of their league goals between them and captured the attention of scouts on both sides of the border.

A mixed season when the Fife team gave themselves an outside chance of promotion in March but slipped in the end with only one victory in their last ten games. Willie Gibson's move from neighbours Raith Rovers in December saw the ex-Hearts player score 13 times in the second half of the season – including his 100th league goal at Berwick in February.

Started and finished the season well but periods out of touch on either side of New Year turned a third position in October into tenth place by March.
Always capable of troubling the best—as in 4-1 defeat of St. Johnstone; but they lack the consistency and grit that would make them candidates for honours.

Although having to perform in the shadow of close neighbours United for the season, Dundee's campaign must go down as one of slight improvement.
They rarely indicated that they are likely to become involved in the late stages of any of the tournaments, but succeeded in consolidating in the Premier Division they rejoined two years ago.
Difficult to see any major progression, with a squad limited in numbers by financial restrictions but avoiding relegation seems well within the scope of the current side.

A historic first ever Championship made this a best ever season for the country's most improved side. United's breathtaking last day win at Dens Park ended a record equalling campaign when they stayed the course better than any.
90 league goals gave them the record since the inception of the Premier league – with Celtic – and their 56 points equalled the best, again by Celtic, in 1980/81.
In a 36 game programme that included ony four defeats theirs' was truly a team performance but perhaps the solidarity of Paul Hegarty at the back and the goals of Dave Dodds were influential elements.

A difficult first season for manager Tom Forsyth who found a shortage of goals the most pressing problem in an unsuccessful effort to avoid relegation.
Twelve blank days in their 39 game card tells it all, but with promising front players Robert Stewart and Steve Morrison now operating in a lower league they will be amongst the front runners in Division Two.

Despite using an incredible 47 players during the season, the Falkirk team got no nearer to finding a settled selection. Manager Billy Little, appointed midway through the season, will make that his first priority after the club has slipped from the First Division to second bottom place in Division Two in two seasons.

Bottom of the table when Alex Totten replaced John Haggart in December, Falkirk quickly embarked on a sequence of nine games with just one defeat to turn certain relegation into a position of security in mid table. The eight goals scored by Peter Houston after his move from Albion Rovers emphasised the wisdom of that transfer activity and Falkirk look to have the scope to build and improve again.

The opening weeks of the season presented Forfar with a leeway so great that even a consistent run of form from the end of September could not overcome.
Their 46 points from 30 games after taking six outings to gain a first success would have been enough to win a place in Division One if extended through the whole season and Forfar are likely to go close again.

Unreliable in a season when Bertie Auld was their third manager, but there are talented players in the side with free scoring midfield player Jamie Fairlie the pick. Only four wins away from home reveals their difficulty but under Auld they are likely to be nearer the top than the bottom this season.

Big financial gamble by the Edinburgh club to win promotion paid off but their very experienced side may find the task of staying up rather demanding.
Never out of the first two since early October, Hearts had not only to thank player manager Alex MacDonald for plotting their way to the Premier League but also for his strong influence from midfield.

Treble chance experts with 15 draws and that statistic indicates their state of development. Another season of turmoil behind the scenes that leaves stability the most needed quality. Some promising youngsters have made the breakthrough, notably Youth cap Brian Rice, but a few more needed if real progress is to be achieved.

A historic season for Scotland's youngest senior club. Admitted to the league just eight years ago their promotion is the perfect answer to those who criticised that decision.
They added 22 points to their previous best and, although the chasing group came close at times, their 27 points from 16 opening games earned a cushion that could not be overhauled.

A dreadful spell for the Angus club, who have slipped from a challenging position in Division One eight years ago, to the foot of Division Two. Only Kilmarnock can top the 86 goals they conceded and, with just five goals to show for their closing 12 games, that leaves a massive re-building operation for former player Dennis D'Arcy.

The Premier League's "survival experts" finally came unstuck and Morton's gloom was underlined when dramatic cutbacks meant that the club could no longer afford to keep manager Benny Rooney.
Difficult to see them making any real impact on the game in such circumstances. Ever presents Jim Holmes and Jim Rooney did most to try to avoid the drop.

Survival was the name of the game for Jock Wallace and they preserved Premier League status with some ease in the end after a worrying time in the spring. Youth player Brian McClair emerged as a youngster capable of further development while the recruitment of Ally Mauchlen from Kilmarnock added vital experience and steel.

More was seen of Queens this season, but they emerged as one of the most unpredictable teams in Scotland with no real form pattern being produced. They started the season with a 5-1 win at Montrose but have conceded five twice at home, including an incredible 5-3 defeat by Stirling Albion, when they led 3-0 after 63 minutes—then lost five goals in the next 17.

The loss of several fine players to the professional scene finally caught up with Queen's, but they fought hard against the odds to stay up. Defender Joe Woods and striker Jimmy Quinn took the chance to break into the first team and they will find the Second Division considerable less exacting.

A shattering series of injuries made it very difficult for the Fifers to find a settled team and pattern during an unsteady season when manager Gordon Wallace can reflect on one startling step forward.
64 League goals compared with 31 last season was enough to earn a league placing three steps up the table, leaving defensive leaks the priority for the coming campaign.

Another season of frustration and disappointment for the Ibrox club, reflected in their finishing fourth in the table, some 18 points behind Champions Dundee United. Injury kept record purchase Craig Paterson out of the team for 15 games and effected stability in defence but, even with him in the team, Rangers rarely looked consistent enough to sustain a lasting league challenge. Some promising young players were introduced by John Greig who will glean most satisfaction from the rapid improvement made by defender Davie McPherson and an impressive late show by the unfortunate Bobby Russell.

Led by the prodigious scorer John Brogan, the Perth club emerged as Champions, by virtue of the consistency with which they sought the prize.
25 wins, bettered only by Motherwell last season, indicate that Alec Rennie's team are promoted on merit although several of his players will face the prospect of tackling the Premier Division for the first time.

Distinctly out of touch in the opening half of the season, St Mirren were at one stage entitled to be considered relegation candidates. However the return after injury of defender John McCormack in February injected much needed vision and leadership into the team, who benefited by breaking from the bottom reaches of the table to finish a creditable fifth.

Gavin Murray's 15 goal's were the feature of an indistinguished season when the Larbert side spent most of the nine months lodged in the bottom two places of the table.
However just three defeats in their final eleven games hinted that a tightening up exercise had been successful and that some optimism could be permitted.

A solid season's work that suggests Albion will be a real force in the coming season. Manager Alex Smith has an abundance of talented front players, notably John Colquhoun. His 21 league goals soon brought him to the attention of several Premier League and English clubs and only the depressed state of the transfer market has averted a move.

The Scottish Football League was reconstructed into three divisions at the end of the 1974–75 season, so the usual relegation statistics do not apply.

SCOTTISH RECORDS

Celtic created a Scottish League record when they remained unbeaten in 62 games between November 1915 to April 1917.

The Scottish League record for the longest run of consecutive victories was created by **Morton** in Division Two during the 1963–64 season when they won 23 games in a row.

Dundee only called upon 15 players when they won The Scottish League Championship in season 1961–62.

Last season saw **Rangers** make their eighth consecutive Scottish Cup Final appearance since 1976.

SCOTTISH CUP 1982–83

ELGIN CITY – THE GIANT KILLERS

Second Division Forfar, who were eliminated by Rangers in the semi-final of the Cup last season – but only after a replay, stole the First Round headlines when their five goals at Highland League Peterhead earned them £500 for each goal. In a scheme to add goals to the country's Premier knockout competition, the S.F.A. ploughed much of the money into making the tournament a spectacle.

Elsewhere, non league Brora Rangers forged a little bit of Cup history by achieving their first ever Scottish Cup victory. In two previous ventures they had failed at the first hurdle.

But their victory was against lowly Selkirk leaving their Highland neighbours Elgin to claim the shock of the initial round by travelling to Edinburgh and ousting Meadowbank, who at the time enjoyed a five point lead at the top of Division Two. Meadowbank's Walter Boyd scored the quickest goal of the round when he opened the scoring after only 51 seconds.

THREE GOALS FOR FORFAR IN FOUR MINUTES

Giant killers Brora Rangers proved that they had stamina as well as Cup potential, when enduring a five and a half hour marathon, against Second Division Montrose, before winning a second replay 5-2. Scotland's most northerly club possessed resilience too, for in that third game in Inverness, referee Colin Sinclair collapsed with hypathermia five minutes from the end.

The scoring highlight of the round again came from Cup specialists Forfar, who knocked in three inside four first half minutes to dispose of their Highland League opponents Inverness Caley.

However Brora will not be alone in the third round, for Elgin City joined them by virtue of a fine second half showing against East of Scotland League side Gala Fairydean. The men from the north scuttled their far travelled opponents 5-2, their goals coming in a 29 minute second half spell.

ST MIRREN KNOCK OUT DUNDEE UNITED AGAIN

First Division Partick Thistle required seven hours of action, before they could make Premier League strugglers Kilmarnock concede defeat, with 20 year old Maurice Johnston breaking the dealock in the third replay. Cup holders Aberdeen gave notice that they were not to surrender the trophy, without a struggle, when having four individual scorers in an emphatic win at Easter Road. It was disappointing to note that the game produced the biggest crowd of the round – only 14,289.

Perhaps the fact that Rangers, Celtic and Dundee were, like Aberdeen, away from home contributed and it was United's trip to Love Street that was to see the first of the big guns depart.

Doug Somner snatched the vital goal that meant the Tannadice team were out on the same venue as last year, although on that occasion it was in the quarter final stage.

The financial well being of the competition was still assured however, when Celtic were comfortable winners at Clydebank and their Old Firm rivals Rangers overcame the stuffy challenge of Falkirk at Brockville.

ELEVEN HOURS, FORTY THREE MINUTES FOR TWO VICTORIES

Once again Partick Thistle emerged as the marathon men of the round, when it needed two replays and a lights failure to see them into the last eight. In all the Firhill side had played 11 hours and forty three minutes – just to get through two rounds.

As expected, Celtic were too strong for Dunfermline, and Aberdeen had enough to end Dundee's hopes of Cup glory, but Rangers had their usual trouble with Second Division Forfar.

Indeed the Angus part-timers took the lead through young Kenny McDonald three minutes before half time and it took all Rangers determination in front of an impatient Ibrox crowd finally to wear them down with two John MacDonald goals.

Airdrie, Queen's Park, Hearts and Partick meant that the First Division made up half the teams in the draw, and significantly St Mirren demonstrated their return to form with a 2-0 victory over Morton at Cappielow.

No shocks at the Quarter Final stage, although both Queen's Park and Partick Thistle gave Rangers and Aberdeen something to think about on their way to the last four.

The big talking point of course was the controversial sending off of Hearts winger Willie Johnston at Parkhead. The former Rangers and West Brom player was shown the red card by referee Brian McGinlay after a clash with Davie Provan – the 20th time he has been sent off in a stormy career.

St Mirren's Billy Stark grabbed the first hattrick of the Cup at Airdrie, and as the Paisley side scored five there were those who saw them going into the semis with a real chance of lifting the trophy.

SCOTTISH FA CUP, SEMI-FINALS

Aberdeen reached the first of two finals, when they made a third successful journey to meet Celtic in Glasgow during the season. In a game heavily criticised for the over use of the respective physical attributes of the teams it was ironic that the winning goal should come from a substitution following one of many injuries. Peter Weir replaced the concussed Neale Cooper in the 42nd minute, and made his introduction decisive when heading the winner 23 minutes later. Across the city, Rangers met in a repeat of a clash at the same stage two seasons ago. Sandy Clark had Rangers in front in the first game, until a tragic late own goal by Craig Paterson, preserved St Mirren's link with the competition. The tie switched from Parkhead to Hampden for the replay, and after both sides can claim they had chances to win the right to meet Aberdeen, Clark popped up one minute from the end of extra time, to more than justify the £165,000 it cost to bring him back to Scotland from West Ham United.

Aberdeen's inspirational captain Willie Miller, seen here winning a tackle in the Cup-Winners Cup Final, led his club through their best ever season.

Aberdeen became the first club outside the Old Firm this century to win the Scottish Cup in successive years, but only after one of the least interesting Finals that Hampden has staged. Both sides seemed to be suffering the effects of a long hard season and with only four minutes of extra time remaining both teams would have been happy to accept a draw, and the chance to put on a spectacular in the replay. Alec Ferguson's men dragged up one last push and when Mark McGhee's cross from the right took an unkind deflection off Craig Paterson, Eric Black who had been involved in the build up outside the box, finished his run by placing the decisive header wide of Peter McCloy. Although the partially refurbished stadium had only 62,979 fans in its 75,800 places, that represented an increase of 9191, when the same two teams met twelve months earlier. Further evidence that the Scottish game is pushing back what had earlier seemed to be an unstoppable slide in appeal.

REVIEW OF SCOTTISH PREMIER LEAGUE ATTENDANCES 1982–83

In a season when the Premier League induced three teams to contest its conclusion – for the first time – many may greet the news of an upturn in attendances with little surprise.

That however, would be to diminish the achievement, and to ignore the many innovative schemes that contributed, together with the many external factors that may have contrived to mirror the downward spiral being experienced across Europe.

The first and perhaps most important step, was the initiative of the Scottish League that allowed clubs to retain the proceeds of their own league attendances, which gave birth to a concerted effort to compete vigorously with football's many counter attractions.

Almost every club has made special arrangements for various minority groups within the community, particularly the unemployed, and clubs were soon to learn that this did not only swell numbers, but portrayed the game in a much more caring and positive way, to the general public. There were several spectacular examples that projected just such an image. Perhaps the one that captured the most telling headlines was the scheme devised by Dundee United, when they undertook to pay the admission of their fans on Morton's ground, for the third last Saturday of the season. Of course, the eventual Champions were keen to muster as much sympathetic support for a game of such importance, but it was a public relations exercise of some excellence.

Even in the lower Divisions, enterprise was not ignored. Hearts and St Johnstone – two welcome returning teams to the Premier League – both subsidised travel for the supporters during the season and Stirling Albion invited their supporters to pay just 10p for their final home game. These are just a few examples however, that reflect the constructive way which clubs are now tackling the game's biggest challenges and they are entitled to congratulations.

However, the final note of optimism on the subject is not a reflective one but an exciting look forward. The two clubs joining the Premier Division, Hearts and St Johnstone, are both sufficiently well supported as to ensure the trend will continue.

Their introduction, together with the excellent standards achieved on the pitch by our top clubs will combine to make further gains and dispel the voices of gloom and doom that have created such a dismal outlook for so long.

Billy Wright of Wolverhampton Wanderers, set up a world record by playing in 70 consecutive internationals for England, from 1951 and 1959.

The record number of players from the same club in an England team is seven: Frank Moss, George Male, Eddie Hapgood, Wilf Copping, Raymond Bowden, Ted Drake and Cliff Bastin, all of **Arsenal**, played against Italy at Highbury on 14 November, 1934.

The England team twice included all **Corinthian** players in the 1890s, but this cannot be considered because the Corinthians were a combined eleven, most of their players also playing with other clubs.

The England team that won the World Cup in 1966 created a record for the country by remaining unchanged in six consecutive Internationals. The Quarter-Final, Semi-Final, Final and the next three matches.

England's longest run without defeat is one of **20 games** between 1889 and 1896.

The first representative game was played at Battersea Park, 31 March, 1866. **London** beating **Sheffield** by two goals and four 'touch downs' to nil.

The first official **England** v **Scotland** International match was played at the West of Scotland cricket ground, Partick on 30 November, 1872 and resulted in a 0-0 draw.

Wales played their first International in 1876, losing 0-4 to Scotland in Glasgow. Ireland's first International match was against England at Bloomfield, Belfast, when the visitors won 13-0.

Caps were first awarded for International matches in 1886.

England's first defeat on foreign soil in a full International was 3-4 by **Spain** in Madrid in 1929.

England's first defeat by a continental country at Wembley was in 1953 when **Hungary** won 6-3, and Scotland's first home defeat by a foreign team was at Hampden Park in 1950 when **Austria** won 1-0.

Billy Wright became the first International in Britain to gain 100 caps when he captained England against Scotland at Wembley in April 1959.

Terry Venables was the first player to win England International honours at Five levels: Schools, Youth, Amateur, Under 23, and Full.

The first full International to be played entirely under **floodlights** in Britain took place at Wembley in 1963 when England beat Northern Ireland 8-3.

The first instance of a **substitute** in a Home International Championship game was at Wrexham in 1889 when Pugh of Rhostyllen took over from the injured S. G. Gillam in the Welsh goal against Scotland.

England's first Substitute in a full International was **Jimmy Mullen (Wolves)** who took over from the injured **Jackie Milburn** after 10 minutes of the game against Belgium in Brussels, 18th May, 1950.

Floodlights were first switched on during an International match in England in November 1955 at Wembley when England beat Spain.

The first Fourth Division player to be capped by his country in a full international was **Vic Rouse** of **Crystal Palace** who played in goal for Wales against Northern Ireland in 1959.

Harold Fleming played eleven times for England before World War One while playing for **Swindon Town** who were competing in the Southern League.

When England lost to overseas opposition in this country for the first time, Hungary beat them at Wembley 6-3 in November 1953, and **Blackpool** had four players in the side: **Stanley Matthews**, **Stan Mortensen**, **Harry Johnstone** and **Ernie Taylor**.

In 1950–51 Second Division **Barnsley** had five Internationals on their books: **Tim Ward (England)**, **John Kelly (Scotland)**, **Eddie McMorran**, **Danny Blanchflower** and **Pat Kelly (N. Ireland)**.

REAL MADRID

When Liverpool, Nottingham Forest and Aston Villa provided Britain with six consecutive European Champions Cup triumphs we were justifiably proud, but for one club to hold the trophy for five years is a quite outstanding feat.

This is what the famous Real Madrid club achieved when the competition was first launched and these charts show their consistency, goalscoring, flair and tremendous support during their record-breaking years.

THE CUP LEAVES ENGLAND AFTER SIX YEARS

England's hopes were the highest in the European Cup, since in the previous six years English clubs carried off this top prize, and in this instance, we had a powerful duo in Liverpool and Aston Villa in the field. Liverpool's defeat was particularly painful, because they were in top form during the season, and their commanding lead in the First Division gave them the opportunity to concentrate on the European competition. They took their opening hurdle easily enough with a 5-1 aggregate win against the Republic of Ireland champions, Dundalk. In the second round, they were paired with the Finnish title holders, HJK Helsinki, and after a shock narrow defeat in Finland, they won the return leg 5-0, to run out once again 5-1 aggregate winners.

The draw for the quarter-finals was on paper a good one – Widzew Lodz of Poland, a team short of star player Boniek. But in the first leg in Lodz, Grobbelaar made a fatal mistake in goal, and later the Poles managed to score one more goal for a 2-0 victory. Bob Paisley remained optimistic that this score was not too big a target for the second match, and indeed Liverpool took the lead early in the game. But an uncharacteristic mistake by Graeme Souness led to a penalty, and with an away goal in their pocket, the Poles were in the driving seat. With all the Liverpool players in the opposition's half, another counter-attack resulted in another Lodz goal, and the tie was beyond redemption. Liverpool did score two late goals, the second from a blatantly off-side position, but the 3-2 victory was scant consolation for an astonishing overall defeat.

Aston Villa beat the Turkish Besiktas behind closed doors 3-1 in the first round, and in the second, they faced Dinamo Bucharest. A 2-0 victory in Rumania was an excellent result, and at home, with the help of a Gary Shaw hat-trick, the Midlanders won 4-2 for an easy 6-2 aggregate. But in the quarter-finals they were drawn against the powerful Italians, Juventus. The Fiat sponsored club spent heavily before the season started on two foreign imports, Boniek and Platini. Together with the bulk of the Italian World Cup winning side, they looked a formidable combination, and indeed, in the match at Villa Park, they took the lead in the first minute through a Paolo Rossi header. Cowans equalised in brilliant fashion, but one more imaginative attack brought a goal for Boniek – 2-1 to Juventus. The second leg seemed a formality, and sadly it was – the Italians won 3-1 – England's hopeful representatives were out of the European Cup.

Celtic also failed to make an impression, somewhat unluckily they went out against Real Sociedad of Spain in the second round. Hamburg, in the meantime, made majestic progress, studded with good away performances. Their 3-0 win at Kiev against the local team Dynamo, was one of the shock results of the tournament. Juventus were slight favourites in the Athens final, but Hamburg surprised them with their clever, imaginative football. Magath scored an early goal when his deceptive shot completely bamboozled the veteran Dino Zoff. The Juventus machine didn't function at all smoothly, Bettega was off form, and Rossi played so ineffectively, that he had to be substituted in the middle of the second half. There were no further goals – 1-0 yet again in the European Cup Final, and Hamburg's victory was the fourth for a West German club, following Bayern Munich's hat-trick in the seventies.

Real Madrid have set all the records in the European Cup. They pulled in the two biggest crowds in Finals; forced the rules to be changed, and in left winger Francisco Gento have a man who appeared in 9 Finals. In 1956 125,000 saw Real beat Eintracht Frankfurt 7–3 in Glasgow, and in 1957 another 128,000 watched them when they beat Fiorentina 2-0 in Madrid. They were so successful that they forced the organisers to change the initial rules. It had been set out that the European Cup winners would earn the right to stage the final the following year. Thus, winners in 1956 they were at home in the 1957 final, but winning again they should have been at home at the Estadio Chamartin in 1958, but the rules were changed so that Real beat AC Milan 3-2 in the 1958 Final at the Heysel Stadium in Brussels.

ABERDEEN TRIUMPHANT

It was a foggy night in Munich town, when Tottenham were the visitors in the European Cup-Winners' Cup, second round. Their match in London ended in a 1-1 draw, so there was everything to play for, but the conditions were against good football. Indeed, a league game would have been postponed, but the referee decided that it was playable for a European tie. Bayern were the far better team, and shrouded in fog, they were 4-1 winners – the London club was out of the competition, having beaten Coleraine 7-0 aggregate in the first round.

Swansea had to play a preliminary match in this tourney, and beat Braga of Portugal 3-1. In the first round proper, they really enjoyed themselves against Sliema Wanderers, and the Maltese team were thrashed 17-0 (!), 12-0 in the home leg. But Swansea's trouble began to mount up in the second round, when they lost at home to the French Paris St Germain 1-0. They couldn't retrieve the deficit in the French capital, where they lost 0-2. So it was left to the Scottish Cup holders, Aberdeen, to carry the British flag, and they did that in glorious fashion. In the preliminary round, they beat the Swiss Cup holders, Sion, 11-1 (!) on aggregate, but in the first round they had a surprisingly difficult job against Dinamo Tirana. The home leg ended in a narrow 1-0 win, and in hostile Albania, they could only draw 0-0. Still, it was good enough, and a double against Lech Poznan of Poland carried them into the quarter-finals, where the formidable Bayern Munich were waiting for them. A heroic defensive display gave the Scottish team a 0-0 draw in West Germany, and the return leg was a classic. In a highly exciting match, Aberdeen won 3-2 with the substitute Hewitt getting the winning goal minutes before the final whistle. In the semi-final, they beat Waterschei 5-1 at home, and a narrow defeat in Belgium was not important, Aberdeen were in the final!

Real Madrid were also there thanks to impressive victories against such teams as Inter Milan and Austria Vienna, conquerors of holders Barcelona. Before the Gothenburg final, the Aberdeen manager, Alex Ferguson, made this tongue-in-cheek forecast: 'It will be a great British victory or a Scottish defeat'. He was right, we in England shouldn't claim any part of Aberdeen's victory, since we didn't share the credits with them for our triumphs in the European Cup. The final was an excellent match, worthy of the high stakes. Black gave Aberdeen the lead early in the first half, but Santillana equalised from a well-deserved penalty. At times, the Spaniards dominated play, but the Aberdeen defence was rock solid, and the final went into extra time. When everybody was ready for a penalty-kicks decider, Aberdeen led a last charge and scored a stunning goal for a 2-1 victory. A sensational match and a great triumph over one of Europe's most famous clubs for the Scottish team.

ENGLISH CLUBS ECLIPSED

The UEFA Cup is a colourful, interesting competition, but our foursome received humiliating defeats in the very first round. I cannot use a kinder word, after all it is quite unusual that such a formidable foursome as Arsenal, Manchester United, Ipswich and Southampton should be beaten by Russian, Spanish, Italian and Swedish opposition at the very first hurdle. Arsenal were actually leading 2-0 in the first leg of their match against Spartak Moscow, but lost 3-2. With two away goals in the bag, it seemed an easy task to equalise that deficit, but in the return leg at Highbury, the Russians scored first. Arsenal foolishly threw caution to the wind, and began to attack with ten men. The Russians defended well, their counter-attacks were deadly, and finally won 5-2 for a devastating 8-4 aggregate. Manchester United faced a ruthless Valencia side at Old Trafford. The Spaniards anti-football antics were not controlled or punished sufficiently by an ineffective referee – they got away with more than just a 0-0 scoreline. In Valencia, United took the lead, but they didn't defend very well and eventually lost 2-1. Ipswich had a miserable night in Rome and they lost 3-0 against the local team in the first leg. In the return match, they played much better, scored three times, which is not a mean achievement against any Italian team, but conceded an all-important 'away goal', and AS Roma were through to the next round. Southampton played very poorly at home against the modest Norrkopping, and couldn't do better than draw 2-2. At home, the Swedes were defending manfully, and a 0-0 draw meant that no English teams were left in this competition.

Once again it was left to a Scottish club to carry the British flag, and Dundee United travelled as far as the quarter-finals. Their victims were the good class PSV Eindhoven (3-1), Viking Stavangar (3-1) and Werder Bremen (3-2). Eventually they failed against Bohemians Prague by a solitary goal conceded in Czechoslovakia. In the meantime, Benfica and Anderlecht were making their way to the final. Benfica, the eventual Portuguese champions, didn't lose a single match in their quest for a place, and Anderlecht accounted for PS Kuopio, Porto, Sarajevo, Valencia and Bohemians Prague.

The two-legged final was a closely fought affair, the Belgians managed to win the first match at home 1-0, and with some clever football, they fought to a 1-1 draw in Lisbon. So, the previous winners of the Cup-Winners' Cup are able to house the UEFA Cup in their boardroom for a year as well.

European Footballer of the Year 1982

In a World Cup year, it is almost inevitable that one of the heroes of the global competition is elected as the outstanding player of the year. Paolo Rossi improved in the later stages of the tournament, scored six goals, and became everybody's choice for the title. He collected 115 points, well ahead of the little French general, Alain Giresse, who did a better job in Spain than his illustrious colleague, Platini. Zbigniev Boniek came third, he had only one outstanding match, but generally speaking, he is an excellent footballer. Apart from the World Cup participants, Bernd Schuster managed to collect a few votes, which is surprising, because he was injured during the second half of the year, and during the first six months, refused to play for W. Germany. This is the second time that an Italian player has won the 'Golden Ball' trophy, Gianni Rivera was the other one in 1969.

IRISH FOOTBALL 1982–83

After the euphoria of the World Cup in which the Irish FA made a profit of £320,000, the 1982–83 season continued to be a commendable year for Northern Ireland's international squad with home victories over West Germany, Turkey and Albania and a draw in the away game with Albania at the bizarre, hermit-like capital of Tirana. The only game they lost in this series was the 2-0 defeat by Austria in Vienna when the side had not recovered its motivation after Espana, 82.

However, the same could not be said of the domestic season in which the standard of football was generally mediocre, attendances fell in all competitions and the Linfield-Glentoran Irish Cup Final at Windsor Park, Belfast, was marred by violence when rival fans staged a battle on the pitch at the finish.

Glentoran, who won the Irish, Ulster and Gold Cups, started the season in invincible fashion but, on their own admittance, lack of commitment and character midway through the championship lost them the Irish League championship won by Linfield who conceded only 13 goals, a record. Nevertheless, Glentoran got the Team of the Year award and with consistency could have made it a clean sweep.

Irish League officials, concerned at the crowd slump, were convinced of the need for a change and an end to the stereotyped set-up, and decided to increase the number of clubs from 12 to 14. They admitted Newry Town, who withdrew in 1939 at the beginning of the Second World War, and Carrick Rangers, affluent B Division clubs backed by flourishing social centres.

They also increased the clubs competing in the Irish Cup first round to 32, an innovation which proved a winner with Portadown being eliminated by Milford Everton in the first round and Cliftonville beaten by Ballyclare Comrades in the third round. RUC, who got to the third round, retained the British Police championship with a 1-0 extra time triumph over Metropolitan, while Northern Ireland took the British Universities title.

Work is shortly to begin on the new multimillion pound stand at Windsor Park, Northern Ireland's international headquarters, while Distillery have embarked on a fund-raising project to wipe out the £150,000 debt accrued primarily by building the new stadium at Lambeg, County Antrim.

This November Irish FA chief executive Billy Drennan, MBE, retires after almost 40 years in the post. He started as the youngest secretary in the world; now he leaves as the longest-serving, the elder Statesman. His contribution to the game, not only in Ireland, has been immense.

SCHOOLS FOOTBALL 1982–83

FACTS AND FIGURES – SEASON 1982–83

The England Under 18 Squad achieved their best ever result when defeating Wales 5-0 at Shrewsbury in May – but it was not enough! The match was part of the Centenary Shield competition which Scotland won because of their 2-1 win over England at Falkirk. England finished second with two points from two games while Wales were third, their solitary point coming from a 1-1 draw with Scotland at Cwmbran. The match at Shrewsbury was a personal triumph for centre-forward Gary Lund from Humberside who recorded a first-half hat-trick against the Welsh.

The Schoolboys FA Cup, now known as the Gillette Trophy, became the property of the North-East this season when Middlesbrough and Sunderland drew 4-4 in the two-legged final. Middlesbrough led 4-2 at the end of the first leg but a second goal in the dying minutes of the second leg by defender David Wilson put the aggregate scores level. This is only the sixth time since the competition began in 1905 that the two finalists came from the same ESFA Division.

The British Home Stores Inter County Competition has already proved of great benefit to schoolboy representative football in this its first season. As a result of the four area competitions, **Berkshire**, **Essex**, **Merseyside** and the **West Midlands** will go into the draw for the first National Semi-Finals and Final which will be held in the autumn.

In the Associated Biscuits Trophy, a competition for individual school teams at Under 16 level, last year's winners from Wales, Fitzalan School, Cardiff, again qualified for the National section of the competition but were eliminated in Round Two by the Avon representatives, Grange School, Warmley. This season's final was played at Wimbledon in May and resulted in a win for Raynes Park High School, from Surrey, over the Merseyside team, Bishop Challoner School, Birkenhead, by 3-1.

The North-East also came out on top in the Under 19 Individual Schools' Championship when St Mary's Sixth Form College, Middlesbrough, overcame Handsworth Grammar School, Birmingham, 4-2 in an exciting match played at West Bromwich in early May. It is pleasing to note that schools' football will again benefit when the sponsorship of this competition is undertaken by Barclays Bank Ltd next season.

County Football also receives the support of sponsorship from Bukta. This takes the form of an Inter-County competition at Under 19 level. Last year's winners Humberside again reached the final which was played at Hull in April. However, on this occasion they lost 3-2 to Greater Manchester but they fought hard after being 3-0 down at one stage.

COACHING AND THE COACHES

The coaching structure of English football which is organised by the Football Association through their Coaching Department is going through a brand new phase and within the next twelve months, considerable changes are planned. After the retirement of Allen Wade, the former Director of Coaching, who rendered a sterling service for a number of years, the task of carrying on and holding and developing the Department has been assumed by the very capable and forward looking Assistant Director of Coaching, Charles Hughes. The National Team Manager, Bobby Robson, is involved with the scheme as is his newly appointed assistant, Dave Sexton. All are based at the FA's Headquarters at 16 Lancaster Gate, London W2.

The present Coaching Awards available in descending order are the Full Coaching Award, the Preliminary Coaching Badge, the Youth Team Manager's Certificate and the Teacher's Certificate. In addition the FA have devised an award for school children known as the Super Skills Award.

On the administrative side, there are 43 County Coaching Associations plus the three Armed Services, all with County Secretaries who deal with the day to day running of Coaching at the lower levels and various delegated aspects of the system.

Around the country there are various Regional Coaches supported by Coaching Organisers and each Regional Coach or Organiser has under his control a number of Coaching Associations formed for the purpose of bringing Coaches together to discuss fresh coaching ideas and to take part in practical sessions as well as refresher courses.

The Regional Coaches and Coaching Organisers are:

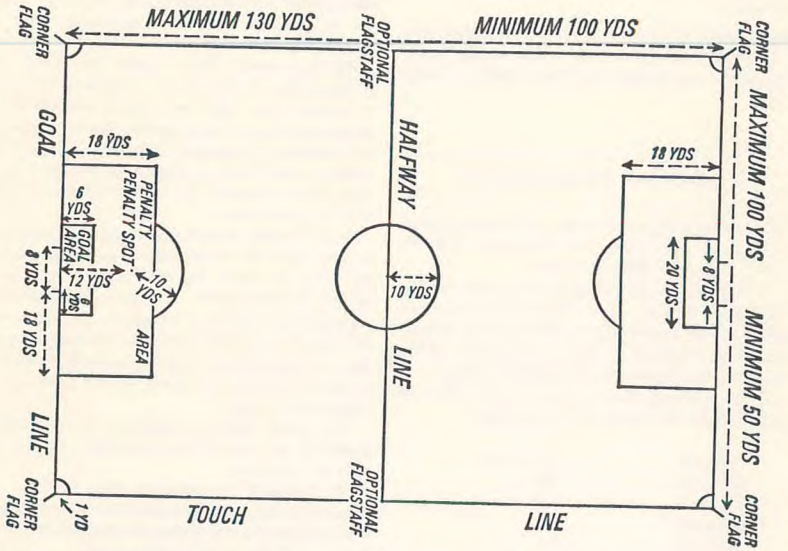
LAWS OF THE GAME

The Laws of the Game and Decisions of the International Board that follow are reproduced with the special permission of FIFA, and the text is the official text as published by FIFA.

LAW I
THE FIELD OF PLAY

The Field of Play and appurtenances shall be as shown in the following plan:



(1) **Dimensions.** The field of play shall be rectangular, its length being not more than 130 yards nor less than 100 yards and its breadth not more than 100 yards nor less than 50 yards. (In International Matches the length shall be not more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards.) The length shall in all cases exceed the breadth.

(2) **Marking.** The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut, in accordance with the plan, the longer boundary lines being called the touch-lines and the shorter the goal-lines. A flag on a post not less than 5ft high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the halfway line on each side of the field of play, not less than 1 yard outside the touch-line. A halfway-line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yards radius shall be marked round it.

(3) **The Goal-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these goal lines and the goal-line shall be called a goal-area.

(4) **The Penalty-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a penalty-area. A suitable mark shall be made within each penalty-area, 12 yards from the mid-point of the goal-line, measured along an undrawn line at right-angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

(5) **The Corner-Area.** From each corner-flag post a quarter circle, having a radius of 1 yard, shall be drawn inside the field of play.

(6) **The Goals.** The goals shall be placed on the centre of each goal-line and shall consist of two upright posts, equidistant from the corner-flags and 8 yards apart (inside measurement), joined

by a horizontal cross-bar the lower edge of which shall be 8ft from the ground. The width and depth of the goal-posts and the width and depth of the cross-bars shall not exceed 5 inches (12cm). The goal-posts and the cross-bars shall have the same width.

Nets may be attached to the posts, cross-bars and ground behind the goals. They should be appropriately supported and be so placed as to allow the goal-keeper ample room.

Footnote

Goal nets. The use of nets made of hemp, jute or nylon is permitted. The nylon strings may, however, not be thinner than those made of hemp or jute.

Decisions of the International Board

(1) In International matches the dimensions of the field of play shall be: maximum 110×75 metres; minimum 100×64 metres.

(2) National Associations must adhere strictly to these dimensions. Each National Association organising an International Match must advise the visiting Association, before the match, of the place and the dimensions of the field of play.

(3) The Board has approved this table of measurements for the Laws of the Game:

130 yards	... 120 metres

(4) The goal-line shall be marked the same width as the depth of the goal-posts and the cross-bar, so that the goal-line and goal-post will conform to the same interior and exterior edges.

(5) The 6 yards (for the outline of the goal-area) and the 18 yards (for the outline of the penalty-area) which have to be measured along the goal-line, must start from the inner sides of the goal-posts.

(6) The space within the inside areas of the field of play includes the width of the lines marking these areas.

(7) All Associations shall provide standard equipment, particularly in International Matches, when the Laws of the Game must be complied with in every respect and especially with regard to the size of the ball and other equipment which must conform to the regulations. All cases of failure to provide standard equipment must be reported to FIFA.

(8) In a match played under the Rules of a Competition, if the cross-bar becomes displaced or broken, play shall be stopped and the match abandoned unless the cross-bar has been repaired and replaced in position or a new one provided without such being a danger to the players. A rope is not considered to be a satisfactory substitute for a cross-bar.

In a Friendly Match, by mutual consent, play may be resumed without the cross-bar provided it has been removed and no longer constitutes a danger to the players. In these circumstances, a rope may be used as a substitute for a cross-bar. If a rope is not used and the ball crosses the goal-line at a point which in the opinion of the Referee is below where the cross-bar should have been he shall award a goal.

The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped.

(9) National Associations may specify such maximum and minimum dimensions for the cross-bars and goal-posts, within the limits laid down in Law I, as they consider appropriate.

(10) Goal-posts and cross-bars must be made of wood, metal or other approved material as decided from time to time by the International FA Board. They may be square, rectangular, round, half-round or elliptical in shape. Goal-posts and cross-bars made of other materials and in other shapes are not permitted.

(11) 'Curtain-raisers' to International Matches should only be played following agreement on the day of the match, and taking into account the condition of the field of play, between representatives of the two Associations and the Referee (of the International Match).

(12) National Associations, particularly in International Matches, should

— restrict the number of photographers around the field of play,
— have a line ('photographers' line') marked behind the goal-lines at least two metres from the corner flag going through a point situated at least 3.5 metres behind the intersection of the goal-line with the line marking the goal area to a point situated at least six metres behind the goal-posts,
— prohibit photographers from passing over these lines,

— forbid the use of artificial lighting in the form of 'flashlights'.

LAW II – THE BALL

The ball shall be spherical; the outer casing shall be of leather or other approved materials. No material shall be used in its construction which might prove dangerous to the players.

The circumference of the ball shall not be more than 28in and not less than 27in. The weight of the ball at the start of the game shall not be more than 16oz nor less than 14oz. The pressure shall be equal to 0.6–1.1 atmosphere, (=600–1"100gr/cm²) at sea level. The ball shall not be changed during the game unless authorised by the Referee.

Decisions of the International Board

(1) The ball used in any match shall be considered the property of the Association or Club on whose ground the match is played, and at the close of play it must be returned to the Referee.

(2) The International Board, from time to time, shall decide what constitutes approved materials. Any approved material shall be certified as such by the International Board.

(3) The Board has approved these equivalents of the weights specified in the Law: 14 to 16 ounces = 396 to 453 grammes.

(4) If the ball bursts or becomes deflated during the course of a match, the game shall be stopped and restarted by dropping the new ball at the place where the first ball became defective.

(5) If this happens during a stoppage of the game (place-kick, goal-kick, corner-kick, free-kick, penalty-kick or throw-in) the game shall be restarted accordingly.

LAW III – NUMBER OF PLAYERS

(1) A match shall be played by two teams, each consisting of not more than eleven players, one of whom shall be the goalkeeper.

(2) Substitutes may be used in any match played under the rules of a competition, subject to the following conditions:

(a) that the authority of the international association(s) or national association(s) concerned, has been obtained,

(b) that, subject to the restriction contained in the following paragraph (c), the rules of a competition shall state how many, if any, substitutes may be used, and

(c) that a team shall not be permitted to use more than two substitutes in any match.

(3) Substitutes may be used in any other match, provided that the two teams concerned reach agreement on a maximum number, not exceeding five, and that the terms of such agreement are intimated to the Referee, before the match. If the Referee is not informed, or if the teams fail to reach agreement, no more than two substitutes shall be permitted.

(4) Any of the other players may change places with the goalkeeper, provided that the Referee is informed before the change is made, and provided also, that the change is made during a stoppage in the game.

(5) When a goalkeeper or any other player is to be replaced by a substitute, the following conditions shall be observed:

(a) the Referee shall be informed of the proposed substitution, before it is made,

(b) the substitute shall not enter the field of play until the player he is replacing has left, and then only after having received a signal from the Referee,

(c) he shall enter the field during a stoppage in the game, and at the half-way line.

Punishment:

(a) Play shall not be stopped for an infringement of paragraph 4. The players concerned shall be cautioned immediately the ball goes out of play.

(b) For any other infringement of this law, the player concerned shall be cautioned, and if the game is stopped by the Referee, to administer the caution, it shall be restarted by an indirect free-kick, to be taken by a player of the opposing team, from the place where the ball was, when play was stopped. If the free-kick is awarded to a side within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

Decisions of the International Board

(1) The minimum number of players in a team is left to the discretion of National Associations.

(2) The Board is of the opinion that a match should not be considered valid if there are fewer than seven players in either of the teams.

(3) A competition may require that the referee shall be informed, before the start of the match, of the names of not more than five players, from whom the substitutes (if any) must be chosen.

(4) A player who has been ordered off before play begins may be replaced only by one of the named substitutes. The kick-off must not be delayed to allow the substitute to join his team.

A player who has been ordered off after play has started may not be replaced.

A named substitute who has been ordered off, either before or after play has started, may not be replaced (this decision relates only to players who are ordered off under Law XII. It does not apply to players who have infringed Law IV).

(5) A player who has been replaced shall not take any further part in the game.

(6) A substitute shall be deemed to be a player and shall be subject to the authority and jurisdiction of the Referee whether called upon to play or not. For any offence committed on the field of play a substitute shall be subject to the same pun-

ishment as any other player whether called upon or not.

LAW IV – PLAYERS' EQUIPMENT

(1) A player shall not wear anything which is dangerous to another player.

(2) Footwear (boots or shoes) must conform to the following standard:

(a) Bars shall be made of leather or rubber and shall be transverse and flat, not less than half an inch in width and shall extend the total width of the sole and be rounded at the corners.

(b) Studs which are independently mounted on the sole and are replaceable shall be made of leather, rubber, aluminium, plastic or similar material and shall be solid. With the exception of that part of the stud forming the base, which shall not protrude from the sole more than one quarter of an inch, studs shall be round in plan and not less than half an inch in diameter. Where studs are tapered, the minimum diameter of any section of the stud must not be less than half an inch. Where metal seating for the screw type is used, this seating must be embedded in the sole of the footwear and any attachment screw shall be part of the stud. Other than the metal seating for the screw type of stud, no metal plates even though covered with leather or rubber shall be worn, neither studs which are threaded to allow them to be screwed on to a base screw that is fixed by nails or otherwise to the soles of footwear, nor studs which, apart from the base, have any form of protruding edge rim or relief marking or ornament should be allowed.

(c) Studs which are moulded as an integral part of the sole and are not replaceable shall be made of rubber, plastic, polyurethane or similar soft materials. Provided that there are no fewer than ten studs on the sole, they shall have a minimum diameter of three-eighths of an inch (10mm). Additional supporting material to stabilise studs of soft materials, and ridges which shall not protrude more than 5mm from the sole and moulded to strengthen it, shall be permitted provided that they are in no way dangerous to other players. In all other respects they shall conform to the general requirements of this Law.

(d) Combined bars and studs may be worn, provided the whole conforms to the general requirements of this Law. Neither bars nor studs on the soles shall project more than three-quarters of an inch. If nails are used they shall be driven in flush with the surface.

(3) The goalkeeper shall wear colours which distinguish him from the other players and from the Referee.

Punishment: For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

Decisions of the International Board

(1) The usual equipment of a player is a jersey or shirt, shorts, stockings and footwear. In a match played under the rules of a competition, players need not wear boots or shoes, but shall wear jersey or shirt, shorts, or track suit or similar trousers, and stockings.

(2) The Law does not insist that boots or shoes must be worn. However, in competition matches Referees should not allow one or a few players to play without footwear when all the other players are so equipped.

(3) In International Matches, International Competitions, International Club Competitions and friendly matches between clubs of different National Associations, the Referee, prior to the start of the game, shall inspect the players' footwear, and prevent any player whose footwear does not conform to the requirements of this Law from playing until such time as it does comply.

The rules of any competition may include a similar provision.

(4) If the Referee finds that a player is wearing articles not permitted by the Laws and which may constitute a danger to other players, he shall order him to take them off. If he fails to carry out the Referee's instruction, the player shall not take part in the match.

(5) A player who has been prevented from taking part in the game or a player who has been sent off the field for infringing Law IV must report to the Referee during a stoppage of the game and may not enter or re-enter the field of play unless and until the Referee has satisfied himself that the player is no longer infringing Law IV.

(6) A player who has been prevented from taking part in a game or who has been sent off because of an infringement of Law IV, and who enters or re-enters the field of play to join or rejoin his team, in breach of the conditions of Law XII, shall be cautioned. If the Referee stops the game to administer the caution, the game shall be restarted by an indirect free-kick, taken by a player of the opposing side, from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

LAW V – REFEREES

A Referee shall be appointed to officiate in each game. His authority and the exercise of the powers granted to him by the Laws of the Game commence as soon as he enters the field of play.

His power of penalising shall extend to offences committed when play has been temporarily suspended, or when the ball is out of play. His decision on points of fact connected with the play

shall be final, so far as the result of the game is concerned. He shall:

(a) Enforce the Laws.

(b) Refrain from penalising in cases where he is satisfied that, by doing so, he would be giving an advantage to the offending team.

(c) Keep a record of the game, act as timekeeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

(d) Have discretionary power to stop the game for any infringement of the Laws and to suspend or terminate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall submit a detailed report to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(e) From the time he enters the field of play, caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists, suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(f) Allow no person other than the players and linesmen to enter the field of play without his permission.

(g) Stop the game if, in his opinion, a player has been seriously injured; have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

(h) Send off the field of play, any player who, in his opinion, is guilty of violent conduct, serious foul play, or the use of foul or abusive language.

(i) Signal for recommencement of the game after all stoppages.

(j) Decide that the ball provided for a match meets with the requirements of Law II.

Decisions of the International Board

(1) Referees in International Matches shall wear a blazer or blouse the colour of which is distinct from the colours worn by the contesting teams.

(2) Referees for International Matches will be selected from a neutral country unless the countries concerned agree to appoint their own officials.

(3) The Referee must be chosen from the official list of International Referees. This need not apply to Amateur and Youth International Matches.

(4) The Referee shall report to the appropriate authority misconduct or any misdemeanour on the part of spectators, officials, players, named substitutes or other persons which take place either on the field of play or in its vicinity at any time prior to, during, or after the match in question so that appropriate action can be taken by the authority concerned.

(5) Linesmen are assistants of the Referee. In no case shall the Referee consider the intervention of a Linesman if he himself has seen the incident and from his position on the field, is better able to judge. With this reserve, and the Linesman neutral, the Referee can consider the intervention and if the information of the Linesman applies to that phase of the game immediately before the scoring of a goal, the Referee may act thereon and cancel the goal.

(6) The Referee, however, can only reverse his first decision so long as the game has not been restarted.

(7) If the Referee has decided to apply the advantage clause and to let the game proceed, he cannot revoke his decision if the presumed advantage has not been realised, even though he has not, by any gesture, indicated his decision. This does not exempt the offending player from being dealt with by the Referee.

(8) The Laws of the Game are intended to provide that games should be played with as little interference as possible, and in this view it is the duty of Referees to penalise only deliberate breaches of the Law. Constant whistling for trifling and doubtful breaches produces bad feeling and loss of temper on the part of the players and spoils the pleasure of spectators.

(9) By para. (d) of Law V the Referee is empowered to terminate a match in the event of grave disorder, but he has no power or right to decide, in such event, that either team is disqualified and thereby the loser of the match. He must send a detailed report to the proper authority who alone has power to deal further with this matter.

(10) If a player commits two infringements of a different nature at the same time, the Referee shall punish the more serious offence.

(11) It is the duty of the Referee to act upon the information of neutral Linesmen with regard to incidents that do not come under the personal notice of the Referee.

(12) The Referee shall not allow any person to enter the field until play has stopped, and only then, if he has given him a signal to do so, nor shall he allow coaching from the boundary lines.

LAW VI – LINESMEN

Two Linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play and which

side is entitled to the corner-kick, goal-kick or throw-in. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a Linesman, the Referee shall dispense with his services and arrange for a substitute to be appointed. (The matter shall be reported by the Referee to the competent authority.) The Linesmen should be equipped with flags by the Club on whose ground the match is played.

Decisions of the International Board

(1) Linesmen, where neutral, shall draw the Referee's attention to any breach of the Laws of the Game of which they become aware if they consider that the Referee may not have seen it, but the Referee shall always be the judge of the decision to be taken.

(2) National Associations are advised to appoint official Referees of neutral nationality to act as Linesmen in International Matches.

(3) In International Matches, Linesmen's flags shall be of a vivid colour, bright reds and yellows. Such flags are recommended for use in all other matches.

(4) A Linesman may be subject to disciplinary action only upon a report of the Referee for unjustified interference or insufficient assistance.

LAW VII – DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through accident or other cause, the amount of which shall be a matter for the discretion of the Referee; (b) Time shall be extended to permit a penalty-kick being taken at or after the expiration of the normal period in either half.

At half-time the interval shall not exceed five minutes except by consent of the Referee.

Decisions of the International Board

(1) If a match has been stopped by the Referee, before the completion of the time specified in the rules, for any reason stated in Law V it must be replayed in full unless the rules of the competition concerned provide for the result of the match at the time of such stoppage to stand.

(2) Players have a right to an interval at half-time.

LAW VIII – THE START OF PLAY

(a) **At the beginning of the game,** choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off. The Referee having given a signal, the game shall be started by a player taking a place-kick (i.e., a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing that of the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been touched or played by another player.

(b) **After a goal is scored,** the game shall be restarted in like manner by a player of the team losing the goal.

(c) **After half-time:** when restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Punishment: For any infringement of this Law, the kick-off shall be retaken, except in the case of the kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponent's goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred. A goal shall not be scored direct from a kick-off.

(d) **After any other temporary suspension:** when restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended and it shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

Decisions of the International Board

(1) If, when the Referee drops the ball, a player infringes any of the Laws before the ball has touched the ground, the player concerned shall be cautioned or sent off the field according to the seriousness of the offence, but a free-kick cannot be awarded to the opposing team because the ball was not in play at the time of the offence. The ball shall therefore be again dropped by the Referee.

(2) Kicking-off by persons other than the players competing in a match is prohibited.

LAW IX – BALL IN AND OUT OF PLAY

The ball is out of play:

(a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.

(b) When the game has been stopped by the Referee.

The ball is in play at all other times from the start of the match to the finish including:

(a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.

(b) If it rebounds off either the Referee or Linesmen when they are in the field of play.

(c) In the event of a supposed infringement of the Laws, until a decision is given.

Decisions of the International Board

(1) The lines belong to the areas of which they are the boundaries. In consequence, the touch-lines and the goal-lines belong to the field of play.

LAW X – METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar, provided it has not been thrown, carried or intentionally propelled by hand or arm, by a player of the attacking side, except in the case of a goalkeeper, who is within his own penalty-area.

The team scoring the greater number of goals during a game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a 'draw'.

Decisions of the International Board

(1) Law X defines the only method according to which a match is won or drawn; no variation whatsoever can be authorised.

(2) A goal cannot in any case be allowed if the ball has been prevented by some outside agent from passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-kick: the game must be stopped and restarted by the Referee dropping the ball at the place where the ball came into contact with the interference.

(3) If, when the ball is going into goal, a spectator enters the field before it passes wholly over the goal-line, and tries to prevent a score, a goal shall be allowed if the ball goes into goal unless the spectator has made contact with the ball or has interfered with play, in which case the Referee shall stop the game and restart it by dropping the ball at the place where the contact or interference occurred.

LAW XI – OFF-SIDE

(1) A player is in an off-side position if he is nearer to his opponents' goal-line than the ball, **unless:**

(a) He is in his own half of the field of play, or

(b) There are at least two of his opponents nearer their own goal-line than he is.

(2) A player shall only be declared off-side and penalised for being in an off-side position, if, at the moment the ball touches, or is played by, one of his team, he is, in the opinion of the referee

(a) interfering with play or with an opponent, or

(b) seeking to gain an advantage by being in that position.

(3) A player shall not be declared off-side by the referee

(a) merely because of his being in an off-side position, or

(b) if he receives the ball, direct, from a goal-kick, a corner-kick, a throw-in, or when it has been dropped by the referee.

(4) If a player is declared off-side, the referee shall award an indirect free-kick, which shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) Off-side shall not be judged at the moment the player in question receives the ball, but at the moment when the ball is passed to him by one of his own side. A player who is not in an off-side position when one of his colleagues passes the ball to him or takes a free-kick, does not therefore become off-side if he goes forward during the flight of the ball.

LAW XII – FOULS AND MISCONDUCT

A player who intentionally commits any of the following nine offences:

(a) Kicks or attempts to kick an opponent;

(b) Trips an opponent, i.e., throwing or attempting to throw him by the use of the legs or by stooping in front of or behind him;

(c) Jumps at an opponent;

(d) Charges an opponent in a violent or dangerous manner;

(e) Charges an opponent from behind unless the latter be obstructing;

(f) Strikes or attempts to strike an opponent;

(g) Holds an opponent;

(h) Pushes an opponent;

(i) Handles the ball, i.e., carries, strikes or propels the ball with his hand or arm. (This does not apply to the goalkeeper within his own penalty-area);

shall be penalised by the award of a direct free-kick to be taken by the opposing side from the place where the offence occurred, unless the offence is committed by a player in his opponents' goal-area in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Should a player of the defending side intentionally commit one of the above nine offences within

the penalty-area he shall be penalised by a **penalty-kick.**

A penalty-kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty-area is committed.

A player committing any of the five following offences:

(1) Playing in a manner considered by the Referee to be dangerous, e.g., attempting to kick the ball while held by the goalkeeper;

(2) Charging fairly, i.e., with the shoulder, when the ball is not within playing distance of the players concerned and they are definitely not trying to play it;

(3) When not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent;

(4) Charging the goalkeeper except when he

(a) is holding the ball;

(b) is obstructing an opponent;

(c) has passed outside his goal-area;

(5) When playing as goalkeeper and within his own penalty area,

(a) from the moment he takes control of the ball with his hands, he takes more than four steps in any direction whilst holding, bouncing or throwing the ball in the air and catching it again, without releasing it into play, or, having released it into play before, during or after the 4 steps, he touches it again with his hands, before it has been touched or played by another player, or

(b) indulges in tactics which, in the opinion of the Referee, are designed merely to hold up the game and thus waste time and so give an unfair advantage to his own team – shall be penalised by the award of an **indirect free-kick** to be taken by the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **cautioned** if:

(j) he enters or re-enters the field of play to join or rejoin his team after the game has commenced, or leaves the field of play during the progress of the game (except through accident) without, in either case, first having received a signal from the Referee showing him that he may do so. If the Referee stops the game to administer the caution the game shall be restarted by an indirect free-kick taken by a player of the opposing team from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area it may be taken from any point within the half of the goal-area in which the ball was when play was stopped. If, however, the offending player has committed a more serious offence he shall be penalised according to that section of the law he infringed;

(k) he persistently infringes the Laws of the Game;

(l) he shows by word or action, dissent from any decision given by the Referee;

(m) he is guilty of ungentlemanly conduct.

For any of these last three offences, in addition to the caution, an **indirect free-kick** shall also be awarded to the opposing side from the place where the offence occurred unless a more serious infringement of the Laws of the Game was committed. If the offence is committed by a player in his opponents' goal-area, a free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **sent off** the field of play, if:

(n) in the opinion of the Referee he is guilty of violent conduct or serious foul play;

(o) he uses foul or abusive language;

(p) he persists in misconduct after having received a caution.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the Law having been committed, the game shall be resumed by an **indirect free-kick** awarded to the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

---

(1) If the goalkeeper either intentionally strikes an opponent by throwing the ball vigorously at him or pushes him with the ball while holding it, the Referee shall award a penalty-kick, if the offence took place within the penalty-area.

(2) If a player deliberately turns his back to an opponent when he is about to be tackled, he may be charged but not in a dangerous manner.

(3) In case of body-contact in the goal-area between an attacking player and the opposing goalkeeper not in possession of the ball, the Referee, as sole judge of intention, shall stop the game if, in his opinion, the action of the attacking player was intentional, and award an indirect free-kick.

(4) If a player leans on the shoulders of another player of his own team in order to head the ball, the Referee shall stop the game, caution the player for ungentlemanly conduct and award an indirect free-kick to the opposing side.

(5) A player's obligation when joining or rejoining his team after the start of the match to 'report to the Referee' must be interpreted as meaning 'to draw the attention of the Referee from the touch-line'. The signal from the Referee shall be made by a definite gesture which makes the player understand that he may come into the field of play; it is not necessary for the Referee to wait until the game is stopped (this does not apply in respect of an infringement of Law IV), but the Referee is the sole judge of the moment in which he gives his signal of acknowledgement.

(6) The letter and spirit of Law XII do not oblige the Referee to stop a game to administer a caution. He may, if he chooses, apply the advantage. If he does apply the advantage, he shall caution the player when play stops.

(7) If a player covers up the ball without touching it in an endeavour not to have it played by an opponent, he obstructs but does not infringe Law XII para. 3 because he is already in possession of the ball and covers it for tactical reasons whilst the ball remains within playing distance. In fact, he is actually playing the ball and does not commit an infringement; in this case, the player may be charged because he is in fact playing the ball.

(8) If a player intentionally stretches his arms to obstruct an opponent and steps from one side to the other, moving his arms up and down to delay his opponent, forcing him to change course, but does not make 'bodily contact' the Referee shall caution the player for ungentlemanly conduct and award an indirect free-kick.

(9) If a player intentionally obstructs the opposing goalkeeper, in an attempt to prevent him from putting the ball into play in accordance with Law XII, 5(a), the Referee shall award an indirect free-kick.

(10) If after a Referee has awarded a free-kick a player protests violently by using abusive or foul language and is sent off the field, the free-kick should not be taken until the player has left the field.

(11) Any player, whether he is within or outside the field of play, whose conduct is ungentlemanly or violent, whether or not it is directed towards an opponent, a colleague, the Referee, a Linesman or other person, or who uses foul or abusive language, is guilty of an offence, and shall be dealt with according to the nature of the offence committed.

(12) If, in the opinion of the Referee a goalkeeper intentionally lies on the ball longer than is necessary, he shall be penalised for ungentlemanly conduct and

(a) be cautioned and an indirect free-kick awarded to the opposing team;

(b) in case of repetition of the offence, be sent off the field.

(13) The offence of spitting at opponents, officials or other persons, or similar unseemly behaviour shall be considered as violent conduct within the meaning of section (n) of Law XII.

(14) If, when a Referee is about to caution a player, and before he has done so, the player commits another offence which merits a caution, the player shall be sent off the field of play.

LAW XIII – FREE-KICK

Free-kicks shall be classified under two headings: 'Direct' (from which a goal can be scored direct against the offending side), and 'Indirect' (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a player is taking a direct or an indirect free-kick inside his own penalty-area, all of the opposing players shall remain outside the area, and shall be at least ten yards from the ball whilst the kick is being taken. The ball shall be in play immediately it has travelled the distance of its own circumference and is beyond the penalty-area. The goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play, beyond the penalty-area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty-area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line, between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the Referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free-kick is taken, and the kicker shall not play the ball a second time, until it has been touched or played by another player.

Notwithstanding any other reference in these Laws to the point from which a free-kick is to be taken, any free-kick awarded to the defending side, within its own goal-area, shall be taken from any point within that half of the goal-area in which the free-kick has been awarded.

Punishment. If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred.

Decisions of the International Board

(1) In order to distinguish between a direct and an indirect free-kick, the Referee, when he awards an indirect free-kick, shall indicate accordingly by raising an arm above his head. He shall keep his arm in that position until the kick has been taken and retain the signal until the ball has been played or touched by another player or goes out of play.

(2) Players who do not retire to the proper distance when a free-kick is taken must be cautioned and on any repetition be ordered off. It is particularly requested of Referees that attempts to delay the taking of a free-kick by encroaching should be treated as serious misconduct.

(3) If, when a free-kick is being taken, any of the players dance about or gesticulate in a way calculated to distract their opponents, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

LAW XIV – PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players with the exception of the player taking the kick, and the opposing goal-keeper, shall be within the field of play but outside the penalty-area, and at least 10 yards from the penalty-mark. The opposing goalkeeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e., when it has travelled the distance of its circumference, and a goal may be scored direct from such a penalty-kick. If the ball touches the goalkeeper before passing between the posts, when a penalty-kick is being taken at or after the expiration of half-time or full-time, it does not nullify a goal. If necessary, time of play shall be extended at half-time or full-time to allow a penalty-kick to be taken.

Punishment

For any infringement of this Law:

(a) by the defending team, the kick shall be retaken if a goal has not resulted.

(b) by the attacking team other than by the player taking the kick, if a goal is scored it shall be disallowed and the kick retaken.

(c) by the player taking the penalty-kick, committed after the ball is in play, a player of the opposing team shall take an indirect free-kick from the spot where the infringement occurred. If, in the case of paragraph (c), the offence is committed by the player in his opponents' goal-area, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

---

(1) When the Referee has awarded a penalty-kick, he shall not signal for it to be taken, until the players have taken up position in accordance with the Law.

(2) (a) If, after the kick has been taken, the ball is stopped in its course towards goal, by an outside agent, the kick shall be retaken.

(b) If, after the kick has been taken, the ball rebounds into play, from the goalkeeper, the cross-bar or a goal-post, and is then stopped in its course by an outside agent, the Referee shall stop play and restart it by dropping the ball at the place where it came into contact with the outside agent.

(3) (a) If, after having given the signal for a penalty-kick to be taken, the Referee sees that the goalkeeper is not in his right place on the goal-line, he shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball has been kicked, the goal-keeper moves his feet, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(c) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of the defending team encroaches into the penalty-area, or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

The player concerned shall be cautioned.

(4) (a) If, when a penalty-kick is being taken, the player taking the kick is guilty of ungentlemanly conduct, the kick, if already taken, shall be retaken, if a goal is scored.

The player concerned shall be cautioned.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a colleague of the player taking the kick encroaches into the penalty-area or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. If a goal is scored, it shall be disallowed, and the kick retaken.

The player concerned shall be cautioned.

(c) If, in the circumstances described in the foregoing paragraph, the ball rebounds into play from the goalkeeper, the crossbar or a goal-post, the Referee shall stop the game, caution the player and award an indirect free-kick to the opposing team from the place where the infringement occurred.

(5) (a) If, after the referee has given the signal for a penalty-kick to be taken, and before the ball is in play, the goalkeeper moves from his position on the goal-line, or moves his feet, and a colleague of the kicker encroaches into the penalty-area or within 10 yards of the penalty-mark, the kick, if taken, shall be retaken.

The colleague of the kicker shall be cautioned.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of each team encroaches into the penalty-area, or within 10 yards of the penalty-mark, the kick, if taken, shall be retaken.

The players concerned shall be cautioned.

(6) When a match is extended, at half-time or full-time, to allow a penalty-kick to be taken or retaken, the extension shall last until the moment that the penalty-kick has been completed, i.e. until the Referee has decided whether or not a goal is scored.

A goal is scored when the ball passes wholly over the goal-line.

(a) direct from the penalty-kick,

(b) having rebounded from either goal-post or the cross-bar, or

(c) having touched or been played by the goalkeeper.

The game shall terminate immediately the Referee has made his decision.

(7) When a penalty-kick is being taken in extended time:

(a) the provisions of all of the foregoing paragraphs, except paragraphs (2)(b) and (4)(c) shall apply in the usual way, and

(b) in the circumstances described in paragraphs (2)(b) and (4)(c) the game shall terminate immediately the ball rebounds from the goalkeeper, the cross-bar or the goal-post.

LAW XV – THROW-IN

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on the touch-line or on the ground outside the touch-line. The thrower shall use both hands and shall deliver the ball from behind and over his head. The ball shall be in play immediately it enters the field of play, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

(a) If the ball is improperly thrown in the throw-in shall be taken by a player of the opposing team.

(b) If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) If a player taking a throw-in, plays the ball a second time by handling it within the field of play before it has been touched or played by another player, the Referee shall award a direct free-kick.

(2) A player taking a throw-in must face the field of play with some part of his body.

(3) If, when a throw-in is being taken, any of the opposing players dance about or gesticulate in a way calculated to distract or impede the thrower, it shall be deemed ungentlemanly conduct, for which the offender(s) shall be cautioned.

LAW XVI – GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the attacking team, it shall be kicked direct into play beyond the penalty-area from a point within that half of the goal-area nearest to where it crossed the line, by a player of the defending team. A goalkeeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e., direct into play, the kick shall be retaken. The kicker shall not play the ball a second time until it has touched – or been played by – another player. A goal shall not be scored direct from such a kick. Players of the team opposing that of the player taking the goal-kick shall remain outside the penalty-area whilst the kick is being taken.

Punishment:

If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) When a goal-kick has been taken and the player who has kicked the ball touches it again before it has left the penalty-area, the kick has not been taken in accordance with the Law and must be retaken.

LAW XVII – CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall take a corner-kick, i.e., the whole of the ball shall be placed within the quarter circle at the nearest corner-flag post, which must not be moved, and it shall be kicked from that position. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e., it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.

Punishment:

(a) If the player who takes the kick plays the ball a second time before it has been touched or played by another player, the Referee shall award an indirect free-kick to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

(b) For any other infringement the kick shall be retaken.

ROTHMANS FOOTBALL YEARBOOK

This is the fourteenth edition of the yearbook, and contains the usual wealth of facts and figures on the world's most popular game, as well as a number of completely new features.

The 'heart' of the book is the League club section, which this year contains FA Cup and League/Milk Cup goals and appearances for each player as well as the usual League football details of 1982-83. The book has also been illustrated throughout for the first time, including team photographs of all 92 Football League clubs.

Special features include the famous Real Madrid European Cup performances in the 1950s, and the twenty-fifth anniversary of the Munich Air Disaster is marked by a unique presentation of Manchester United's 1957-58 season's records.

Together with these exciting new features are the popular sections regularly included, such as the Day-by-Day Diary of the 1982-83 season, Rothmans Football Awards, and full details of all senior football in the UK for the year. There is also comprehensive coverage of international and European club soccer, and all the most important aspects of non-League football are included.

It is hoped that these additional features and fresh presentation will greatly enhance the readers' enjoyment of the game's very own special 'bible'.
